Liter	= 1 = 1 c. decimeter	= 0.908 quart = 1.0567 qts.
Deciliter	= .1 = 1 c. decimeter	= 6.1022 cubic in = 0.845 gill.
Centiliter	= .01 = 10 c. centimet'rs	= 0.6102 cubic in = 0.338 fluid oz.
Milliliter	= .001 = 1 c. centimeter	= 0.061 cubic in = 0.27 fluid dr.

JANUARY, TUESDAY 1. 1884.

Home Near Hamlin Sta

Arose at 4 1/2 O'clock and
 Charley and I did our
 milking and most of our
 feeding before daylight.
 We milked seven cows and
 I took the milk to the station
 to send to Pittsburgh. We
 spent the afternoon putting
 things in shelter and hauled
 a few rails to fence our
 strawstack for the cows.
 Rained hard in the evening
 and froze as it fell.
 We came home at
 night. Still raining
 at bedtime.

JANUARY, WEDNESDAY 2. 1884.

Home Near Hanlin Sta

Arose at 4 1/2 and Charley and I did milking and feeding as usual. Charley took the milk to Riddles and I finished the feeding. We changed the fence to let the cows at the straw. Caught some chickens to sell. Made a stall in the barn for the colt and weather boarded one end of the cowhouse. Charlie attended singing at Tuckers as night. Prof. did not come. Night very cold and stormy. I wrote a letter to F. J. Lindly. Expected Prof. Stewart home with Charley but he did not come. Late retiring.

JANUARY, THURSDAY 3. 1884.

Home Near Hanlin Sta

Arose at 4 1/2 o'clock and we milked seven cows before daylight. I took the milk to the station. Got our milk money from John Proomes. Took Mr. Calmarts money to him part of an brand to John McConnell's chance to bring John Hanlin's. Got my hair cut and got home in time to help to milk and feed some. Day very cold and stormy. Wind blew very cold all day.

JANUARY,

FRIDAY 4.

1884.

Home Near Hamilton Sta.

Arose at 4 1/2 O'clock and
 Charley and I did the milking
 and feeding before daylight
 and Charley took the milk
 to Kiddle's and waited
 until John Proves
 returned from Station
 with the cans.

Sold two dozens of
 Chickens to John McDonald
 for \$6.00. Spent most of
 the day weatherboarding
 Chickens house and
 chinking the barn to
 keep them out.

One of our cows refused
 to eat and seemed sick.
 Snowed fine frosty snow
 all day. Snow about
 an inch deep in the
 evening.

JANUARY,

SATURDAY 5.

1884.

Home Near Hamilton Sta

Arose at 4 1/2 and did the
 milking and feeding
 as usual. I took the
 milk to the station.

Met Maimie Lawrence and
 her family starting home
 took P. Bayer up to
 Eldersville in sled. Called
 in to see Bill Sholey &
 found him better.

Eine Swearingen came
 home with me from
 Kiddle's. Weather very
 cold and I cut a
 hole in the floor
 in cellar and put
 fire in the stove.
 Water frozen in
 cellar. Put little
 snow on the ground

JANUARY,

SUNDAY 6.

1884.

Home near Haulins Station

Left until after daylight,
Charley and I attended to
feeding and milking
and Charley walked over
to Eldersville Church
and I went to Tuckers
to Prayer meeting.

I did all the feeding
and milking in the
evening. Read some
in God Words to the
Children. Read in
Bible Wesleyan Methodists
and New Testament
Glean of Hell.

Weather very cold
some snow on the
ground.

JANUARY,

MONDAY 7.

1884.

Home near Haulins Station

Arose at 4 1/2 and attended
to feeding and milking
as usual. Charley took the
milk to Kiddle's before
he went to school and
I went to Kiddle's for a no
after I had finished
feeding. I spent part
of the afternoon husking
ground cherries.

J. P. McCalmont came
in on an errand and
left for an hour or
more. Weather quite
cold but not so cold
as for the last two
days. Charley attended
singing at Tuckers at
night.

JANUARY, TUESDAY 8. 1884.

Home Near Haulin Ste

Attended to milking
as usual before
daylight and I
took the milk to
the station. Train
was very late I got
but two empty cans.
Went to McAlmon's
and told him I could
not furnish him
a can. Did chores in
the afternoon such
as sweeping roads
and stuffing cracks
to keep snow out of
the stables. Snowed
very fast all day.
Snow very deep at
night and still
snowing.

JANUARY, WEDNESDAY 9. 1884.

Home Near Haulin Ste

Arose at 4 1/2 O'clock
and kindled fires and
swept snow out of
path. Charlie and I
did milking before
breakfast. I took
the milk to Riddle's.
Snow so very deep that
it was very difficult
to get about. Covered
a wagon-hip during day.
Charlie did not go to
school. He brought cans
from Riddle's and took
two to McAlmon's.
Snowed some during
the day.

JANUARY, THURSDAY 10. 1884.

Home Near Haulin St.

Arose at the usual hour
and Charlie and I milked
seven cows and fed before
daylight. I took the milk
to the station on the sled.
Snow very deep and
sledging heavy. Took
Provine's cane to them
and drove almost to the
schoolhouse to break
the road for Charley to
go to school. Finished
making a wagon whip
in the afternoon and
helped to milk and feed.
Was raining a
bed time

JANUARY, FRIDAY 11. 1884.

Home Near Haulin St.

Having rec^d notice not to send
any milk in the morning
we slept until late and
milked and fed after
daylight. I took the
sled and took Charley
and Co. Carothers to
school. Spent an hour
or two in school. Straightened
the tongue in the sled
and stilled some corn
and mixed some cow feed.
Attended to feeding and
milking as usual in
the evening.
Snowed some in the
afternoon. Snow very deep.

JANUARY, SATURDAY 12.

1884.

Home Near Haulin Sta.

Arose a few minutes before five and did milking and feeding as usual before breakfast. Took the milk to the station and some grinding to mill and got it home with me. We hauled two sled loads of hay in the afternoon.

Snow very deep and still blowing.

JANUARY, SUNDAY 13.

1884.

Home Near Haulin Sta

Slept until late and after we got our feeding done I attended church at Suckers. Rev. Hugh Rick and did not come.

Had prayer meeting.

Spent the afternoon and evening at home reading in the Bible and attending to feeding and milking. Snow very deep but melting some in the afternoon and night.

JANUARY, MONDAY 14. 1884.

Home near Hamlin Sta

Awoke at 4 1/2 O'clock
and after milking as
usual I took the milk
to Riddles to meet John Pro-
vine. Called at D. S. Sul-
ton's to pay widow's interest
but learned that he would
rather I would hold it
until next month. Went
to Siloence and got some
boots mended. Called in
to see Rev. Hough and
found his health somewhat
improved. Did chimes
in the evening.
Cherley attended singing
at night. Snow melted
some during day.

JANUARY, TUESDAY 15. 1884.

Home near Hamlin Sta

Awoke 15 minutes before four
O'clock intending to take the
family to Grandpa's but found
it storming and they did not
go. I took milk to the station
Called at C. M. Stephenson's
& Will Thorley's. Will still
quite poor. Took dinner
at Will Melvin's. Borrowed
ten bushels of wheat and
brought it with six bu-
ful father's to Hamlin's
mill. Sledding good.
Weather cold but day
fine.

JANUARY, WEDNESDAY 16. 1884.

Home Near Haulin Sta.

Arose at the usual time
and did the usual chores.
Charley took the milk to
Kiddles. I finished the feeding
shoveled the snow from the
clothesline put a sledge on
the sled and put a bar
in it and cut the
ice at the fording
to improve the crossing
and mended one of
Ellie's shoes at night.
Sledding very good.
Weather tolerably cold.

JANUARY, THURSDAY 17. 1884.

Home Near Haulin Sta.

Arose at 4 o'clock and
did usual chores before
breakfast. I took the
milk to the station.
Repaired sled some
and hauled forty bushels
of coal from Cold-
wells bank in the
afternoon.
Sledding here good.
Snow deep and crust-
ed. Weather not very
cold.

JANUARY, FRIDAY 18. 1884.

Home Near Haulin' Sta

Felt quite unwell all day. Threw up some in the morning. Took the milk to Riddles. Took Deck and Rhone Cows to Alex Haulin's butch and was nearly done out when I got home the second time as the snow was very deep and crusted. Shelled some corn and mixed with oats to take to mill. J. P. Mc Calmont and family visited us at night and we had a very pleasant visit. Weather very fine. Snowing at bedtime

JANUARY, SATURDAY 19. 1884.

Home Near Haulin' Sta

Arose at the usual time and did the usual chores and then took the milk to the station. Took a load of chopping with me to the mill. Got home between nine and ten o'clock when Will, Melvin and family and Thos Walker family came and spent the remainder of the day with us and Charley went home with them at night. He had a good time singing in the old Christian Whistrel, Patent notes. Snow deep and snowing more.

JANUARY, SUNDAY 20. 1884.

Home Near Hamlin Station

Arose a few minutes before eight and did all the feeding and milking as Charley was away at his Grandpas. Got ready and went to Church at Eldersville and heard Rev. Sturm preach from Mark. ~~XX~~ 21-22. Sledding good and congregation large. Weather cold. Spent the afternoon and evening at home reading Bible and Wesleyan Methodist.

JANUARY, MONDAY 21. 1884.

Home Near Hamlin Stn.

Arose at the usual hour and did the usual chores. Took the milk to Riddle's. Took some of the scholars to school. Went to mill. Took dinner at Riddle's. Spent most of the afternoon reading the trial of Jim Hunt for the killing of N. L. Dukes of Amvontown, Fayette Co. Took Helen and the children to Carothers' at night and Charley and I attended pinks at Tuckers church. Sledding good. Weather cold.

JANUARY, TUESDAY 22. 1884.

Home Near Haulin Ste

Arose at 4 1/2 and did the milking before breakfast. We had been late getting to bed and I did not wake Charley to help milk. took the milk to Kiddles. Attended the funeral of Sallie Miller from the house of B. McCurrell. Got home about three o'clock. Sledding very good. Weather not very cold. Snow drifting some. Read trial of Jim. Matt at night.

JANUARY, WEDNESDAY 23. 1884.

Home Near Haulin Ste

Arose at 5 O'clock and did the usual chores, then I took the milk to the station. Hauled sixty lbs. of coal from Caldwell's bank. Just when we sat down to supper Mr. Haulin and family came in and sat until bedtime. Maggie Kiddle with us over night. Snow on the ground melting all afternoon & snowing at night.

JANUARY, THURSDAY 24. 1884.

Home Near Haulin' Stn.

I let Charley sleep until breakfast was ready. I did the milking and he finished the feeding while I was gone to the station with the milk. Spent the afternoon doing chores. Robt. Kiddle brought the children home from school in the sled and Miss Amanda Cassidy the teacher came with them and spent the night with us. Snowed all day and was very disagreeable.

JANUARY, FRIDAY 25. 1884.

Home Near Haulin's Station

About three o'clock Gracy waked us up with cough. Worked with her until daylight and did not attend to milking until after I had taken the milk to Kiddle's. Took Charley and Amanda Cassidy the school teacher to Kiddle's to go to school in their sled. Spent most of the afternoon doing chores in the house. Repaired some of the dog latches. Weather very cold said to be 32. ^(supposed to be erroneous) Below zero at Haulin's Station. Warmer through the day. Gracy got better in the afternoon. Gilly poorly with the cold.

JANUARY, SATURDAY 26. 1884.

Home near Haulin' Sta

After doing the milking
in the morning I took the
milk to the station.

Train behind time and
I waited for mail train
but got no mail
Charley and I hauled three
pld loads of hay in the
afternoon and Charley
Went to Dr. Gibsons
and got some butter.
Weather very cold in
the morning but
moderated some in
the afternoon.

JANUARY, SUNDAY 27. 1884.

Home near Haulin' Sta.

Slept until eight O'clock
and when we got feeding
and milking done it was
too late to go to church.
and we all spent the
day at home. I read
most of the afternoon in
a book entitled The
New Testament Ideals of
Hell. Morning Frosty.
Day very peculiar with
rather a frost and foggy
appearance and clouds
indicating a fall
of snow.

JANUARY, MONDAY 28. 1884.

Home Near Hanlin Sta

Arose at the usual time
and greased some boots
before milking. Charley
and I milked seven cows
and did most of the
feeding before daylight.
I took the milk to Biddle,
then hauled three loads
of coal from Caldwell's
bank, 8 bushels on the
sled. Charley attended
singing at Luckers
at night. Weather
quite mild all day
and snow melting.

JANUARY, TUESDAY 29. 1884.

Home Near Hanlin Sta.

Arose a few minutes before
five o'clock and did the
usual chores before going
to the station with the
milk. Gracey had the
earache in the after-
noon and I nursed
her some. Cut the
ice out of the fording
at the river and hauled
twenty bushels of coal
from Caldwell's bank
in the. Read the
trial of "Jim Gault"
at night. Weather
mild. Snow melting.

JANUARY, WEDNESDAY 30. 1884.

Home near Hanlin Sta

Arose a little before five and Charley and I attended to milking as usual before daylight. I took the milk to Kiddles. Did chores in the forenoon. Read the argument of Counsel in the Jim Nutt trial. Put a floor in the place where two of our cows stand in the old barn. Rained considerably during the day and snow melting off.

JANUARY, THURSDAY 31. 1884.

Home near Hanlin Station

Arose a few minutes before five o'clock and Charley and I attended to all the feeding before I started to the station. I took the milk to the station, helped Helen some about her washing, took the horses to Paris and got them shod all around. Snow melting off. Waters getting high.

FEBRUARY, FRIDAY 1. 1884.

Home Near Haulin' Sta

Arose at the usual hour
and did the usual chores
before daylight. Took
the milk to Widdle's and
met John Provines.

Brought Maggie home with
me to make a drop for
Gracey. Went back to Widdle's
for cans when John came
home. Put soles on the
sled and shelled about
six bushels of corn
and mixed both rats
& taken to mill.

Snowed some in the
morning. Sledding
pretty good.

FEBRUARY, SATURDAY 2. 1884.

Home Near Haulin' Sta

Arose about five O'clock
and Charley and I did
the usual chores. I went
to the station with the
milk and took some
coffee to the mill and
got it home with me.
Learned that Jacob

P. Crip died yesterday
evening. We hauled
three sledloads of hay
in the afternoon.
Maggie Kiddle here
sewing. Weather fine.
Snow melting.

FEBRUARY, SUNDAY 3. 1884.

Home Near Hardin Sta Pa.

My 45th Birthday.
Arose at daylight and
we did our chores.
We went to Eldersville in
the sled to church and
heard Rev. Sturm preach
from 1st Cor. XV 12th Ch.
10th Verse was there in
time to hear the text.
Jacob F. Crisp was buried
immediately after
service. Funeral came
just as service con-
cluded. We took dinner
at the widow Crisp.
Elmer feeling very
badly over an unimpaired
reproof given at Tucker's
church by Rev. Hough.
Weather very fine,
Snow melting. Sliding
Almost gone.

FEBRUARY, MONDAY 4. 1884.

Home Near Hardin Sta

Arose a few minutes
before five o'clock and
Charley and I did the
usual chores before
breakfast which we
ate before daylight.
I took the milk to
Riddle's and spent
the remainder of the
day doing chores.
Repaired a door and
did some chinking
in the cow stable.
Quite warm all day
Snow melting.
Rained in the afternoon
and night.

FEBRUARY, TUESDAY 5. 1884.

Home Near Haulite Sta

Arose at 4 $\frac{1}{2}$ O'clock
and Charley and I did
the usual chores.

I went with the milk
to Kiddles and left my
team there and went
with John and Jim
Provines to the station
in the wagon. Rained
most of the day and
was very unpleasant.

I cleaned out the
stables in the after-
noon and did some
repairs. Charley went
to the singing at Juckers
at night.

FEBRUARY, WEDNESDAY 6. 1884.

Home Near Haulite Sta

Arose at the usual
hour and went
through the usual
routine of milking
and feeding. Took
the milk to the station
and waited until near
noon for the down train
to meet John Provines,
but a slip near
Dunsnoor stopped all
trains until afternoon.
Went to Provines and
got my milk money.
Charley Seik came in the
evening and got a
calf for a dollar and a
half. Rained nearly all day
waters very high.

FEBRUARY, THURSDAY 7. 1884.

Home Near Hamilton Sta.

After doing the milking
and part of the feeding
I took the milk to Riddles,
then cleaned out the
stables. Went to Burgetts
town and drew fifty
dollars on a check for
milk. Saw the men
cleaning out the dirt
at Simons tunnel,
a slip from the net and
frost. Charley went
to Riddles at night to
a little party. Weather
clearing and cooler.
Ohio River higher than
ever known before.

FEBRUARY, FRIDAY 8.

1884.

Home Near Hamilton Sta.

Arose at the usual
time and attended to the
usual chores and took
the milk to the station.
Spent the afternoon
greasing the wagons,
shelling corn &c.
Went to Mr. Hardy's
at night and from
thence to D. S. Puttens
and paid Widows interest
\$81.38. Got home about
eleven o'clock. Weather
cloudy and damp.
Ohio River higher than
ever known before.

FEBRUARY, SATURDAY 9. 1884.

Home near Haulin Sta.

After doing the usual
chores I took our milk
to the station and some
chopping to the mill and
got it home with me.
Charlie and I took Beck
Cows to A. M. Haulin's to the
bull. dug out some
dirt as foundation of
our cow house. Frank
and Dr. Carothers called
in in the evening and
Charlie went with them
to A. M. Haulin's.
Weather quite damp.

FEBRUARY, SUNDAY 10. 1884.

Home near Haulin Sta.

Arose at daylight and
after Charlie and I
had done our feeding
we all went to
Tucker's Church and
found a new made grave
and on inquiry found
that George Jackson
was to be buried.
Waited a long time until
the funeral came and
then the service kept
us until it was quite
late. Roads quite
muddy and heavy.

FEBRUARY, MONDAY 11. 1884.

Home Near Haulin Sta.

Arose at the usual hour
and did the usual chore.
Took the milk to Kiddles
and then went with
Rob's Kiddle to Buzzetts
town for a load of mill
feed. Maggie A. Kiddle
went with us. She stopped
to see Sam Hayes who
seemed to be going down
with Consumption.
Sam Provinces went
with us as far as
Hayes. Rained on
us as we came home.
Charley went to singing
but no teacher there.

FEBRUARY, TUESDAY 12. 1884.

Home Near Haulin Sta

I took the milk to the
Station in the morning.
John Provinces went
down with me. Mr.
Hardy brought home
- fifteen bushels of corn
he had borrowed from
me. I spent most of
the afternoon making
a foundation for a
floo in our cowhouse.
Rained nearly all
forenoon. Afternoon
fine. Wind rising
at night.

FEBRUARY, WEDNESDAY 13. 1884.

Home Near Haulin Sta.

Around 4 1/2 and Charley and I did the usual chores before daylight. I took the milk to Riddle's. Went to fatters on Riddle's young mare and found fatter improving. Come after having been thrown under a falling horse and had his ankle sprained and his side hurt on last Tuesday. Met James Jackson moving a sawmill. Roads very muddy. Weather quite warm.

FEBRUARY, THURSDAY 14. 1884.

Home Near Haulin Sta.

After going through the usual routine of milking and feeding I took the milk to the station and the train was about two hours behind time and I got nothing done in forenoon. Spid part of the floor in the cow stable in the afternoon. Weather turned cold in the morning and freezing afternoon and night.

FEBRUARY, FRIDAY 15. 1884.

Home Near Haulin Ste

Arose at 4 $\frac{1}{2}$ and did feeding and milking as usual. I took the milk to Riddle's left the team came home and finished feeding. Went back aft. team and cans when John Proomie came from Station and brought a calf home with me from Riddle to raise. Spent the afternoon laying floor of cow shed.

Heard in the evening that Mrs. Thomas Cosgrove was dead. Had not heard that she was sick. Weather fine. Ground frozen. Roads very rough. Mrs. Thos. Cosgrove died suddenly about seven o'clock A.M.

FEBRUARY, SATURDAY 16. 1884.

Home Near Haulin Ste

Arose at 4 $\frac{1}{2}$ and did the usual feeding and milking before breakfast. Took the milk to the station on the sled although there was no snow. Learned that Mrs. Cosgrove would be buried tomorrow at ten o'clock. Was not known to be more unwell than usual only from twelve o'clock at night until seven in the morning. Spent the afternoon preparing the spring wagon for running, and weatherboarding the cow shed. Charley went to Gibsons for butter and got 4 $\frac{1}{2}$ lbs. Weather fine and warm.

FEBRUARY, SUNDAY 17. 1884.

Home near Hank's etc

Arose a tittle before
daylight and I did the
making myself and
let Charley sleep. Charley
and I attended the
funeral of Mrs Thos
Cosgrove. Weather wet
and roads muddy and
consequently procession
small. Sermon by
Rev. Holt from the Cor
V. Jer 3. Some about
three O'clock.

FEBRUARY, MONDAY 18. 1884.

Home near Hank's etc

Arose at the usual
hour and Charley and
I did the usual
chores and I took the
milk to Kiddles, then
went back again after
Cans when John Phoenix
Came from Station
Spent the afternoon
making cow stable.
Weather cloudy and
wet in the forenoon
River still high.
Accounts of great
destruction of property
and great suffering
along the river.
Charley went to the
Camping at Tuckers at
night.

FEBRUARY, TUESDAY 19. 1884.

Home Near Hardin

Arose at usual time and did usual chores before breakfast. Took the milk to the station & Prof. Stewart rode with me from our gate.

Attended the funeral of Nellie Martin in Paris.

She was almost 84 years old. Attended election in Louisa. Weather very fine and warm. Roads very muddy. Rained at night.

FEBRUARY, WEDNESDAY 20. 1884.

Home Near Hardin

Arose at 4/15 and did usual chores took milk to Riddle's and went back after cans in forenoon. Spent afternoon putting up stanchions in cow-house. Weather cold and some snow on the ground.

FEBRUARY, THURSDAY 21. 1884.

Home Near Haulin Sta

Arose at 4 $\frac{1}{4}$ and Charley
and I did feeding and
milking as usual. Took
the milk to Riddles in
spring wagon but road
was so rough that John
Provincer went to station
with sled. I finished
putting up stanchions
for the cows and put
all the cows in one shade
at night. Amanda
Cassady and Jo Carothers
called in both
evening. Weather
very fine during day
and freezing sharp
at night.

FEBRUARY, FRIDAY 22. 1884.

Home Near Haulin Sta

Arose ~~at~~ 4 o'clock and
Charley and I did feeding
and milking as usual
and found it very
convenient to have the
cows all together.
Charley took two pole cat hides
to the road for Mr. Connell
but did not sell. I went
to the station with Riddles
sled. Got the trace on tongue
of our sled mended at
Riddles. Helped Robt
Riddle to haul 25 bag
coal from Caldwell's dock.
Jo. Gibson brought
home a load of corn
he had borrowed from
us. Weather fine
until evening when it
rained again.

FEBRUARY, SATURDAY 23. 1884.

Home Near Hartin Stn

I took some Chopping
with me when I took the
milk to the station, and
went to the mill and got
it ground. Got home
at noon. Charley and
I hauled some hay in
the afternoon. The dog
caught an opossum
and we skinned it.
While Charley was out
at his traps in the morning,
he tracked a coon
into a tree and got
Robt Riddle to cut it
down and they got two
coons. Charley got the
hides. Weather very
cold and disagreeable.
A little snow on the
ground at night.

FEBRUARY, SUNDAY 24. 1884.

Home Near Hartin Stn

Slept until almost
eight o'clock and
then we all spent
the day at home.
I read quite a
number of chapters
in the Old Testament.
Finished Exodus and
read part of Leviticus.
Weather quite cool
and snowed some
during the day and
evening.

FEBRUARY, MONDAY 25. 1884.

Home Near Hanlin Sta

Arose at 4 o'clock and
Charley and I did the
feeding and milking
before daylight. Stopped
the milk to Riddles then.
Spent the day repairing
the cowhouse, leveling
down manure pile and
making pen. Put lid,
hinges and lock on a
box to send eggs to
Pittsburgh then packed
twenty five dozens in
it. Lettered and
tapped the box after
eight. Charley went
to the singing at Fickers
Church. Rained in the
evening.

FEBRUARY, TUESDAY 26. 1884.

Home Near Hanlin Sta

Arose at 4 o'clock as usual
and did milking before
daylight. Took the milk to
the station and took a
box with 25 dozens of
eggs in it to send to
Pittsburgh. Just after 9
Johnnie Shos Pentecost
Came and took dinner with
us seeking the nomination
for County treasurer. I
went with him to Hanlin's
and McCalmonts. Wrote
a letter at night to Rev.
E. J. Hays. Weather turned
colder and freezing at
night. Charley sold Roll
Shields three pole cat hides,
two coon hides and an
opossum hide for \$2.50

FEBRUARY, WEDNESDAY 27. 1884.

Home Near Haulin Sta.

Arose at 4 O'clock
and did morning chores
as usual and I took
the milk to Riddle's and
ground hog ax and
Robt and I cut some
sickory wood to smoke
meat with. We dug out
a groundhog. Put up our
wheat in the afternoon
and put smoke to it
I took dinner at
Riddle's. Charley went
to G. S. Haulin's at night
to practice on a dialogue
for the close of school.
Raining at night.
Wrote a letter to
Tamer Hamilton and
one to Brad and Cida
Maylor.

FEBRUARY, THURSDAY 28. 1884.

Home Near Haulin Sta.

Arose at 4 O'clock and
found the ground covered
with snow and still
storming. Took milk
to station on sled.
Got market boy back
from Pittsburg with
return for 19 1/2 doz of
eggs when we sent
25 dozens. I wrote a letter
to Mr. Heaps about it.
Visited Miller's School
in the afternoon and
wrote a letter to Rev.
L. M. Ghee at night.
Was stormy all day
and quite cold at night.

MARCH,

SUNDAY 2.

1884.

Home Near Hanlin Sta

Laid in bed until after
seven o'clock then
Charlie and I did the
milking and I walked
over to Eldersville and
heard Rev. Sturm preach
from 46th Psalm
1st verse. Went to
C. M. Stephenson's for
dinner. Got home
about sundown and
helped to do the milking.
Some snow on the
ground and walking
quite unpleasant.

MARCH,

MONDAY 3.

1884.

Home Near Hanlin Sta

Arose a few minutes
before four and Charlie
and I did the milking
and I took the milk to
the station and some
cowfeed to the mill and
got it ground and home
with me. Put holes on
the little sled in the
afternoon. Charley went
to Theeke's church to the
ringing at night.
Considerable snow
on the ground and
sled ran pretty well.

MARCH,

TUESDAY 4.

1884.

Home near Haulin Ste.

Arose a few minutes before four o'clock and Charlie and I did the feeding and milking. I took with to Riddles. Did some chores and made shelter for calves. Mended C. M. Stephensons checklines that had been chewed by McAlmonts dog. Haulins, Kiddie and Frank Carothers came at night and practiced their dialogue for the last day of school. Snow on the ground and sledding tolerably good.

MARCH,

WEDNESDAY 5.

1884.

Home near Haulin Ste.

Arose fifteen minutes before four o'clock and Charlie and I did milking as usual before daylight. I took the milk to the station. Received last months milk money from John Provines. Borrowed 33 bu of Corn from J. P. McAlmont. Charley and I hauled a little load of hay in the afternoon and took Deck to A. M. Haulins to the bull. I cut Charleys hair at night. Sledded in the evening. Sledding pretty good.

MARCH, THURSDAY 6. 1884.

Home Near Haulin Sta

Arose at the usual hour
and attended to milking
as usual and I took the
milk to Riddles. Took
Helen and the children
to school and I attended
the appraisement of
the farm of Hugh Chesley
dec. G. S. Haulin W. Mc
Knight and I appraised
the farm at \$5 per
acre. Went at the
closing exercises of
Millers school part of
the time. Had a nice
time. Not a very large
crowd there. Pretty good
sledding.

MARCH, FRIDAY 7. 1884.

Home Near Haulin Sta

Charlie and I did the
milking before break-
fast and he took the
milk to Riddles. Annie
Riddle, Helen and I went
to see Sam Hayes and
found him not quite
so well as he had been.
I drove in to Burgetts
Town and got some sports
for cow feed, bought a
bushel of cloverseed, paid
a doctor bill and got
a bottom put in a
bucket. Was after
dark when we got
home. We drove Cora
and Riddles Lucy to the
sled. Rained home
and froze on the ground
Charley helped Robt Riddle
to haul some hay.

MARCH, SATURDAY 8. 1884.

Home Near Haulin Sta

After doing the milking and eating our breakfast Charley and I shelled two bushels of corn and I took two sacks of chopping with me to the station and to mill. We hauled two sled loads of hay in the afternoon. Learned at the station that Dr. J. P. Scott has died and to be buried tomorrow at Bethel. A lady who has keeping house for Dr. Christy also died and was taken to the evening train to be taken to Madison for interment. Went to Caldwell's bank in the evening and got twenty bushels of coal. Trud icy all day. Rained in the evening.

MARCH, SUNDAY 9. 1884.

Home Near Haulin Station

Arose about seven o'clock and helped Charley to do the milking. Robt. Riddle and I went to Bethel to attend the funeral of J. P. Scott. We stopped at father's expecting the funeral to come that way but they went through Eldersville and we got to the church just in time to witness the interment and we came back to father's for dinner. Snowed nearly all day and was very disagreeable.

MARCH,

MONDAY 10.

1884.

Home Near Haulin Stw.

Arose at the usual hour and Charlie and I did the milking and I took the milk to the station.

Sold a stack of hay to J. P. McCalmont.

Hauled a hundred bushels of coal in the afternoon from Caldwell's bank across McCalmont's fields. Charlie went to singing at Suckers at night. Sledding good for the time of year.

MARCH,

TUESDAY 11.

1884.

Home Near Haulin Stw.

Attended to chores as usual. Took the milk to the station. Cut a pair of sledsoles and put them on the sled. Mended some harness. Charley attended Prof Stewart's Concert at Suckers at night and Prof. came home with him at night and spent the night with us. Concert said to have been here good I did not attend. Weather too bad to take the children out and I did not want to leave them and Helen alone.

MARCH, WEDNESDAY 12. 1884.

Home Near Hamlin St.

Professor Stewart ate
breakfast with us
and went to station
with John Provine.
We left Gillie and
Gracey at Riddle's and
Aled Clurley and
I attended C. M. Stephen-
son's sale. Did not get
home until after
night and then did
our milking.

Roads muddy.
Clear overhead after
eight o'clock but
somewhat cold.

MARCH, THURSDAY 13. 1884.

Home Near Hamlin St.

Arose at the usual
hour and Charley and I
did the one milking
before daylight. I took the
milk in the one horse
wagon expecting John
Provine to take it to the
station but he did not
go. When I got near the track
(Cora supposed to be choked)
walked over the precipice
and fell and upset the
wagon and milk. Spilled
24 gallons out of 36 and
broke two doz of eggs out
of sixteen doz and broke
the wagon some. I went
to Stephenson and brought home
a collar which I had bought
at the sale. Sold harness
to Must Cherry for what I
bid for them. Recd a letter
from E. J. Hamilton - Glen &
Lanther with us over night.

MARCH,

FRIDAY 14.

1884.

Home Near Haulin Sta.

I took the milk of Riddles before late my breakfast. Elmer C. Lanthier with us nearly all day. I took our spring wagon shafts to Paris to get them mended. Geo. Bracker here when I came home.

Cut some hay in the afternoon for horsefeed.

Day very stormy.

It rained a great deal and the ground was very white at night.

MARCH,

SATURDAY 15.

1884.

Home Near Haulin Sta.

Arose at the usual hour and did the milking. I took the milk to the station and met Alvin Shady and Annie Stephenson who came home with me. On the way home we caught up to Frank Carothers and Man Morrison at Crisp's spring. I spoke to and shook hands with Man Morrison for the first time since settlement of the estate very pleasantly and I invited her over. She and Belle Carothers came over and stayed until bedtime. Riddles girls and Willie Morrison also here and everything passed off very pleasantly. Weather fine. Roads bad.

MARCH,

SUNDAY 16.

1884.

Home near Hamilton Stn

Arose about sunrise
and did the milking
and let Charly sleep.

We took Annie Stephenson
and Alma Hardy in the
wagon to the forks of the
road and we went to
Eldersville to church but
did not get there in time
to hear the sermon.

Brought Prof. Hunter and
Rev. McAlle home with
me and Charly went to
John Bellin's for dinner
and attended religious
services at the station
in the evening. Weather
fine. Roads very muddy.

MARCH,

MONDAY 17.

1884.

Home near Hamilton Stn.

Arose at four o'clock and
Charly not feeling well I
did the milking and took
the milk to Kiddle's before
breakfast. Prof. Hunter
and Rev. McAlle took
breakfast with us. I
shelled some corn and
miped some cornfeed and
took it to mill. Holt Kiddle
went with me and we
hailed a load of mowing
for Crafton Taylor to
Eldersville. Roads very
muddy. We drove from
Lorssed. Geo. Hardy fell
through hayhole in Allison's
stable and got hurt. Sent
for me and I went over
after craft and found
him easy and came home
again. Weather cloudy.

MARCH,

TUESDAY 18.

1884.

Home Near Haulin Sta

Gracy Waked me at
three O'clock and I did
not sleep much more.
Arose 10 minutes before
four and Charly and
I did the milking. I took
the milk to Kiddle's and
Robt and I went to
Burgittstown for feed
I bought some bran
and Robt bought a
sack of Chop and one
of Corn. Took dinner at
Jas. Hayes. Found Sam
thinking himself better
but Doctor declared
him going down. Came
home by the mill
and got some chopping
that was there.
Weather fine Roads
very muddy.

MARCH,

WEDNESDAY 19.

1884.

Home Near Haulin Sta

Arose at the usual
hour and did the usual
chores. Took the milk
to the Staler and bought
Aunt Jane Provines back
to Kiddle's. Spent the
afternoon mending
farms. Rained most
of the day. Road's very
muddy.

MARCH, THURSDAY 20. 1884.

Home Near Haulin Sta

Attended to milking as usual before breakfast and I took the milk to the station. Got home about ten o'clock met Rev. Mr. Zhe and Prof. Hunter at the station. Spent the afternoon mending Prof. Riddle's harness. Charlie went to Eldersville at night to attend the exhibition given by Stewart Crisp school at the close of the term.

MARCH, FRIDAY 21. 1884.

Home Near Haulin Sta

Arose a few minutes before four o'clock and Charlie and I did the milking and he took the milk to Riddles. We hauled a stack of hay into the mow during the day. Mistled some a little but did not hinder our work. Wrote a letter at night to G. P. Miller.

MARCH, SATURDAY 22. 1884.

Home Near Haulin Sta

Arose a few minutes before four O'clock Charlie not being well I attended to feeding and milking and took the milk to the station. Supposed I was late and hurried my team but was in time plenty. Put our fork in spokes and hung it up, Put up our beef to dry and spent the rest of the afternoon sowing clover seed. Did not get quite done. Weather very fine. First day that appeared much like spring.

MARCH, SUNDAY 23. 1884.

Home Near Haulin Sta

Arose about seven O'clock and helped Charly to feed and milk the cows. I attended church at Luckes and heard Rev. Hough preach on education. Had a talk with him about a reproof he gave Elmer Cress and Will. Mc Murry last winter that gave great offence. Spent the afternoon reading in Numbers and Deuteronomy. Weather fine and warm.

MARCH,

MONDAY 24.

1884.

Home near Haulin Sta

Arose a few minutes before four O'clock and we did the milking. Took the milk to Riddle's attended the road sale at Miller's Schoolhouse and took a half mile of road at 90¢ per year. Took dinner at Mrs Hardy's and called in to see D. S. Fulton who was very poorly but getting better. Finished sowing our clover seed and yucked our eyes to sleep. Weather very fine.

MARCH,

TUESDAY 25.

1884.

Home near Haulin Sta.

Arose a few minutes before four O'clock Charlie not feeling well I did the milking and got ready to go to the station. Took the milk to the station and Robt Riddle and I went to Burgettstown with four horses and got some cowfeed. Roads terrible muddy. We got to Riddle's a little after three O'clock. Rained in the evening. Heard at the station in the morning that Mrs. Rachel Stephenson was dead.

MARCH, WEDNESDAY 26. 1884.

Home Near Haulin' Sta

Arose at the usual hour
and Charlie and I did
the milking. Charlie took
the milk to Riddles.
Anderson Fuller came
and spent the day
clearing. I did some
ditching and Charley
hauled some stones
to put in ditch.
Rained some and
was quite unpleasant
most of the day.

MARCH, THURSDAY 27. 1884.

Home Near Haulin' Sta

Just after we had
finished milking and
were about to eat break-
fast our dog, Frank,
came home closely fol-
lowed by Fred Barber
who had caught him
carrying their sheep. I
took the milk to the
station, brought Mrs.
McCalumout home, then
went to Mr. Denis and
found one sheep dead
and five others badly
crossed. Charley took
Frank down to Riddles
and had him shot
while I was at the
station. Did some
ditching in the after-
noon. Weather fine

MARCH,

FRIDAY 28.

1884.

Home Near Hauvin Sta

Arose at the usual hour
and did the usual chores.
Charley took the milk to
Kiddles and I finished
the feeding. Went to see
D. S. Lupton in the
morning he was still
sleeping but his wife told
me his health was not
improving. I spent
most of the day
ditching and Anderson
Fuller were chopping
and grubbing and
Charley hauling stones.
Weather mostly fine.
Rained a shower or
two.

MARCH,

SATURDAY 29.

1884.

Home Near Hauvin Sta

Arose at the usual
hour and Charley
and Anderson Fuller
helped me to milk.
I took the milk to
the station. Helped
Rebs Riddle to haul
a load of coal in
the afternoon. We
skilled some logs
and I did some
ditching. Fuller
grubbing most of
the day. Weather
fine.

MARCH,

SUNDAY 30.

1884.

Home Near Hamlin Sta

Arose between seven
and eight o'clock
and did the milking
before breakfast.

Spent the forenoon
reading in the book
of Deuteronomy.

Called in to see S.
E. Lutton and found
him better. Attended
Sabbath School at
Tricker's expecting
Quarterly Report but
J. Dennis was not
able to be there
and the regular
lesson was taken
up. Quite interesting.
Weather cold and
clear. Ground frozen.

MARCH,

MONDAY 31.

1884.

Home Near Hamlin Sta

Arose at the usual hour
and found the ground had
frozen. attended to milking
as usual and I took the
milk to Riddles on the sled.
Roads terrible rough. C. C.
Lutton broke his sagon going
to the station with milk.
J. A. Fuller spent the day
regliding up our corn field.
I did some ditching and
some other chores. Charley
hauled off some wood in
the forenoon and sent
to the smith shop in the
afternoon. I cut for
Carothers hair at night.
Weather fair but
quite cool.

APRIL,

TUESDAY 1.

1884.

Home Near Hanlin Stn.

Arose fifteen minutes before
four o'clock and Anderson
Fuller helped me to milk
and Charley harnesped the horses.
I took the milk to the
station. Set out some
shepherb in the forenoon
and commenced plowing
and in the afternoon.
Plowed until late in
the evening and Charley
and Anderson did the
milking. Attended to
the sow at night. Eight
little pigs. Threatening
rain when I went to bed.

APRIL,

WEDNESDAY 2.

1884.

Home Near Hanlin Stn.

Arose at the usual hour
and Charley and I did
the milking and I took
the milk to Keddies.
Made a slide or "Lizzard"
out of a fork and
hauled stones off our
cornfield in the afternoon.
Went to Proviants at
night and got our
milk money. John A.
Fuller helping us during
the day. Snowed in the
evening and got quite
cold.

APRIL,

THURSDAY 3.

1884.

Home Near Hanlin Sta.

Arose at the usual hour and
 fifteen minutes before four
 o'clock and attended to the
 milking. Took the milk to the
 station on the sled. Took
 McCalmont's milk money to
 him and ate dinner there.
 Plowed some in the afternoon.
 Robt Riddle's mare sick and
 I went to help doctor her. Robt
 away with supper at
 Mrs. Cassidy's.
 Weather cold. Snow
 on the ground in the
 morning.

APRIL,

FRIDAY 4.

1884.

Home Near Hanlin Sta.

Arose at usual time and
 Charley and I attended to the
 milking. I took the milk
 to Riddle's and went to Pro-
 vines and cleaned up some
 rice for horsefeed. Plowed
 most of the day and
 hauled off some stones.
 Charley and J. A. Fuller
 cut some post stuff and
 prepared some chopping
 to take to mill.
 Weather very fine.
 Roads drying considerably.

APRIL,

SATURDAY 5.

1884.

Home near Haulin Stn

J. A. Fuller helped me to do the milking and Charley attended to the horses. I took some grinding to the mill and the milk to the station. Bought some bran from Rod's asburn. Charley harrowed down some corn stalks in the afternoon. I set out a grape vine which I got from P. D. Alexander and did some chores. Weather was quite cold all day. Mended our single lines at night.

APRIL,

SUNDAY 6.

1884.

Home near Haulin Station.

Raise a few mammals after six o'clock and after Charley and I had attended to feeding and milking we attended Sabbath School and Church at Tuckers. Heard Rev. Hough preach from Philippians IInd pt of 12th & 13th. Spent the afternoon at home reading the latter part of the folk of Goshaw and finished it at night. Weather quite cool and ground frozen.

APRIL,

MONDAY 7.

1884.

Home Near Hamilton Stn.

Attended to milking in the morning as usual before took the milk to Riddles and met John Provines. Attended funeral of Mrs. McKnight, and went as pallbearer to Burgettstown. Only eight persons beside six relatives all go to the graveyard and but few at the house. Four horses to the house. Roads had but drying some. Took dinner at Jas Hays'. Sam. Hays claimed he was some better but very sick. J. A. Fuller and Charley hauled stones and logs and burned them. Weather fine. Raining at night.

APRIL,

TUESDAY 8.

1884.

Home Near Hamilton Station

Ran a few minutes before four. J. A. Fuller helped to milk the cows and I took the milk to the station.

Borrowed Sam. Johnson's shovel plow and Truber and Charley commenced plowing on oats ground in the afternoon. I put some stonch in the ditch. Weather warmer and rained a little in the evening.

APRIL,

WEDNESDAY 9.

1884.

Home Near Haulm Sta

Charlie's head was aching in the morning and he could not help me to milk. I got through in good time and took the milk to Kiddle's.

Charlie and Anderson Tiller Shovelplowed among the corn stalks and I worked in the ditch. Snowed considerably in the afternoon and was quite unpleasant. Liz Kiddle was here all day and I spent the night with her.

APRIL,

THURSDAY 10.

1884.

Home Near Haulm Sta

J. A. Anderson helped us to do the milking in the morning and I took the milk to Kiddle's the station and went to the mill and got some chaff. Della Haulm and her brother rode up with me. We roused some oats 12 1/2 bushels in the afternoon. Rather windy.

Amie Kiddle and Willie Morrison here until feed time. Weather quite cool.

APRIL,

FRIDAY 11.

1884.

Home Near Haulin Sta.

J. A. Fuller helped us
to milk in the morning
and I took the milk to
Kiddie and put a
handle on the road
& craper. Fuller harrowed
the remainder of the day
after I got back. finished
harrowing the oats before
the barn and harrowed
some on the road.

I spent the day ditching
and Charley Cuffbriar
and burned chaffs and
viking. Weather cool.

APRIL,

SATURDAY 12.

1884.

Home Near Haulin Sta.

Arose at usual hour and
did the milking. Took milk
to the station. Charley and
J. A. Fuller set some posts
in the forenoon. We put
ring in bulls nose. Charley
harrowed down corn stalks
in afternoon and Fuller
gubbed and cut locust
trees. I went to Florence
and got some shoes for
the children. Ate supper
at J. Bells. Charley and
Fuller went to the station
in the evening.

Morning quite cold
and ground frozen.
Evening warm.

APRIL,

SUNDAY 13. 1884.

1884.

Home Near Hamlin Sta.

Arose about six o'clock
 And Charley and Billy and
 I attended Sabbath School
 review at Tickers and
 did not get home until
 after two o'clock. Our calves
 got into Mr. Calmout's
 field and we had a
 race after them.

I attended service at
 the schoolhouse at
 the station and was
 elected Superintendent
 of the station Sabbath
 school. Did not get home
 until dark and then helped
 to milk. Weather fine and
 getting warm.

APRIL,

MONDAY 14. 1884.

1884.

Home Near Hamlin Sta.

Arose about four o'clock
 and did the milking.
 Anderson Fuller and I took
 the milk to Riddle's and
 I went on to father's and
 exchanged some oats for
 feed. Will came over
 with me and brought the
 oats and took some oats
 and potatoes some with
 him. Expected to take
 Milling and father and
 mother home from the
 station. G. A. Fuller and
 Charley stored some corn
 ground with shovel flour.
 They went to Riddle's at
 night for some eggs.
 Weather fine. Threatening
 rain at night.

APRIL,

TUESDAY 15.

1884.

Home Near Hamlin Sta

Arose at four O'clock and
J. A. Fuller helped me to do
the milking. I took the
milk and our eggs to the
station. After coming
home, we finished plowing
our oats ground and in the
afternoon we finished
rowing but did not get
through harrowing.
Rained some small showers
during the day.

APRIL,

WEDNESDAY 16.

1884.

Home Near Hamlin Station

Arose at the usual hour and
went through the usual
routine, but it was
raining when I got back
from Riddle's and I repaired
the wagon which I had
broken when Cora went over
the bank on the 13th of
March. Went to Riddle's
in the afternoon and
straightened the irons on
the beat. Did not rain
very much during the day
but rained enough to
make it unpleasant
to be out.

APRIL, THURSDAY 17. W 1884. A

Home Near Haulin Sta.

Arose at usual hour
and did chores as usual.
Charley took the milk to
the station and I
finished the feeding.
Spent most of the day
ditching. Helped the
boys to haul off some
stones. Charley finished
harroving our oats
in. Weather cloudy.

APRIL, FRIDAY 18. 1884.

Home Near Haulin Sta.

J. A. Fuller helped me to
do the milking and Charley
took the milk to Riddle's.
We spent the day clearing
off our cornfield and
Charley and Fuller hauled
two sled loads of hay.
Charley and Carothers
boys met at the road
to play on their mouth
organ "Band meeting".
Weather fine but cool.

APRIL,

SATURDAY 19.

1884.

Home Near Hamlin Sta.

Charlie took the milk to the station in the morning and brought "Sip" Riddle home with him. Helen and Charlie went to Florence in the afternoon to get Helen's teeth filled but only got it prepared for filling. P. A. Fuller and I spent the day ditching. He spurs grass by the day plowing the end of the iron pipe at the head of the middle hollow in our cornfield north of the house preparatory to plowing the bank down. Weather very fine.

APRIL,

SUNDAY 20.

1884.

Home Near Hamlin Station.

Arose at six o'clock and did the milking while Charlie did the feeding. I attended Sabbath School at the station as Superintendent. We had quite a respectable class of older ones and several children. Had quite an interesting lesson 1 Cor. 14: 31. I took dinner at Riddle's as I came home. Maggie Riddle and Anderson Fuller ate dinner here. Weather fine but cool and cloudy in the evening.

APRIL, MONDAY 21. 1884.

Home Near Hamilton Sta

When I went out at day-light I found Cora very sick and spent most of the forenoon working with her. Robt Riddle held her in the mouth which was the first thing which gave her relief. She had been out on fresh grass a day and a night. Was considerably physiced.

Went to Mr Calmont's to hire a horse but failed. Did some ditching in the afternoon and took some eggs to Riddle's at night.

Weather very cool and light wind from the North East.

APRIL, TUESDAY 22. 1884.

Home Near Hamilton Station

Arose at four o'clock and J. A. Sullor and I did the milking. Charley took the milk to Riddle's with Doll and the Springwagon, Cora being still quite sick and not eating well. I went to father's to make arrangements to get a horse. Could not get one for a day or two. Ate dinner at father's called in at Will Shultz and S. S. Maylor's, and got my boots mended at Mr. Cosgroves. Got home about five o'clock. Weather quite cool and windy. Very dry!

APRIL, WEDNESDAY 23. 1884.

Home Near Haulin Sta

Arose a few minutes after four
o'clock and did the milking.
I took the milk to Reddes with
old Doll in the spring wagon,
Cora being still quite unwell and
refusing to eat. Plowed during
the day with Old Doll and
McCalmonts Lummix.

J. A. Suller plowed most
of the time. Charlie and
I did some ditching.

Finished writing an
eight page letter to E. A.
Haulin at night.

I threaten pain all
day but quite cool.

APRIL, THURSDAY 24. 1884.

Home Near Haulin Sta.

Arose at four o'clock. Had not
slept well. Was out with Cora
the sick mare at midnight.
Billie has not well and
was quite restless. J. A.
Suller helped me to do the
milking. I took the milk
to the station with McCalmonts
mare and old Doll.

Borrowed 20 bushels of
ears of corn from J. A.
McCalmont. ¹⁸⁸⁴ Worked part
of the day with Doll and
father's old Jimmie. Clyde
brought her over early in the
morning and remained with
us over night. Weather cool
and cloudy. Wind still
from the North East.

APRIL,

FRIDAY 25.

1884.

Home Near Hamlin Sta Pa.

Arise at four and did the milking. Charley and Clyde took the milk to Kiddles and I mended a broken shovel. I plowed in the forenoon and Charley and Clyde took Helen & Florence in the afternoon to get a tooth filled. I left the children and J. A. Fuller and I put up some fence about the calf lot. Weather quite pleasant with the wind still from the North East. And no rain of any account.

APRIL,

SATURDAY 26.

1884.

Home Near Hamlin Sta.

J. A. Fuller helped me to do the milking and I took the milk part way to the station and John Provines took it in while I went to mill. Spent part of the day plowing with old Doll and father's old Jimmie. Doll very weak and slow. Cora's leg badly sprained. We burned some brush in the hollow below the milk house and Fuller built some fence around the calf lot. Annie Reddle here overnight helping Helen to get ready to go to father's on a visit of a week.

APRIL, SUNDAY 27. 1884.

Home Near Hamlin Sta

Arose early and attended to feeding and milking and then took Helen and Lillie and Gracey to Eldersville to Church and then took them to Grandpa Melvins and left them there. Heard Rev. Storms preach from Psalm 66 & 10. Attended Sabbath School at the Station and had quite a pleasure. Young Annie Kiddle here keeping house. Threatening rain at night

Home Near Hamlin Sta.

Arose at the usual hour and did the usual chores. Spent the day plowing. J. A. P. allie building fence and Charley doing chores and helping Annie Kiddle to work. Helen and Lillie and Gracey away at Grandpa's on a visit. Heard in the evening that Old Mrs Morrison had died at 10 o'clock. P. M. Weather fine and dry.

APRIL,

TUESDAY 29.

1884.

Home Near Haulin' Sta.

Arose at four o'clock
and J. A. Fuller helped me
to do the milking while
Charlie attended to the horses.
I took the milk to the
station and went to the
mill and brought home
some grinding. Plowed
two rounds in the sod
before dinner. Fuller plowed
and marked out the potato
ground in the afternoon.
I went to John and Will
Haulins and carried home
a bushel of potatoes. Learned
that our tile was at the
station and Robt Riddle
and I joined teams and
brought home 169 pieces of six
inch tile weighing about
2372 pounds. Weather cool.
Old Mrs Morrison died

APRIL,

WEDNESDAY 30.

1884.

Home Near Haulin' Station

Arose at the usual hour
and brought in the cows and
did the milking myself.
Robt Riddle and I hauled
two loads of tile from the
station in the forenoon with
two wagons and Charlie
and I hauled the last load
in the afternoon.
Helen and the children
still away from home.
Annie Riddle doing the
housework. J. A. Fuller
helping Riddle to plant
corn in the afternoon.
Weather fine and
warm.

MAY,

THURSDAY 1.

1884.

Home Near Haulin' Sta

Arose at the usual hour
and did usual chores
J. A. Fuller and I helped
Ross Riddle to finish
planting his corn.

I prepared a spade for
putting in five inch
till, and helped Ross Riddle
to weld an axle for
David S. Fulton for
a corn marker.

Weather very fine.
Some appearance of
rain.

MAY,

FRIDAY 2.

1884.

Home Near Haulin' Sta

Arose after sunrise after
from O'clock and did the usual
chores, then spent most of the
day putting tile in ditch.

Charles borrowed some.
Fuller furnished the fence
around the calf lot and
we plowed down a bank
in the afternoon.

Helen and the children
Gillie and Gracey away
at father's neighborhood
visiting. Rev. E. J. Hayes
came in the forenoon and
stayed with us over night.
Arnie Riddle keeping
house for us. Weather fine
but dry.

MAY,

SATURDAY 3.

1884.

Home Near Haulin' Stn.

Rev. Hayes took breakfast
and spent the forenoon with
us. He and I went to Elders-
ville in the spring wagon and
I heard him preach from
Mark XIV ps of 8. Robert
Kiddle plowed for us during
the day. J. A. Fuller and
Charles filling in ditch after
Charly came back from station.
Helen and the children
staid in father's neighborhood.
Weather clear and dry.

MAY,

SUNDAY 4.

1884.

Home Near Haulin' Stn.

Arose at five and attended
to milking and feeding. Drove
over to Eldersville and
attended Sacramental meeting
Opened Sabbath School at the
station while on the way.
Heard Rev. Hayes preach from
Luke 23 ps of 34. We took
dinner at Thomas Walker's.
Rev. Hayes and Annie Kiddle
with us. Attended church
at the Brick church in the
afternoon and heard Rev.
Hayes from Acts 16 & part
of 20. Got home at dusk
Rev. Hayes and Annie Kiddle
here. Rained some in
the morning.

1884.

Home Near Haulin' Sta.

Arose at usual hour and did usual chores. Rev. Hayes took breakfast with us and went with me to the station in a wagon as took milk of the station. brought home a load of tile. Robert Riddle plowing for us. I put in some tile in the afternoon. Starry Cow had two calves in the morning and one of them died.

Weather quite fine. Had a nice rain at night and everything seemed refreshed. J. A. Fuller and Charley took 20 $\frac{1}{2}$ doz eggs to Riddles in the box in the evening.

MAY,

TUESDAY 6.

1884.

Home Near Haulin' Sta.

Arose at the usual time and after we had milked and breakfasted Ross Reddell took the milk to the station for me and I did some tilling and ditching. Charley went to John and Wm Haulin's and borrowed a hillside plow. Robert Riddle plowed for us in the afternoon. Annie Reddell cleaning house. Rained in the evening. I repaired a broken shovel.

MAY, WEDNESDAY 7. 1884.

Home Near Hamilton Sta.

Arose at four O'clock
and did milking as usual.
Charles took the milk to the
forks of the road to John
Provine's to take to the
station. Sent note to
S. J. Hamilton and the boys
came in this evening and
got two calves.

I spent the day putting
in tile and filling
ditch. Robt. Riddle and
J. A. Fuller plowing
and harrowing.
Raining a little at bedtime.
Appie, Riddle cleaning
house for us.

MAY, THURSDAY 8. 1884.

Home Near Hamilton Sta.

J. A. Fuller and I attended
to the milking and Charles
took the milk to Mesbopher
Provine's who took it to the
station. We spent the day
putting in tile and grading
off back. Robert Riddle
with us with his team
but he was not able
to do a days work.
Weather cloudy and
ground too wet to plow
well.

MAY,

FRIDAY 9.

1884.

Home Near Hamlin Sta Pa

Arose at four O'clock and
J. A. Fuller helped me to
milk the cows. I took
the milk to the station.
Brought a barrel of flour
home for Riddle's. Got
a pup at Sam Johnsons.
Spent the afternoon
scraping in dirt to
level up ditch in
cornfield. Gave
Riddle's fire cleaning
house. Charlie parrowed
in the afternoon.
Weather very fine

MAY,

SATURDAY 10.

1884.

Home Near Hamlin Sta

Arose a few minutes
before four O'clock.
J. A. Fuller and I attended
to milking and Charlie got
in the horses. I took the
milk to the station broke
one of the trows on the way
toyne and took it to
Riddle's and got it mended.
Brought market beef home.
Spent afternoon plowing
for corn. Fuller and
Charles were scraping down
banks. Weather cool.

SUNDAY 11. 1884.

1884.

Home near Hamlin Station

Arose as five and attended to milking as usual. Charlie Gillie and I attended Prayer meeting at Tuckers, and Charlie and I attended Sabbath School and Gospel meeting at Hamlin's Station in the evening and had our seven cows to milk by lantern light. Weather quite cool and windy. Helen not feeling well. Quite loose and coughing.

MAY,

MONDAY 12.

1884.

Home near Hamlin Stn.

Arose at the usual hour and Charlie and I thought in the cows and horses. Charlie milked one cow and I milked six. We spent the day plowing our corn ground and leveling up some in the hollows. J. A. Fuller running one team and I used Kiddle's team with Artuss came in the afternoon and I paid him six dollars and six cents for lumber purchased from James Wright in December. I took sixteen dozens and eight eggs to Kiddle's at night. Weather fine evening very cool. Heavy frost in the morning.

MAY,

TUESDAY 13.

1884.

Home near Hamlin Sta.

Arose at four O'clock.
 J. A. Fuller and I milked
 the cows before breakfast
 and Charley got the horses
 in. I took the milk to the
 forks of the road and sent
 to Proimes and got some
 oats. Fuller finished plowing
 and harrowed some. I hauled
 stones and roots off the
 cornfield and he hauled
 a load of manure after
 dinner. Rained in the
 afternoon and I went
 out to get some money
 to pay Fuller. Lockhart
 paid me \$1.00 for hay. Borrowed
 \$2.00 from A. M. Hamlin.
 Measured cornfield a little
 over eight acres.

MAY,

WEDNESDAY 14.

1884.

Home near Hamlin Sta.

Arose fifteen minutes before
 four O'clock. Caught in the
 cows and milked six of them.
 Charley harnessed four horses
 and milked one cow. I took
 the milk to the station.
 J. A. Fuller went with
 me on his way home.
 Hauled the barrow teeth
 out and Charley took them
 to the shop and got them sharp-
 ened. He harrowed some
 in the evening with two
 teams. Had Kiddle's horse.
 Ida Cochran came in the evening
 and stayed until bed time.
 Weather quite cool.

MAY,

THURSDAY 15.

1884.

Home Near Haulin Sta

Arose at four O'clock
 Charley and I put in the
 cows and horses. I milked
 six cows and Charley milked
 one and barneped the horses.
 And took the milk to the
 station. I spent part of
 the day repairing ditch
 and then harrowed some
 on our corn ground.

Robert Riddle brought his
 team back in the afternoon.
 Charley went to the station
 as miss and brought
 some some milk-cans.

MAY,

FRIDAY 16.

1884.

Home Near Haulin Sta

Arose a few minutes before
 four O'clock and did usual
 chores. Milked seven
 cows before breakfast.
 Charley took the milk
 to the forks of the road
 to John Prevines and
 he spent the rest of the
 day harrowing cornground.
 I borrowed S. S. Fulton's
 Corn marker and marked
 corn ground until near
 supper time and then took
 it home. After doing the
 milking I went to A. W.
 Haulin's and Charley to
 Robt. Riddle's for help
 to plant corn tomorrow.
 Weather very cool.

MAY,

SATURDAY 17.

1884.

Home Near Hamlin Sta.

Arose a few minutes before four o'clock and milked seven cows before breakfast. Charley took the milk to the forks of the road, and then finished harrowing our corn ground. We planted during the day A. M. Hamlin's boys and Cropper's boys helping us. Robert Kiddle with us in the forenoon and then he attended the funeral of Old Mr. Chambers at the station. Weather fine. Quite cool in the evening.

SUNDAY 18.

1884.

Home Near Hamlin Sta.

Arose at six and attended to milking as usual. Charlie and I attended Sabbath School at the station. He was in the big horse spring wagon. Charlie went to John Melvin for dinner and then attended Sabbath School and church at Ellersville.

Weather much warmer than it has been for some time.

MAY,

MONDAY 19.

1884.

Home Near Haulin Sta.

Arose at four o'clock and milked seven cows before breakfast. The day was wet. I took the milk to the station. Mended some sacks after I came home. Went to father's and borrowed fifteen bushels of wheat. Took it to the mill and the mill was locked up and I had to bring it home with me. Did not get home until nine o'clock and then milked three cows before going to bed. evening cool and wet.

MAY,

TUESDAY 20.

1884.

Home Near Haulin Sta.

Arose at four and milked the cows before breakfast then took the milk to the station and some wheat to the mill. Took some wheat to Province's before dinner. Spent the afternoon doing chores. Spaded some in the garden. Charlie went to Gibson's and got some butter, six lbs and six ounces. Went to Kiddles in the evening to help him to plow on the road but he was not at it.

Weather fine but cool.

MAY, WEDNESDAY 21. 1884.

Home Near Haulin' Stn.

Attended to Chores as usual time. Harry took milk to forks of road. Bro. Carol, Sam and Jim Haulin, Robt. Riddle and Willie Morrison helped us to finish planting our corn and chire. I helped Riddle to plow on his road in the afternoon. Liz Riddle here all day. Weather quite warm.

MAY, THURSDAY 22. 1884.

Home Near Haulin' Stn.

Usual chores at usual time. Ran after the young cattle come to put them in the field. Set out 260 sweet potato plants in the forenoon. Felt unwell and slept half an hour at noon. Plowed barrow and marked out our late potato patch in the afternoon.

Weather quite warm with some appearance of rain.

MAY, FRIDAY 23. 1884.

Home Near Haulin Sta

Did usual chores before breakfast. Charley took the milk to the Station and brought grinding stone from mill. I cut pretty nearly two bushels of potatoes, sent to G. M. Haulin's and got half a bushel of White Stars. We planted some late potatoes and it rained some in the evening and I commenced mending a whip for C. M. Stephenson. Weather warm.

MAY, SATURDAY 24. 1884.

Home Near Haulin Sta

Arose at usual time and did usual chores.

While Charley took milk to the station I fed potatoes and chest corn.

Put a pair of bundles on the scraper and commenced working on the road in the afternoon.

Weather fine.

MAY,

SUNDAY 25.

1884.

Home Near Haulin Sta

Attended to Chores as usual and spent most of the day at home. Charley attended Sabbath School and prayer meeting at Lickers. And he and Gillie and I attended Sabbath School at the Station in the evening. We had quite a good school 36 persons there altogether. Weather fine with some appearance of rain.

MAY,

MONDAY 26.

1884.

Home Near Haulin Sta

Did usual chores in the morning. Charley and I milked seven cows and Charley took the milk to the forks of the road to meet John Province. We dug up our early potatoes and worked some on the road in the forenoon. Spent the afternoon shading in the garden. Peggie came along and I gave her ten cents. Rained in the afternoon and was raining much at bed time.

MAY,

TUESDAY 27.

1884.

Home Near Haulin' Sta.

Arose at usual hour and
did usual chores.

Charley took James Martin
hillside plow home and
I spent the forenoon
working on the roads.
Rained in the after-
noon and I mended
a shovel and finished
mending Myrtle Schaefer's
wagon wheel at night.
Ground quite wet.

MAY,

WEDNESDAY 28.

1884.

Home Near Haulin' Sta.

Arose a few minutes before four
o'clock. Milking as usual
before breakfast. I took the
walk to the station and there
met Mr. A. M. Daniels and
his wife and new married
Cousins from Iowa and also
E. S. Taylor and his wife and
daughter. Only had about
half an hour to get acquainted
with my new Cousin. Spent
the afternoon working on
the road. Did not get quite
through. Charley and I took
Starry cow to E. S. Haulin's
to the bull after we had
milked in the evening.
Day very cool. Appearance of
heavy frost at night.

MAY, THURSDAY 29. 1884.

Home Near Herculia Sta

Attended to Chores as usual and Charley took milk to station. I spent forenoon working on roads. Robert Kiddle and I attended Jos. R. Sharps Sale in the afternoon. Cows sold from \$35 to \$62 per head. Got home a little before ten down and covered some sweet potato plants for fear of frost as it was very cold. Milking done after dark.

MAY, FRIDAY 30. 1884.

Home Near Herculia Sta

After doing usual morning Chores, I spent the day grading and sodding at the end of the house. Lord Haulin came in the evening and spent the night with us. I cut Ed Carothers' hair after supper. Weather clear but very cool.

MAY,

SATURDAY 31.

1884.

Home Near Haulin' Str.

Chores as usual in the morning.
Ford Haulin' took breakfast
and dinner with us and
he and Charley went to Kings
Creek and caught five
fish. I went to Haulin' to
borrow a corn planter but
it was in use. Helen and
I went to Florence in
the afternoon and she
got a tooth filled. We got
about \$6.52 worth of
goods at Cleland's store.
Weather fine. Father
and mother with us
over night. Did not
retire until after
midnight.

JUNE,

SUNDAY 1.

1884.

Home Near Haulin' Str.

Father and mother here.
I spent the entire day
at home. Charley attended
Church at Eldersville
in the afternoon.
Father and mother went
home in the evening.
Weather quite warm
with appearance of
rain at night.

JUNE,

MONDAY 2.

1884.

Home near Haulin' Stn.

Arose a few minutes before four o'clock and did milking as usual before breakfast. Charles took the milk to the station. I borrowed C. M. Hutton's Corn planter. Broke it and went to Thomas's to get it mended, but had to get some tools and mend it myself. Spent the afternoon replanting corn. Set out some tomat plants in the evening. Some appearance of rain before night but cleared off again.

JUNE,

TUESDAY 3.

1884.

Home near Haulin' Stn.

Arose at the usual hour and did the usual chores. Charlie took the milk to the station and I prepared the garden for setting out plants. Just before dinner time Ed. Carothers came over for me and I went over to their house and kind a swarm of bees etc. dinner there. Cultivated some corn in the afternoon. Went to 'Provinces' at night and got our milk money. Weather fine.

JUNE,

WEDNESDAY 4.

1884.

Home Near Haulin Sta

Did milking before breakfast as usual and Charley took the milk to the forks of the road. I cultivated some corn during the day.

Took \$20 to R. M. Haulin which I had borrowed from him. Took Cora to Robt Riddles and got a shoe driven on her.

Weather quite warm.
Corn beginning to grow some.

JUNE,

THURSDAY 5.

1884.

Home Near Haulin Sta. Pa.

Arose a few minutes before four o'clock and Charley and I attended to milking before breakfast. Charley took the milk to the forks of road.

We spent the day in the cornfield. Filled a tick with straw in the evening and made up a bundle to take to Saml Chosh.

Weather quite warm with some appearance of rain in the evening.

JUNE,

FRIDAY 6.

1884.

From Green Haulin Stn.

Crossed 15 minutes before four.
 Attended to milking as
 usual. Charley took the
 milk to the station.

I headed some in the
 garden, feed two rows
 of cabbages then spent the
 remainder of the day
 working corn. Charley
 went to Florence with
 Kidder folks and got
 himself a pair of fine
 shoes for \$3.50.

Our bull got out of
 the field and went to
 Mr. Johnson's weather barn.
 He is gone by.

JUNE,

SATURDAY 7.

1884.

Home near Haulin Stn.

Milking and breakfast at
 the usual hour and I
 took the milk to the
 station. Helped C. M. Ste-
 phenson and Origt Schanz
 to load a manure spreader
 then went to C. M. Stephenson

and took dinner. Brought
 home a sulky corn plow of
 Hanch and from gold's pasture
 and plowed some corn in
 the bottom with it. Got along
 very well. Did not like
 the arrangement of the
 rear. Threatened rain
 in the evening but all
 passed over.

JUNE,

SUNDAY 8.

1884.

Home near Harlin S. to

Arose as six o'clock
 to Choccs. Started to
 Sackers to Church but
 met Jim and Paul
 Carothers in their wagon
 going to Paris to church
 and got in with them
 and went there. Heard
 Rev Alexander preach
 from Isaiah ~~the~~ "ps of 6"
 Communion service.
 Attended Sabbath School
 and Gospel Meeting at
 Harlin's Station in the
 evening at 4 o'clock
 Did not get home until
 dusk and then had
 our milking to do.
 Did not get to bed until
 after nine o'clock
 Weather very warm and
 dry.

JUNE,

MONDAY 9.

1884.

Home near Harlin S. to.

Attended to Choccs as usual.
 Charlie took the milk to the
 forks of the road. We spent
 the forenoon and part of the
 afternoon - cultivating corn
 with a sulky cultivator.
 Finished our corn this fore-
 noon. Charley got some
 cabbage plants from John &
 Wm. Harlin's and Helen let
 them out in the evening.
 Some appearance of rain
 in the evening.
 Day very warm.

JUNE,

TUESDAY 10.

1884.

Home Near Hamlin St.

Attended to Chocis as usual. Spent the forenoon cultivating Corn. Went to S.S. Fulton's at noon to borrow some corn. Borrowed our cultivator in the afternoon and took it to Paris and got it mended. Cultivated a few rows for Alex Hamlin to let him see how the sulky cultivator worked. He was well pleased with it. Rained a little shower in the afternoon.

JUNE,

WEDNESDAY 11.

1884.

Home Near Hamlin St.

Arose at the usual time and as Charlie had headache and did not feel able to get out I milked seven cows and brought in the pusses and lambed before breakfast, then took the milk to the Station. Spilled part of a can moving it from the one part of the platform to the stand by the track. Came home and borrowed eleven baskets full of corn from S.S. Fulton about fourteen bushels. Cultivated a little corn in the afternoon. Rain stopped no. Did not rain much. Cloudy in the evening.

JUNE, THURSDAY 12. 1884.

Home Near Hardins Sta

Attended to chores in the morning as usual then took the milk to the station and met Rachel Brackett who came home with me and spent the day with us and Charlie went her to the station in the evening and came very near missing the train. Learned in the morning that Sam Hayes had died about two o'clock. Worked corn some during day and went to Kiddle's at night to learn how the expected to go to the funeral. Weather quite warm. D. S. Fulton came along in the evening and I showed him our riding Cultivator.

JUNE, FRIDAY 13. 1884.

Home Near Hardins Sta

Arose a little earlier than common and attended to milking. Went to McCalmont's and secured his buggy to attend the funeral of Saml Hayes. Took our cultivator to him to use during the day but his corn was run out too closely for the wheels to pass between the rows. At the funeral there were 70 Con-veyances and 8 couples on horseback. We ate dinner at Mr. Melvin's and did some shopping. Got home about sundown. Rained a little during the day.

JUNE,

SATURDAY 14.

1884.

Home Near Haulin' Stn.

Arose at the usual hour
and did the usual chores.
Washed Mr. Calmont's buggy
off in the morning and
took it home. Feared
Sam Johnson's bull out
out of our field and
drove him as far as
Kiddie's. Robt. Kiddie
castrated three pigs for us.
Made Billy a ship and
repaired some doorlocks.
Rained nearly all day.
Studied Sabbath School
lessons in the evening.

JUNE,

SUNDAY 15.

1884.

Home Near Haulin' Stn.

Arose at five o'clock and
did chores. Took the family to
Haulin's Station & Sabbath school.
Charlie went to John Melon's
and took dinner and
attended Sabbath School and
Church at Ellersville.
I went to Lach's & Sabbath
School in the evening.
Weather quite cool for
the time of year.

JUNE,

MONDAY 16.

1884.

Home Near Hankin Stn.

Arose a few minutes
before four O'clock and
did manual chores.

Took Milk to the Station
Spent remainder of
day cultivating corn.
Weather very fine.

JUNE,

TUESDAY 17.

1884.

Home Near Hankin Stn.

Arose at the usual time
and did the usual chores.

to the Station and I spent
the forenoon hoeing our
Perghum. Cultivated some
corn in the afternoon.

Weather quite warm

JUNE, WEDNESDAY 18. 1884.

Home Near Hamlin's St.

Arose at the usual
hour and did the
milking &c. Took the
milk to the forks of the
road, and then worked
our late potatoes. Father
folks went to Pughtown.
Alma Shoely and Ettie
Stephenson came with
them and Alma did
some sewing for us.
We spent the
afternoon working
corn. Very warm.

JUNE, THURSDAY 19. 1884.

Home Near Hamlin's St.

Arose a few minutes before
four o'clock and did the
milking as usual. Charles
took the milk to the forks
of the road and then
brought Annie Biddle with
him and she and I papered
part of our kitchen.
I whitewashed the ceiling
and put blocks on the
wall to save the plaster.
Alma Shoely here sewing,
and Ettie Stephenson
here visiting. Rained
a small shower in the
evening. Weather very
warm.

JUNE,

FRIDAY 20.

1884.

Home Near Hamlin's Sta.

Arose at the usual hour and did the usual chores. Charlie took the milk to the station. Annie Biddle and I papered part of our kitchen. Alma Shorley and Ettie Stephenson here.

Father & Mother, Clyde, Will Shorley and Annie Stephenson came on their way home from Puytown and took dinner with us. I cultivated a few rows of corn with father's team to show how the cultivator worked.

In the evening two young men came along and took photograph of our house and family and all that were here.

JUNE,

SATURDAY 21.

1884.

Home Near Hamlin's Sta.

Arose about four o'clock and did the milking. Charley took the milk to the station and I dug some docks and did some other chores.

We cultivated some corn and broke the cultivator in the afternoon. I took it to Paris to get a new axle in it. Got two hoes driven.

Alma Shorley and Ettie Stephenson here.

Weather very warm with some appearance of rain at night.

JUNE,

SUNDAY 22.

1884.

Home Near Hamilton Sta

Slept until seven.

MONDAY 23.

1884.

Home Near Hamilton Sta

Arose at the usual hour
and did the usual chores.
Charlie took the milk to the
forks of the road. Charlie and
I got some bean poles.

Prof. Stewart and C. M. Stephen-
son took dinner with us.
I went to Paris in the after-
noon and brought home
our cultivator which we
had there for repairs.

Cultivated six rows of
corn after I came home.
Charlie set some bean poles.
Weather quite warm
with appearance of
rain at night.

JUNE,

TUESDAY 24.

1884.

Home Near Haulin' Sta.

Usual chores done Charlie and I spent part of the day working corn, but was not so hot that I was afraid to drive Cora in Cultivator, she being heavy with colt. Quite an appearance of rain in the afternoon and I went over to Father's and helped to put in two sled loads of hay that was mown in that forenoon. Rained a little in the evening. Alma, Thelby and Etta Stephenson here.

JUNE,

WEDNESDAY 25.

1884.

Home Near Haulin' Sta.

Arose at 15 min. before four as usual and did the usual chores. I took the milk to the station and went from thence to father's and borrowed old Jimmie to work corn with Cora being very heavy with colt. Met Rev. Sturm and family, Mary Stephenson and Piddie Taylor at father's. Took dinner there. Got home about four o'clock. Rained in the evening a good soaking rain. Alma, Thelby here Rev. Etta Stephenson here on a visit.

JUNE,

THURSDAY 26.

1884.

Home Near Haulin' Sta.

Charlie being unwell,
I brought in the cows in
the morning and did the
milking and harnessed the
horses myself, when
breakfast was ready Charlie
got up, and took the milk
to the station. Took letter
Lefterson and Allyn
Thayer with him. He spilled
a half can of milk for
John Provine. I spent
the day thinning out
corn. Charlie set some
bean poles. Frank Melvin
here for dinner and
supper. Weather fine.
Ground too wet for culti-
vating.

JUNE,

FRIDAY 27.

1884.

Home Near Haulin' Sta.

Nothing unusual in the
morning. Spent the forenoon
thinning out corn. Charlie
took the milk to the fork of
the road, sent to Tibsons
for butter but got none.
Went to Riddle's and got
3 lbs and 9 qts. Coming home
with six milk cans
strung across old Dolly he stopped
to shut the gate and she ran
away and threw the cans off.
Commenced cultivating corn
in the afternoon with Dolly
and Grandpa's old Jimmy.
Jimmy refused to pull after
I had plowed several rows
and I was obliged to take
the shovel plow. Weather fine

JUNE,

SATURDAY 28.

1884.

Home Near Haulin' Sta.

Charlie has set well in the morning and I did the milking and took the milk to the forks of the road.

Plowed Corn all forenoon.

Attended the funeral of old Mrs. Yates.

Cut Charlie's and Jr. Carothers' hair at night.

Weather fine.

JUNE,

SUNDAY 29.

1884.

Home Near Haulin' Station

Arose at five and Charlie and I did the milking.

One all attended Sabbath School at the Station and

had quite a fine School,

Review of the month's

lessons. Charlie attended

service at the station in the evening and heard Rev.

Fredricks preach.

Weather very fine.

JUNE,

MONDAY 30.

1884.

Home Near Haulin' Stn

After doing the usual
chores I took the milk to
the station and spent the
rest of the day plowing corn
and Charley thinned out
some of it. We took off
a box of honey at
noon and Charley
went to Carothers at
night to take a bath
with the boys.

JULY,

TUESDAY 1.

1884.

Home Near Haulin' Stn

I took the milk and the
market boy to the station
in the two horse wagon.
Belle Carothers went down
with me to get some drepes
cut out. I stopped and
got Willie Medham to help
us to thin out our corn.
Rained in the evening and
I wrote a letter to Rev M^o Blue.
We thinned out our cane
(Gorghum.)

JULY, WEDNESDAY 2. 1884.

Home Near Haulin' Stee.

Did the milking before
breakfast as usual
and I took the milk
to the forks of the road.
I spent the day plowing corn
and sorghum and sweet
potatoes &c. Willie Medham
helping to throw out the corn.
I went to Alex Haulin's
at night. Alex quite
poorly and Mrs. Swearingen
thru sick. Weather
very fine.

JULY, THURSDAY 3. 1884.

Home Near Haulin' Stee.

Arose at usual time and
we did the usual chores before
breakfast. Willie Medham with
us. I took the milk to forks of
road and went to Riddles of an
evening. Belle Carothers with me.
Plowed our late potatoes in the
forenoon and commenced
cutting wheat in the afternoon.
Put up 24 dozen and seven
sheaves. Cora dropped her
foal in the afternoon a
bay horse with black
hoofs. Weather fine.

JULY, FRIDAY 4. 1884.

Home near Haulin' Sta.

Attended to Chores as usual and I took the milk to the station. Received our milk money for last month. Brought our bull home from A. M. Haulin. Spent the afternoon repairing our reaper. Willie Medham digging burdocks around the orchard. Rained in the afternoon and I wrote a letter to Mr. R. Haulin.

JULY, SATURDAY 5. 1884.

Home near Haulin' Sta.

Arose a few minutes before four o'clock and did the milking as usual. Charlie took the milk to the station. I hired a lumberman for the mowing machine and went to Reddell's to loosen his bolts. Spent most of the afternoon cutting wheat. Willie Redham helping us. He not a very good help. Was a good binder. Lightning to the south in the evening. Weather fine.

JULY,

SUNDAY 6.

1884.

Home Near Hanlin Sta.

Arose a few minutes after six and spent the forenoon at home. We all attended Sabbath School at the station in the evening quite a good turn out. Henry Anderson and some others from Cross Creek village were

House full after Sabbath School for religious services.

After service was over.

I got time with a horse on my forehead.

We did our milking after night. Weather fine.

JULY,

MONDAY 7.

1884.

Home Near Hanlin Sta. Pa.

Arose a few minutes after four o'clock and did the usual chores. Went to Mr. Lockhart to get him to help us to harvest but he could not come. Got James Carothers to help and we cut wheat all day. Willie Needham helping also. Feel very glad to have old differences so adjudged with Carothers that we could neighbor together in a friendly manner. Proposed to help him some in his hay. Our old machine worked very well.

JULY,

TUESDAY 8.

1884.

Home Near Hamilton St.

Arose at four o'clock and
 did the manual chores.
 Repaired the dropper of our
 reaping machine in the
 morning and Willie had
 layn and Charlie picked
 some raspberries and
 then we finished up
 in what wheat we had
 cut yesterday and
 then finished cutting
 wheat or part of
 about 186 doz
 altogether.
 Day fine and cool.

JULY,

WEDNESDAY 9.

1884.

Home Near Hamilton St.

Arose at usual hour.
 Charlie took the milk to the
 station. Willie had
 and I cut our fire in the
 morning and I went to
 Florence and paid our state
 and county tax and also
 our road tax. Got some
 of the mending done. Paid
 James Caldwell \$20 on our
 coal bill and came home.
 Set out almost two hundred
 cellophane plants in the evening.
 Willie had and
 Charlie prepared the ground
 while I was away and
 they did the milking in
 the evening.

JULY,

THURSDAY 10.

1884.

Home Near Hamlin Sted

After usual chores, Willie
Medham and I covered our
cellar, and I went to A. Mrs
Hamlin's and borrowed
five bushels of oats.

Came back and got our
mowing machine ready
and opened a land for
Charles to mow. After dinner
I helped Jim Carothers
to put up two small
stacks of hay. Looked over
mowing machine
a part of night
for some repair.
Weather threatening
rain some.

JULY,

FRIDAY 11.

1884.

Home Near Hamlin Sted

After doing morning chores,
Willie Medham and I carried
the rake to the meadow. I
helped James Carothers during
the day, to stack hay. After
supper I mowed some
about some stack bottoms
in our own meadow
preparatory to stacking hay.
Rec'd a letter of inquiry
from J. P. Miller concerning
Morse's son's ears. Went to
Rob. Linton's and got the
required information
and answered the letter
at night. Weather fine.

JULY,

SATURDAY 12.

1884.

Home Near Hanlin Sta

Slept until late. Millie Need-
ham helped me to do the
milking. We put up
a stack of hay in the
forenoon. Jo. and Ed Carother
helped to do the hauling.
I went to father's and
Mother's in the afternoon.
Leok father's old mare
home and put Cora
to Sammie's horse.
Got home near ten o'clock.
Weather very fine with
some appearance of rain.

JULY,

SUNDAY 13.

1884.

Home Near Hanlin Sta.

Arose a few minutes after six
o'clock and Charlie and I did the
milking, then Charlie and Pillee
and I went to the station to Sabbath
School. There were ten in attendance
and we had a very pleasant time.
Children did some very nice
singing. We spent the after-
noon at home. I slept a
part of the afternoon.
And then studied the lesson
for next Sabbath. And did
the milking with Charlie's
assistance.
Weather very fine.

JULY,

MONDAY 14.

1884.

Home Near Hamlin Sta

Arose at the usual time and Charlie took the milk to the station. I spent the most of the forenoon putting the mowing machine together and hauling some rails to make a stack bottom to put our wheat on. J. S. Gullow brought from the shop of our mowing machine. Willie Medlam here in the afternoon building fence. I mowed most of the afternoon.

Wrote a few lines at night to Rev E. J. Hayes.

JULY,

TUESDAY 15.

1884.

Home Near Hamlin Sta

Arose a few minutes before four o'clock and brought in the horses and cows. Willie Medlam helped me do the milking. Charlie took the milk to the station. We spent the forenoon making the foundation for a wheat stack, grading ground &c. Spent the afternoon cocking up hay and topping out a stack. Rained after night.

JULY,

WEDNESDAY 16.

1884.

Home Near Hanlin's Station

Arose at four O'clock and made preparation for haying in wheat, D.S. Kulton came while we were eating breakfast to learn if we were ready for the wheat then he and Mr. Hardy came and brought 2 teams and helped us all day with the wheat and hay. Weather very fine. Wheat a little wet in the morning. Willie Weedham with us.

JULY,

THURSDAY 17.

1884.

Home Near Hanlin's Do.

Arose at four O'clock and did usual chores Willie Weedham helping me to milk. We spent the day putting up hay. Started a stack of wheat was cocked up in the morning and raked and stacked in the afternoon what was cut down. I went to Provine's at night and got some lard and to Kiddle's and got butter. Got home at ten O'clock. Weather fine.

JULY,

FRIDAY 18.

1884.

Home Near Haulin' Sta.

Arose at four O'clock
and Willie Needham and
I did the milking and
I took the milk to the
station. Conley and Alex
Haulin' complaining about
the "niggers" acting with
their children at Sabbath
School and threatened to take
their children away if the
"niggers" were not put in
a seat by themselves. I
told them I never could
consent to drag the "color"
line and offend the
colored folks. Finished
mowing at supper time
and then helped James
Carothers to put up
sorghum hay and oats and
wheat mixed. Charlie and
Willie Needham helped
S. Fulton to put up hay.

JULY,

SATURDAY 19.

1884.

Home Near Haulin' Sta.

Arose at usual time and
did usual chores. Charlie
took the milk to the station.
Willie Needham and I sawed
a log and split it for a
water trough. We put up
hay in the afternoon. James
Carothers and his two boys
helping us, hauled it to
the cowhouse. One load
left over for Carothers.
raked our wheat stubbles.
We helped to put a top on
one of their stacks after
cupper. Weather fine
but cool and dry.

JULY,

SUNDAY 20.

1884.

Home Near Haulin Sta Pa,

Slept until quite late and did not eat breakfast until nine o'clock. Spent the day at home until afternoon.

Then we all went to Haulin Station to Sabbath School.

A good turn out and school quite interesting. We got home about dusk and did our milking afterwards. Greater cool.

JULY,

MONDAY 21.

1884.

Home Near Haulin Sta

Arose at four o'clock and Charlie and I did the milking. He took the milk to the fork of the road. We helped Jim Carothers to finish hauling in his hay and wheat and tugged out his hay rick, he then helped us to put in our hay and to load up the rickings of our wheat and I took it to McCalmont's barn to thresh it and Charlie went to Eldersville to attend a temperance lecture. Weather very cool and dry. Wind still from the east.

JULY,

TUESDAY 22.

1884.

Home near Haulin's Ste.

Arose a few minutes before four o'clock and Charlie being away. Did the milking and brought in the mare and took the milk to the forks of the road. Went to home and got our flail. Went to the Calmoad and spent most of the day threshing and cleaning some wheat. Charlie took our horses to the shop in the evening and got them shod. Little George Hanten and Willie Morrison were here a while in the afternoon. When Charlie came home from the shop he threw a stone at the mare and when his mother remonstrated with him he her to go and attend to the horses if he could not do it right. I gave him a good chipping for his impudence which had been ^{continuing} ~~showing~~ for

JULY,

WEDNESDAY 23.

1884.

Home near Haulin's Ste.

Arose at four o'clock and did the milking and brought in the horses and fed and furnished them before breakfast. I took the milk to the station and Charlie hunted our missing bull. I went to Elder'sville to make some arrangements about a sacramental meeting. Felt quite unwell in the afternoon. Mr. Lockhart came in the evening and told us that Charlie Cochran had died and that Robt Riddle & I were wanted to dig the grave. I went to Riddle's and gave notice. Commenced digging out a water-trough in the afternoon. Day warm and windy. Appearance of rain in the evening.

JULY, THURSDAY 24. 1884.

Home Near Haulin' Sta.

Arose at four and milked
five cows and brought in the
horses and harrowed them
before breakfast. Charlie
took the milk to the station
and I helped to dig a grave
for Charles W. Cochran and
staid for the funeral.
Got home about five
o'clock. Grace and Geo.
Haulin' here over night.
Rained nicely in the
afternoon and at night.

JULY, FRIDAY 25. 1884.

Home Near Haulin' Sta.

Attended to chores in the
morning as usual. Let
Charlie sleep until breakfast
was ready. Spent most of the
day getting out a water
trough and spout.
Rained some during the day.
Ground quite wet and
everything much revived.

JULY, SATURDAY 26. 1884.

Home Near Haulin Sta.

Arose a few minutes
after four and did usual
chores. While Charlie took
the milk to the forks of
the road I prepared
for putting a trough
in at a spring.
Heard that Rev. Hoag
was dead.

Prepared a table
to keep our ball in
Had quite a chase
with him in the
evening before we
got him tied up.
Weather cloudy.
A threatening rain at
night.

JULY, SUNDAY 27. 1884.

Home Near Haulin Sta.

Arose about seven o'clock
and Charlie and I did the
chores. Charlie went to
Haulin's Station to
Sabbath School. I attended
Church at Spokers and
heard Rev. Mechem preach
from the words "What is
your life". Attended the
funeral of Rev. John W.
Hoag in the afternoon.
Funeral very large. Said
to have been over 200 con-
vales there. Eight
preachers present took
part in the services
and our second adventer
has now invited to take
part. Weather fine.
Rained a shower in
the afternoon.

JULY,

MONDAY 28.

1884.

Home near Haulin Sta.

Cross at the usual time and Charles and I did the chores. He took the milk to the station and I did some weeding and killing striped potato-bugs in the garden and turned up the sweet potato vines. Set up the reaper in the afternoon and sent Charley to mill both some wheat which we had cleaned on Provier's mill. Took Tracy and Lilly with us to Provier's. I called at Ruddle's in the evening. Rained hard in the evening. Not a fit day for harvesting. Our oats ripe.

JULY,

TUESDAY 29.

1884.

Home near Haulin Sta.

Cross at four o'clock and Charley and I milked five cows. I took the milk to the station and got some groceries. Took the market box and a calf for Hugh Needham. After I came home we cleaned out the stables. Charley went to Grandpa Melvin's in the afternoon. Helped Helen to wash some. Rained nearly all day.

JULY, WEDNESDAY 30. 1884.

Home near Haulin Sta

Arose at four o'clock and
Charlie being away I did
the milking and took
the milk to the forks of
the road. Repaired some
sakes and cleaned out
the privy in the forenoon.
We commenced cutting
oats in the afternoon.
J. Carothers helped us to
bind. Maggie Kiddle
with us over night.
Weather fine during
the day with some
appearance of rain in
the evening.

JULY, THURSDAY 31. 1884.

Home near Haulin Sta.

Arose a few minutes before
four o'clock. Charlie did
I did chores as usual.
Charlie took the milk to the
forks of the road and then
went to mill for some
flour. I greased some
boots mended some harness
Repaired the reaping machine.
Went to A. M. Haulin's
and got some butter and
cracked a few oats.
Rained in the evening.
James Carothers brought
our birch of the horse and
fat and chatted until
almost ten o'clock.

AUGUST, FRIDAY 1. 1884.

Home Near Haulm Sta.

Arose at four o'clock and
felt quite unwell. Did
not feel well all day but
helped to cut some oats
in the afternoon James
Carother and his two boys
helping up after dinner
Charles took the milk
to the station and
started the reaping
machine in the forenoon
before I was able to
be out. Weather very
fine.

AUGUST, SATURDAY 2. 1884.

Home Near Haulm Sta.

Charles took the milk to the
station in the morning and
brought Rev. E. J. Hays
home with him. Jim Carother
and I cradled oats most
of the forenoon and banded
until dinner time.

We cut with the reaper
in the lone field in the
afternoon. Quit a little
after four o'clock and
I took Rev. Hays over
to Eldersville in the spring
wagon and heard him
preach from I Tim. IV
8:11. Very good sermon.
Congregation as large as
might be expected & got
home about eleven o'clock.
Weather very fine.

AUGUST, SUNDAY 3. 1884.

Home Near Haulin Sta.

Slept until late and
Charley had the milking
almost done when I got
up. He attended church at
Eldersville in the forenoon
and we went in the afternoon
and heard Rev. E. J. Hayes
from III Cor. V. 11 & 12

Sacrament of Lordsupper
administered after service
and we got home about
dark. We attended
Christian prayer in the
evening

~~Very faint handwritten text, possibly describing the evening prayer or other activities.~~

AUGUST, MONDAY 4. 1884.

Home Near Haulin Sta.

Arose a few minutes
after four o'clock and
did the usual chores.
Rained a little shower
in the morning and kept
us from the oats for
an hour or so. We finished
cutting or oats a little
before four o'clock
and cut a few dozens
of oats for Jim Carother
with Willie Goodham helping
us. Rev. E. J. Hayes
here for dinner and
supper, and went
to Carother's at night.

AUGUST, TUESDAY 5. 1884.

Home Near Havelin Sta.

Arose a few minutes before
five o'clock and did the
milking with Willie
Medham's assistance. I took
the milk to the forks of the
road. We finished cutting
up Charo's oats about
half past three o'clock
and put our machine
away. Threatened rain
in the morning.
Weather through the
day fine and cool.

AUGUST, WEDNESDAY 6. 1884.

Home Near Havelin Sta.

Arose at the usual hour
and Willie Medham and
I did the milking. Charley
took the milk to the station.
Willie and I topped a
haystack. We hauled out
some manure dug three
potatoes for straw shade
and cut and hauled some
oats. I went to S.S.
Hurlon's of an errand.
Weather very fine.

AUGUST, THURSDAY 7. 1884.

Home Near Haulin St.

Arose before four o'clock.
Chores as usual. Took
the milk to the station and
went to C. M. Stephenson's
and found him some better
but still quite poorly.
Got home at noon and
spent the afternoon
hauling logs and setting
posts for a shade.
John Melton came in
the afternoon and
I did not get much
done. Mr. McAlmest
came in the evening of
an ex-ante Willie
Medham here helping
us. Weather fine.

AUGUST, FRIDAY 8. 1884.

Home Near Haulin St.

Arose at usual hour
and did usual chores
Spent the day leveling
off a place for cow shed
and stacking grain
Charley took the horses
to Paris in the evening
and got two shoes
driven. Weather cloudy.

AUGUST, SATURDAY 9. 1884.

Home Near Haulin' Sta'

Chores as usual in the morning. I took the milk to forks of road. We spent most of the day setting posts and pulling poles on shade. Willie's Mediam with us. I went to Florence in the evening and bought some cows. Took supper at Alex. Scott's. Got home about nine o'clock. Threatened rain all day.

AUGUST, SUNDAY 10. 1884.

Home Near Haulin' Sta'

Arose at seven and attended to the chores. Spent the forenoon at home. Studied the Sabbath School lesson concerning Aboloms Rebellion. Was attended Sabbath School at the station by the evening and heard Rev. Cooper preach from "Expressions III 18-19". He preached a very good sermon and the house was about full. Weather fine.

AUGUST, MONDAY 11. 1884.

Home Near Haulin' Sta.

Arose at four attended
to Chores prepared
Wagon and Stack bottom
Stacked our oats.
Carothers and Robt
Riddle helping us.
We got through
with our oats at
supper time and
commenced stack-
ing Carothers' oats.
Willie Needham with
us. Weather fine.

AUGUST, TUESDAY 12. 1884.

Home Near Haulin' Sta.

Arose at the usual four
and did usual chores.
Took the milk down
to the road in the hand cart
and Charlie took the
milk to the station in
Carothers' wagon while
Willie Needham and I
helped Carothers to finish
hauling in his oats.
Spuled on the A Prosser
barn after dinner and
then I took the team and
to S. Haulin' to haul his
oats to the machine. Only
corn threshed 582 bu
of oats for them after
dinner just out of the
shock. Weather fine.

AUGUST, WEDNESDAY 13. 1884.

Home Near Haulin Sta.

Arose before four o'clock
and did chores. I took
the milk to the forks of
the road took the team
to G. S. Haulin's and
hauled oats from the
field to the machine.
Threshing at Geo.
Cassidy's barn. I got
home about one
o'clock and let Willie
Needham to hitching
I went to Mrs. Haulin's
and found they had
plenty of heads come
home and did some
chores. Weather fine.

AUGUST, THURSDAY 14. 1884.

Home Near Haulin Sta.

After doing usual chores
I took the milk to the forks
of the road. Went to A.
Mr. Haulin's and found that
they had half grown to
thresh and I came home
by Riddle's. Sent Willie
Needham to help Wilson
to thresh in Robt Riddle's
place. I spent the
afternoon digging at
the head of our spring
to get more water
in the lock. Weather
quite warm.
Steamer machine, Andy
Coom, threshed for Wilson
and Orakelon machine,
Kelly and Shesby for
Alex. Haulin's.

AUGUST, FRIDAY 15. 1884.

Home Near Hanlin Sta.

Arose a few minutes before four o'clock and having done the chores I sent Willie Medham to McCalmy's to the threshing machine and Charlie to the station with the milk, and I went to D. S. Rutton's to help to thresh with the Steamer machine. Got home about sunset. We threshed 86 bushels of wheat and 507 bu of oats during the day. Weather warm and dry.

AUGUST, SATURDAY 16. 1884.

Home Near Hanlin Sta.

After doing the morning chores I sent Willie Medham to John Lawther's to help thresh and I hunted for an hour or so for a cow. I spent the rest of the day building a stone wall about our spring. Mag. Provine and Willie Workman took supper with us. Mag. Melde Gracey a present of a calico dress all ready made. Weather very warm and dry.

AUGUST, SUNDAY 17. 1884.

Home Near Haulin Sto

Spent the forenoon at home most of the time studying Sabbath School lesson for afternoon. We all attended Sabbath School at the station in the afternoon. For one persons present.

AUGUST, MONDAY 18. 1884.

Home Near Haulin Sto

Arose about 4 1/2 O'clock and did the usual chores. Charlie took the milk to the forks of the road and then we started the plow. We went to Carothers after dinner and helped to put plates on his wagon shade. I broke a plow handle and took it to Riddle's and repaired it. We heard of Edw. Cochran's sickness and Helen and Belle Carothers went there in the afternoon and found very little hope for his recovery. Geo. Lockhart very sick also. Weather very warm and dry.

AUGUST, TUESDAY 19. 1884.

Home Near Hamlin's

Usual chores in the morning at the usual time and then spent the most of the day plowing. Willie Needham finished a ditch and helped Charlie dig out a stump &c.

Word from Eda Cochran and Geo. Lockhart that they were both better. Weather very

warm and dry. Boys had to carry their bed down stairs on account of the heat

AUGUST, WEDNESDAY 20. 1884.

Home Near Hamlin's

Arose a little later than common, after chores, I borrowed a shovel from Currother's and Willie Needham and spent the day ditching and preparing a trough and spent the afternoon in woods. Charlie took the milk to the station and then helped us.

Weather very warm and dry.

AUGUST, THURSDAY 21. 1884.

Home near Haulin St.

After chores were done I hauled some clay, and set out some before the rain. Spent the forenoon preparing to put in a trough for water. Rained hard in the afternoon and I repaired a long handled shovel. Uncle John Haulin, called in the evening and I paid him $\$57$ interest.

Wrote a letter at night to Geo. J. Haulin, concerning the interest which he owed Uncle John and for which I am security. Very fine rain in the evening.

AUGUST, FRIDAY 22. 1884.

Home near Haulin St.

Spent the day mostly putting up a watch-trough. Got through a little before supper time. Charles went to Alex. Haulin's to tell him about the calf we had for him.

Willie Needham and I attended to the milking. Weather cloudy. Settled with Willie Needham at night and paid him $\$38.87$ in full.

AUGUST, SATURDAY 23. 1884.

Home Near Haulin Sta.

Attended to milking at usual time Willie Reed saw helping me. I went to Widow Crip and made arrangements with Melvin Crip & Co. to come and do our threshing on Monday next. I took dinner at Crip's then went to Burgettstown and got some fresh beef and some other things. Got home about five o'clock and made some preparation for threshing. Sold a calf to Alex. Haulin for a dollar. Carothers commenced threshing after supper and did not get quite done. (Weather fine)

AUGUST, SUNDAY 24. 1884.

Home Near Haulin Sta.

Arose about 6^{1/2} and attended to Chores. Lillie and I attended Sabbath school at the Station. Charlie spent the day at home. Quite a number of our school absent. Three of our teachers not there. Uncle Charley Haulin attended the funeral of Mat Cleland held. Weather very fine. Maggie Riddle with us over night.

AUGUST, MONDAY 25. 1884.

Home Near Hamilton.

Arose at four o'clock and
Charlie and I did usual
chores before breakfast.
Although it was our
morning to take the
milk to the station,
John Provins took it
to let us get ready
for threshing. We
threshed our crop of
gram and had 100 bu
of oats and 90 bu of
wheat. Got through
about sunset and the
threshers staid with
us over night. Will,
Melvin, Thompson, C. J.
Myrt, Schure, and J. J.
McClurg. Rained in
the evening just after
we got home. I did not
sleep much during the
night.

AUGUST, TUESDAY 26. 1884.

Home Near Hamilton.

Arose at four o'clock
and did chores. Thresh-
ers took breakfast with
us. I spent the day
doing chores and
repaired up after threshing.
Weather very fine.
Lilla and Erber
went with my father
McClurg to take
some ducks home.

AUGUST, WEDNESDAY 27. 1884.

Home Near Haulin's Stw.

Arose at four O'clock
and attended to Chores,
I took the milk to the
station in the big
wagon and hauled a
load of tile for Jim
Carothers. Plowed in
the afternoon. Charly
was helping Steward
Haulin to thresh,
Weather very fine
and ground in good
order for plowing.

AUGUST, THURSDAY 28. 1884.

Home Near Haulin's Stw.

Arose at four O'clock
and Charley and I
did Chores. I took the
milk to the forks of
the road and they
spent most of the
day plowing. Went to
Kiddley in the after-
noon to help to thresh
but it rained
just after we
got commenced
and rained all
evening.

AUGUST, FRIDAY 29. 1884.

Home Quar Haulm Sta

Arose at four o'clock
and Charley and I did
chores. Charley took
milk to station
and helped Brovins
to thresh. I helped
Riddle's to thresh
and then spent
the rest of the day
plowing.
Weather cloudy.

AUGUST, SATURDAY 30. 1884.

Home Quar Haulm Sta

Arose at the usual time
and Charley and I did
the milking and got the
horses ready before
breakfast. I took
milk to station.
I took the milk and
Charley helped Brovins
to finish threshing.
It flowed in the
afternoon and Charley
cut hay and went
to B. in evening for
butter. Weather
very fine.

AUGUST, SUNDAY 31. 1884.

Home Near Hamlin Sta.

Arose a few minutes
after six and Charley
and I did the milking
and chores. I attended
Sabbath School at Tuckers
and we all went to the
station to Sabbath School
and had a very
pleasant time. 44 in
attendance. We had
our milking to do
after night.
Evening quite cool.

SEPTEMBER, MONDAY 1. 1884.

Home Near Hamlin Sta.

Arose at the usual hour
and Charley and I milked
seven cows and did the
chores. I plowed in the
forenoon and Charley borrowed
a stump puller from Sam
Cris and we pulled out
a few stumps until we
broke a hook and then
I plowed some in the evening.
Wrote a letter in the evening
to Rev. J. F. Richards for
Rev. W. C. Ghee.
Weather very fine.

SEPTEMBER, TUESDAY 2. 1884.

Home Near Haulin' Sta

Chores as usual before breakfast, then took the milk to the forks of the road. Spent most of the day plowing.

Plowing very hard for our team and weather quite warm. Ida Cochrane came in the evening and spent the night with us very pleasantly.

He did not return until late.

SEPTEMBER, WEDNESDAY 3. 1884.

Home Near Haulin' Sta

Arose at four and did chores as usual and Charlie took the milk to the Station. Mrs.

Willie Gracie, Mrs. Geo. Gueschwert, and the Mrs. Mike's Kiddle and Miss Ida Cochrane spent the forenoon with us and took dinner.

I got a short time at work, at our ditch putting in tile and plowing down banks &c.

Received our milk money in the morning from John Provins. Weather very fine.

SEPTEMBER, THURSDAY 4. 1884.

Home Near Haulm Sta.

Slept until later than
common and then hurried
about to get chore done.
Spent part of the fore-
noon making ditch,
and putting in tile.
Spent most of the
afternoon grading
down banks. Talked
about half an hour
to a man who was
waiting to lease
oil territory.

Weather very warm.
Slept but little
during the night
on account of the
heat and the restles-
sness of the children.

SEPTEMBER, FRIDAY 5. 1884.

Home Near Haulm Sta.

Arose at the usual
hour and Charlie
helped me to do the
milking. He took the
milk to the station
for John Province's
horses having since
away and left home.
Helen was quite
unwell most of the
day but was better
in the evening.

I had what time
we had and spent
the afternoon filling
up the hollow
weather so very hot
that it was not safe
to work horse steadily.
Charlie went to Carothers'
as wife for a call.

SEPTEMBER, SATURDAY 6. 1884.

Home Near Haulin St.

Chores as usual.
Charlie took milk
to the forks of the road
and went to Paris and
got some shoeing
done. We spent the
rest of the day grading
the hollow in our
wheatfield. Father
and mother came and
spent the night with
us and we did not
return until after
one o'clock.
Weather very warm

SEPTEMBER, SUNDAY 7. 1884.

Home Near Haulin St.

Slept until after six.
Father and mother took
dinner with us. Charlie
attended church at
Tuckers and he and
I attended Sabbath School
and preaching at the
station. Heard Rev.
Fredricks preach from
Prov. 17 18".
Weather very warm
did our milking after
night.

SEPTEMBER, MONDAY 8. 1884.

Home Near Haulmista

Took the milk to the station and settled a store bill. Charlie and I went to Robt's Taltors and borrowed a cedar-mill. I plowed some in the afternoon but it was so hot that I could do but little good. Some appearance of rain.

SEPTEMBER, TUESDAY 9. 1884.

Home Near Haulmista

Charlie took the milk to the station in the morning. I plowed some after he came back and filled in some ditch.

Charley and Jo. Carothers gathered some apples and we made some cider after night. Carothers and his boys helping for some of the cider. Charley Gracey here in the evening.

Weather very hot and dry. Could not do much toward getting ready for seeding on account of the heat.

SEPTEMBER, WEDNESDAY 10. 1884.

Home Near Hamlin's Sta

Attended to chores
in the morning as
usual. Old Foll choked
while eating her breakfast
and did not get well
over it during the
day. Dolly plowed,
two rounds, got sick
and spent most
of the afternoon in
the house. Made
some cider at night.
Carothers' boys
helping. Challer
Grace here a little
while in the evening
and rode Cora to
Kiddles. Weather
exceedingly hot and
threatening rain at
night.

SEPTEMBER, THURSDAY 11. 1884.

Home Near Hamlin's Sta

Arose a few minutes
after four o'clock and
after milking and break-
fast. Selly and Grace went
with me to the forks of the
road with the milk. We
hauled out two loads of
manure in the forenoon
and John Melvin came
and I went with him
to Jas. Caldwell's and
James Martin's and did
not get any work done in
the afternoon. Carothers'
force helped us at
night and we made
perhaps half a barrel of
cider. Got through
about ten o'clock.
Threatened rain in the
afternoon.

SEPTEMBER, FRIDAY 12. 1884.

Home Near Hanlin's Sta.

After doing the usual morning chores Charlie hauled out a load of manure while I was getting ready to plow. Spent most of the day plowing as it was quite cool and old Doll seemed to stand it pretty well. Charlie and I preped off some pomace in the evening for vinegar. Did not get through until ten o'clock.

SEPTEMBER, SATURDAY 13. 1884.

Home Near Hanlin's Sta.

After milking the cows as usual, and breakfast, I took the milk to the station in the big wagon in hope of bringing some tile home with me but it was not there. Bought a barrel of flour for Riddle's. Rebecca Johnson came with me as far as our gate. I spent the afternoon plowing. Charles went to John P. Lawther's to play ball. Weather fine and cool but very dry.

SEPTEMBER, SUNDAY 14. 1884.

Home Near Haulin Sta

Slept until seven.
After feeding and milking
was done I went to Riddle's
Lip suffering with
Erysipelas and poison and
her mother down with
something like Cholera-
morbus. He attended
Sabbath School and
prayer meeting at the
Lithron in the evening
and did not get home
until dark.

Charlie attended
church at Eldersville
in the forenoon
Weather fine

SEPTEMBER, MONDAY 15. 1884.

Home Near Haulin Sta

After doing up chores
in the morning, I took to the
milk to the forks of the road
and then went to Riddle's
and found the sick folks
much better. Spent most of
the day plowing. St. Carothers
and Charlie gathered apples
and made some cider
We made some after
break. Amie Riddle and
Willie Morrison here
until feed time. Weather
very fine.

SEPTEMBER, THURSDAY 18. 1884.

Home Near Haulin' Sta.

Arose a few minutes
before four o'clock
and attended to chores
as usual. Charlie took
the milk to the station
and I dug potatoes,
killed chickens & for
Helen preparing for
visitors and Mamma
Faneel came alone.
Spent the day after
Charlie came back,
hauling manure.
Weather very dry
but pleasant.

SEPTEMBER, FRIDAY 19. 1884.

Home Near Haulin' Sta.

Arose a few minutes before
four o'clock and after
chores were done and
milk taken to the forks
of the road we spent
most of the day hauling
manure. Charlie was
not very well in the
morning and was
washed to help me
to milk. Mr. Talcott
B. Ballard and Sallie
his wife spent the
afternoon but took
supper with us.
We were very favor-
ably impressed with
Mr. Ballard it being
the first time I had
seen him. Weather very
dry. Some appearance
of rain.

SEPTEMBER, SATURDAY 20. 1884.

Home Near Haulin' Sta.

Arose at the usual
time and did the milking
Helen was not very well
and breakfast was a
little late. Took milk to
the forks of the road
before breakfast.
Spent most of the day
hauling manure.
Made cider enough
in the evening to fill
out a barrel.
Cut J. Carother's hair
for him at night
Weather fine but
very dry.

SEPTEMBER, SUNDAY 21. 1884.

Home Near Haulin' Sta.

Arose at five. Maggie
Kiddle took break-
fast with us.
We attended Sabbath
School at the Station
Charlie at home with
a sore foot.
Harry Jones came
up a little while at
night. Weather
still dry.

SEPTEMBER, MONDAY 22. 1884.

Home Near Haulin' Sta

Arose a few minutes before four o'clock and attended to cows as usual and Charley took the milk to the station. I moved the hogs and put up some fence to keep them in the lot. Willie Reedham came and we spent the day cutting corn. Charley did some harrowing. Weather still dry.

SEPTEMBER, TUESDAY 23. 1884.

Home Near Haulin' Sta

Arose at four o'clock and Willie Reedham helped me to milk the cows. Charley took the milk to the station. I went to Joe Gibson's and got some butter. Pinned some poles together in the afternoon for a clod-crusher, and Charley harrowed while Will Reedham was cutting off corn. I treated rain in the evening.

SEPTEMBER, WEDNESDAY 24. 1884.

Home Near Haulin' Sta

Arose at 4 o'clock and
Charlie and I did milky
as usual. Charlie took
the milk to the forks of the
road. and we spent
the day hauling manure.
Willie Needham and
his father spent the
day cutting grass.
Got a cold from
us in the morning.
Dry but still
threatening rain.

SEPTEMBER, THURSDAY 25. 1884.

Home Near Haulin' Sta

Arose at four o'clock and
After Chores were done
Charlie took the milk to the
forks of the road.
We shook some pears
off the tree in the morning
and spent the day hauling
manure. Rained some
in the night. Weather
fine during the day.

SEPTEMBER, FRIDAY 26. 1884.

Home Near Haulin Sta.

While Charlie took the milk to the station in the morning, I finished the feeding and I draped up some manure about the cowhouse. We spent the day hauling out manure and leveling off a place for manure at the cow stable. Weather still dry and our water getting quite low. I carried a bucket of water from our woods spring at night so as to leave enough water running in the troughs to cool the milk. Helen did a scrubbing after night.

SEPTEMBER, SATURDAY 27. 1884.

Home Near Haulin Sta.

Arose a few minutes after four. Charlie took the milk to the station. We hauled some manure after he returned. Rained a little about two o'clock and Charlie went to Grand-pa Melvin's and I went to John Haulin's. Got my hair cut and got a half bushel of quinces. Rained a good shower at night. Read until midnight.

SEPTEMBER, SUNDAY 28. 1884.

Home Near Haulin' Sta.

Slept until six o'clock
Charlie being away I had
the milking and feeding
all to do. Attended Sabbath
School at Tuckers and
took part on the review
of some of the lessons.
We attended Sabbath School
at the Station in the
evening. Had a full
turnout Arrangements
made for a Sabbath-
School picnic.
Rained a heavy shower
in the evening.

SEPTEMBER, MONDAY 29. 1884.

Home Near Haulin' Sta

After the morning Chores
were done and the milk
taken to the forks of the
road we got out the drag
and commenced Crustking
Clods. After dinner got
Koff Riddles mare and
reiter and rolled clods
until quitting time.
Charley took the mare
home at night. I
slept until ten o'clock
while Helen was
finishing her work.
Weather fine.

SEPTEMBER, TUESDAY 30. 1884.

Home Near Hanlin Sta.

Arose at four and attended
to usual chores. Charlie took
the milk to the forks of
the road and brought an
iron rod from Grovins,
then went to G. Gibson's
for butter. We spent
the afternoon filling up
the hollow over the
tile and gathering out
elder roots. Ground
rather too wet to harrow.

OCTOBER, WEDNESDAY 1. 1884.

Home Near Hanlin Station.

Arose at four o'clock.
Charlie helped me to milk
and took the milk to the
station. I did the chores
and leveled down bank
on the wheatfield as yet
he came home. I finished
rolling the wheatfield
before dinner and
harrowed some in the
afternoon. Charlie went
to Gibson's for butter
and went to Kiddles
at night. Bees an
early start to the
Buckettown Park
in the morning.
Weather quite warm
with some appearance
of rain.

OCTOBER, THURSDAY 2. 1884.

Home Near Paris Id.

Arose 15 minutes before
four and did the
milking and Chores and
took the milk to the
station. Charley and
Riddles to go with
them to the fair.
Spent the afternoon
harrowing our wheat
ground. Got some
of it ready for
driffling. Weather
quite warm.

OCTOBER, FRIDAY 3. 1884.

Home Near Havelin Sta

Arose at four. Charley helped
me to milk and do some
chores. Mr Calmont took the
milk to the station and as
he returned loaned us his
old mare and with her and
Cora I rolled part of our
wheat ground in the after-
noon. Charley set up the
Sub Cultivator preparatory
to cultivating the other
piece of wheat ground to
kill the oats. Weather
quite warm. Charley
brought stumpbook
from Paris. Preparing
at night to attend
Sabbath School picnic
at the station tomorrow.

OCTOBER, SATURDAY 4. 1884.

Home Near Hanlin Sta.

Arose at four. Charlie had the headache and I had the milking to do. Took the milk to the gate in the hand cart. Repaired our bridge some. Attended the Sabbath School picnic at Hanlin Station and we had a good time. Weather very fine. Table set in Charlie Hanlin's orchard.

OCTOBER, SUNDAY 5. 1884.

Home Near Hanlin Sta.

Arose at six and we all attended Sabbath School at the station and we had a very pleasant time. Children all seemed very lively and cheerful after the picnic and being well. Charlie did the feeding in the evening and attended the review of the Sabbath School lessons at Fickers at night. Weather quite warm and fine.

OCTOBER, MONDAY 6. 1884.

Home Near Haulin Sted

Arose at four O'clock
and Charles and I did
the milking. I took
the milk to our gate
and sent with
J. P. McCalmont.
Spent the day taking
off stumps from our
wheat field and
cultivating the ground
to get that out out.
Took our eyes to
Riddles at night.
Weather clear and
warm.

OCTOBER, TUESDAY 7. 1884.

Home Near Haulin Sted.

After doing the milking, I
took the milk to the gate to
meet McCalmont. Borrowed
Robt Riddles team and
went to father's and got
their grain drill. Jim
Gillespie's little dog was
run over by the team and
his front leg mashed.
Had a little controversy
with Al Conly about
the mares in our
Sabbath School sitting
with white children.
Took Riddles horses
home after night.
Weather fine.

OCTOBER, WEDNESDAY 8. 1884.

Home Near Haulin Stee

Arose at the usual
time and did the chores.
Took the milk & the
gate and met McCalmont.
Charley and I took 13 1/2
bu of wheat to Proving
and cleaned it for seed.
Drilled nearly an acre in
the afternoon before the
ferry came out. Used
G. P. McCalmont's mare
to drill with. Was
quite unwell all after-
noon. Traded some
wheat with D. S. Fulton
for seed.

OCTOBER, THURSDAY 9. 1884.

Home Near Haulin Stee

Arose at usual hour.
So cool that I put a fire
in the grate for the first
during the season.
Mr. Madham and Willie
cut off corn for us during
the day I spent the day
drilling wheat. Did not
get quite done.
Day cool all through

OCTOBER, FRIDAY 10. 1884.

Home Gear Haulin Sta

Arose at four and attended to milking as usual. Took the milk to the station and home wheat to mill. Went to Porters bank and got some coal. Finished drilling our wheat in the afternoon. Put ten bushels on seven and one fourth acres. Heard at the station in the morning that C. M. Stephenson had become deranged. Mary Stephenson very good. Heavy frost in the morning.

OCTOBER, SATURDAY 11. 1884.

Home Gear Haulin Sta

After doing the milking and breakfast I took the milk to the station and left my team there and rode up with Robt Stephenson & C. M. Stephenson. Found Gary better and Cyrus so much improved in his mind that he was able to be at Burgess town. I took dinner at Stephensons and got home between two and three o'clock. Blanched some celery in the evening. Boil on the finger of my right hand still very sore. Weather fine.

OCTOBER, SUNDAY 12. 1884.

Home Near Hankin Sta

Spent the forenoon at home and we attended Sabbath school and Gospel meeting at Hankin Station in the afternoon. When I fed the horses at work all Doll choked and I was obliged to leave her at home and we went in the one horse wagon. Weather fine.

OCTOBER, MONDAY 13. 1884.

Home Near Hankin Sta

Did usual chores in the morning and took the milk to our gate to meet Mr. Calmunt. Took our wagon & spring wagon to Florence for repairs. Hauled our cane to S. S. Fultons to have it made up. Mr. Hardy and Willie. Fultons had our first look almost ground when I got back with the second load and I staid at night and helped to attend there. Willie had some bits of during the day. Weather fine.

OCTOBER, TUESDAY 14. 1884

Home Near Haulm's Sta.

Arose at four Willie
Medham helped me do the
milking. I took the milk
to the forks of the road.
Took a load of old rails
to D. S. Fulton's to make our
molasses. Ground a barrel
of juice and helped Fulton
to boil our two pans of
molasses. Had perhaps
ten or twelve gallons.
Brought it home late
in the evening.

Willie Medham and
Charlie went to Acker's
church at night to
a singing. Weather
fine but quite cool.

OCTOBER, WEDNESDAY 15. 1884.

Home Near Haulm's Sta.

Arose a few minutes after
four o'clock. Very heavy
frost. Ice on the water
near the gate. Took milk
to forks of the road.

We dug our potatoes
and sowed some rye
Willie Medham helping
us. Weather very fine.
Heard the artillery at
night. Rejoicing over
the election in Ohio
but we did not know
still what party had
triumphed.

OCTOBER, THURSDAY 16. 1884.

Home Near Haulin' Sta

After attending to milking
I took the milk to the
station in the pig wagon
and brought home 20
bushels of coal from
Mr. Curry's bank.

Rained in the after-
noon and I did some
chores about the house
shelled some corn &c.

OCTOBER, FRIDAY 17. 1884.

Home Near Haulin' Sta.

Attended to milking as usual.
Did not ship any of our milk
on account of overplus in
town. I took Mr. Calmont's and
John Provines' milk to the
station. Brought home 20
bushels of coal from Curry's
bank. Got Riddle's young
mare coming home and
she balked with me three or
four times. Went to
Florence and got our
spring wagon and got
my teeth filled.
Weather fine

OCTOBER, SATURDAY 18. 1884.

Home Near Hanlin Sta

We arose at four
o'clock and did chores
as usual. Mr. Calmont
took the milk to the
station. We attended
the Sabbath School Picnic
at Eldersville. Had a very
good dinner but no
literary performances.
Mrs. Johnson of Independence
was buried just at the
close of the exercises.
Weather quite cool.

OCTOBER, SUNDAY 19. 1884.

Home Near Hanlin Sta

Arose at six and after
attending to chores we
attended church at
Duckers and heard Rev.
Griffith preach from
~~Psalm~~ ~~XXX~~ Psalm 1st verse
Very good sermon seemingly
preached by a man full
of the Holy Spirit. Charley
was home all day.
I attended church at
Eldersville in the evening
and heard Rev. Starn from
I Tim. VII 19. Got home
at dark and milked
two cows. Weather
fine. Learned during the
day that the folks at
Florence would not allow
their church to be opened
for a Prohibition Temper-
ance lecture.

OCTOBER, MONDAY 20. 1884.

Home Near Haulm Sta

Attended to Chores as usual. Took the milk to the gate and went with Mr. Calmont to the forks of the road. Got some whoop poles near Riddle's. Robt Riddle put some whoops on our Cider barrels. Riddle's folks helped us to gather some Apples for Cider.
Weather very fine.

OCTOBER, TUESDAY 21. 1884.

Home Near Haulm Sta

Arose a few minutes before four O'clock and Charley and I did the milking. Robt Riddle took our wagon with his team and I put Cora in with John Provins' team and we took two wagon loads of apples to Widow Sarpers and made four barrels of Cider and got home a little after night. Charley attended singing at Sucker's at night.
Weather very fine.

OCTOBER, WEDNESDAY 22. 1884.

Home Near Haulin' Stn

Arose at four and attended
to milking the usual.
Took the milk to the
forks of the road in the
spring wagon. Borrowed
a kettle from McCalm's
and one from A.M.
Haulin's and boiled
in nearly a barrel of
Cedar. I spent part
of the time making
an apple butter stirrer.
Had intended going
to Suckers sale
but thought it
too wet. Rained
about half the day.
Retired about eleven
o'clock.

OCTOBER, THURSDAY 23. 1884.

Home Near Haulin' Stn

Arose at five and had to
hurry around to get the
milk ready for train.
Charles took the milk
to station. I spent
most of the forenoon
making butter stirrer
and stirred a kettle of
apple butter in the
afternoon. Charles hauled
a load of shingles for
Mr. S. McCreight.
We pared and cut
some apples at
night to thicken another
kettle of apple butter.
Snowed some during
the day the first of the
season.
Retired at eleven o'clock

OCTOBER, FRIDAY 24. 1884.

Home Near Haulin Sta

Arose near five O'clock
and attended to milking
hurriedly. Charlie took
the milk to the station.
Helen and I made a
batter of apple butter
during the day. We hauled
three loads of pumpkins
and a little corn in the
evening. Weather quite
cold all day. Ground
frozen in the morning
and snowed some.

OCTOBER, SATURDAY 25. 1884.

Home Near Haulin

Spent the day doing chores.
Charley went to Florence
and got some sheering done
and got Helen's shoes home.
I attended to feeding, made
a flail of rye and went
to Previne's and threshed
a dozen of rye.
Charley and I husked
about five shocks of
corn in the evening.
I put Mitchel Charaters
hair and Gillie's hair
in the afternoon.
Ground frozen in the
morning. Day fine.

OCTOBER, SUNDAY 26. 1884.

Home Near Haulin' Stn.

Charley attended church
at Eldersville. We spent
the forenoon at home
and attended Sabbath school
at the station in the
evening. Got home
just at dark, and
had our milking
and feeding to attend to
afterward.

Weather fine.

OCTOBER, MONDAY 27. 1884.

Home Near Haulin' Stn.

Arose at four o'clock as
usual and did the
milking before breakfast.
Took the milk to the road
in the cart. Was raining
nearly all forenoon and
I turned some water
off the road. Took
father's drill home.
Received \$20 for my
share of the threshing machine.
Got home after dark.
Took supper at St. M.
Stephensons. Harleys folks
here when I came home
and Charley sick in bed
and milking not
done.

OCTOBER, TUESDAY 28. 1884.

Home Near Hamlin Sta

Arose a few minutes
after four and Charly
being sick I attended
to the milking myself
and took the milk to the
station. Callie Ballard
rode with me to the station
I went to C. M. Stephens and
brought Alma Ledy
home with me to do
some sewing. I hauled
a load of hay in the
afternoon and bushed
two shocks of corn for
the pigs. Jas. Carothers
and Belt were with us
until bedtime and
we had a very pleasant
time. Afternoon clear

OCTOBER, WEDNESDAY 29. 1884.

Home Near Hamlin Sta

Arose at five and did
the milking myself. Charly
not being well I took
the milk to the gate.
Went to Paris and paid
Elias Freshwater five
dollars of a blacksmith
bill. His books had
been burned in his
house and we had to
guess at it.
Rained nearly all
afternoon. Went to
Lockhart for a
dress pattern for
Eden. Sarah Ledy
here sewing.

OCTOBER, THURSDAY 30. 1884.

Home Near Haulin Sta.

Arose a few minutes
after four o'clock and
did the milking and let
Charley sleep. Took the
milk to the gate and
met Mr. Calmout. Called
in to see Dr. Carothers and
found him quite sick in
bed. Charlie and I husked
a load of corn and hauled
it in. Weather damp and
cloudy. Alma Holly
here sewing.

OCTOBER, FRIDAY 31. 1884.

Home Near Haulin Sta.

Arose at four and attended
to milking as usual.
I took the milk to the
station and took Alma
Shorle to Stephensons
Took some pumpkins and
come selling them. As I
came home I brought
Rev. E. P. Hays with me.
When I came home word
had come that Dr. Carothers
was worse and I went to
see him found he could
scarcely speak Doctor
pronounced his disease
scarlet rash. Weather
in the forenoon foggy
and damp. Charlie and
Alma went to see Dr.
Carothers at night and
found him some
better.

NOVEMBER, SATURDAY 1. 1884.

Home Near Haulm Sta.

I took the milk to the
station in the morning
and took some pumpkins
also. Saw twenty five carloads
of Republicans going to
Pittsburgh to a mass meeting
I took Rev. E. J. Hays to
Eldersville and heard
him preach from St. John
XIV & part of 9.
Got home about half
past ten o'clock.
Weather fine

NOVEMBER, SUNDAY 2. 1884.

Home Near Haulm Sta.

Arose at daylight and
we attended Church at
Eldersville and heard
Rev. Hays preach from Rom.
VIII 1st Sacrament admin-
istered. We took dinner at
Kiddie's. Came home and
did the feeding and milking
I went back to Church
at night and drove Robert
Kiddie's team and took Annie
Kiddie and Willie Morrison
heard Rev. Hays from II John
II 1st. Got home about
nine o'clock and attended
to a cow that was unable
to calve. Night quite
cool and frosty but
clear.

NOVEMBER, MONDAY 3. 1884.

Home Near Haulins Stw.

Took the milk to the
gate in the morning.
Went to Riddles and
borrowed 15 lbs of fresh
peas. Spent most of
the day getting winter
apples and Charley
shucked corn.
Weather very fine.
Appearance of stormy
weather.

NOVEMBER, TUESDAY 4. 1884.

Home Near Haulins Stw.

Arose at four and attended
milking before breakfast
Charlie took the milk to the
forks of the road. Charlie
Worison and J. P. McAl-
mont each brought a cow
to the bull. I attended
Presidential Election at
Advance and voted for
Governor St. John of
Kansas for President on
Prohibition ticket
voted the Republican County
ticket. Election taking
off very quiet while
I stayed. Weather
fine. Rained a little
in the evening.

NOVEMBER, WEDNESDAY 5. 1884.

Home Near Haulin' Ste.

Arose at four and attended
to milking without waking
Charlie. I took the milk
to the station. Democrats
and Republicans both
claiming the election.
News not very encouraging
for Blaine and Logan
but still their election
claimed. I took McCall
mout's Cans to him and
told him the news
while he was in bed
sick. We put our
cellery in the cellar and
buried our cabbage in
the afternoon.
Weather quite cool.

NOVEMBER, THURSDAY 6. 1884.

Home Near Haulin' Ste.

Arose at four and kindled
the fire and did the milking
before waking Charley.
Took the milk to the station
Brought Mrs Cochrane and
Elda home from the
station and took them
home in the wagon.
Mary Lockhart still
quite sick but some
better. Mr. M. Calmont
no better. We hauled
in two loads of corn
in the afternoon.
Weather quite cold.
Some snow on the
ground in the morning.

NOVEMBER, FRIDAY 7. 1884.

Home near Haulin Sta

Arose at four and kindled
fires and did milking then
waxed Charlie and he attended
to the horses while I shelled
some corn. I went to the
election with the milk.
Mr Calmont still being sick.
Returns from the election
still of an uncertain
nature. Entered in the
loss of our potatoes and
apples in the afternoon
and Charley went to the
ringing at Luckiers at
night. Weather fine

NOVEMBER, SATURDAY 8. 1884.

Home near Haulin Sta.

Arose at four and attended
to the milking as usual before
waking Charley. I took the
milk to the station and went
to Burgettstown on train
and lifted note of \$38 at
bank. Missed the local and
walked down to Haulin's.
Had a spell of numbness on
the way back such as I need
to have but it was light
and did not affect my speech
much. Wag. Provinces with
me in the wagon. We husked
some corn in the after-
noon and crumbed it.
Weather very fine.

NOVEMBER, SUNDAY 9. 1884.

Home Near Haulin Sta

Spent the forenoon
at home and we all
attended Sabbath School
at the Station in the
Afternoon. Weather
fine and the turnout
was pretty good there
being forty six present.
We had our milking to
do after night as
usual.

NOVEMBER, MONDAY 10. 1884.

Home Near Haulin Sta

Arose at four o'clock and
did the milking. Charley
took the milk to the Station
and I finished the feeding.
We killed a hog after dinner
and Charley hauled some
pumpkins and I husked
five shocks of corn which
he felled up and we
hauled in. I went to
Mr Calmont's at night
and found him still
quite unwell.
Weather very fine.
Corn fodder very dry and
brittle.

NOVEMBER, TUESDAY 11. 1884.

Home Near Hamlin Sta.

Arose at four o'clock and did the milking as usual before breakfast. Charley took the milk to the Station and I did the chores. We husked twenty shocks of corn and covered it with fodder. Weather some what damper than for some time past.

Cloudy all day.
Peddler along about noon with a wagon loaded with dry goods.

NOVEMBER, WEDNESDAY 12. 1884.

Home Near Hamlin Sta.

Arose at 4 o'clock and did the milking and feeding. Charley took the milk to the Station. I went to Provinces and threshed some rye for the straw, and husked corn in the afternoon. Charley went to Gibson's and got butter. Willie Needham helping us. Democrats had a ratification meeting in Eldersville at night before the official vote for President was announced and the election still in doubt. Weather very fine.

NOVEMBER, THURSDAY 13. 1884.

Home near Haulin Sta

Arose a few minutes
after four Charlie and
Willie Medham helped me
to milk. I took the milk to
the station. I hauled in
three loads of corn during
the day. Charley and
Willie Medham were
husking. Weather very
fine. Presidential
election still undecided
on account of
the official count
of the State of New
York.

NOVEMBER, FRIDAY 14. 1884.

Home near Haulin Sta.

Arose a few minutes
after four o'clock and
Willie Medham and Charlie
and I did the milking. I
took the milk to the gate
to Mr Calmont and did
the feeding and the boys
husked corn all day and
then attended singing
at Luckers at night.
I took some corn to
J. S. Fulton's and some
to Mr Calmonts that
I had borrowed.
Weather very fine.

NOVEMBER, SATURDAY 15. 1884.

Home Near Haulin' Sta

Arose at 4 1/2 O'clock and
Charley and Willie Medham
helped me do the milking.
We husked corn all forenoon
and Willian and Carothers,
husked all afternoon.
Charlie and I hauled in
105 bushels of ground
corn. Mary Jackson
came in the afternoon
and repairs to Alex
Haulin's at night.
Willie Medham
stayed with us over
night. Weather very
fine.

NOVEMBER, SUNDAY 16. 1884.

Home Near Haulin' Sta

Arose about seven O'clock
and Willie Medham
helped me to do the
milking. We attended
Sabbath School at the
Station. Willie Medham
went with Charlie.
Supposed to be the first
time he was ever there.
Sabbath School not very
large but very interesting.
Mary Jackson here in
the afternoon and went
home. Weather very fine.

NOVEMBER, MONDAY 17. 1884.

Home Near Haulin' Stn.

Arose at four and Charlie
and I did the milking.
McCalmont took the milk to
the station. We finished
cribbing our corn and
hauled in three loads of
hay during the day.
Willie Needham helping us.
Charlie, Willie and Willie
Morrissey took our
eggs to Keddle's at night
by ship to Pillsbury's.
A threatened storm
during the day and got
colder.

NOVEMBER, TUESDAY 18. 1884.

Home Near Haulin' Stn.

Arose at 4 1/2 o'clock. Willie
Needham helped me to do
the milking. I took the
milk to the station. Charlie
finished the feeding
and went to school for
the first during the season.
I brought twenty bushels
of coal from Billy Bales'
bank. Spent the after-
noon getting stock in
out of the storm.
Snowed all afternoon
and still snowing at
bedtime.

NOVEMBER, WEDNESDAY 19. 1884.

Home Near Hamilton Stn.

Arose a few minutes after four o'clock and Charley helped me to do the milking and feeding. We went to Florence in the spring wagon and got some dry goods and got some Blacksmithy done. Snow on the ground and weather very raw and chilly.

NOVEMBER, THURSDAY 20. 1884.

Home Near Hamilton Stn.

Arose a few minutes after four o'clock and attended to milking and feeding as usual. Charley and I took the milk to the road. I helped Alex. Hartin to butcher his hogs. Billy came for meat noon stating that Gracy was very sick. I came home immediately and found she had been throwing up considerably. Watched her all afternoon. She got better at night. Robt. and Liz. Riddle came in the evening and stayed until bedtime. Weather fine. A little snow on the ground. James Crothers brought us 111 lbs of beef.

NOVEMBER, FRIDAY 21. 1884.

Home Near Hamilton Sts

Arose a few minutes after four. Gracy being sick kept me awake from three o'clock. Took the milk to the gate before breakfast and McCalmont took it to the Station. Gracy very sick all day with Scarlet rash. Charley attended Surgery at Duckers at night. Weather very fine and roads good.

NOVEMBER, SATURDAY 22. 1884.

Home Near Hamilton Sts

Gracy still quite sick. Arose at four and kindled fire. Charley and I did milking and took the milk to the gate and hauled a couth of corn-fodder before breakfast. We shelled some corn and prepared some chopping and I took it and some wheat to mill and brought twenty bushels of coal home from Mr. Boles' bank. Charley went to Florence at night for my boots which were there being repaired. Roads very good and weather fine.

NOVEMBER, SUNDAY 23. 1884.

Home Near Hamilton Stn

Slept until very late.
Spent most of the day
at home Gracey Dick
and I attended Sabbath
School at Hamilton Stn
alone. Parley attended
Gospel meeting at
the station at night.
Anderson not there.
Arkle ~~well~~ forth
as preacher. Congre-
gation not large.
Rained during day
and cloudy at night.

NOVEMBER, MONDAY 24. 1884.

Home Near Hamilton Stn

Arose at half past four
and Charlie and I did
the milking. On Calmont
took the milk to the station
I hauled 20 bushels of
coal from Billy Bolles'
bank and brought home
some chopping from
the mill. Went to
Florence at night
and got my boots that
were there being mended.
Got a little shore
water turned into
our springhouse.
Weather quite cold
and freezing hard.

NOVEMBER, TUESDAY 25. 1884.

Home Near Haulin' Stn.

Arose a few minutes
after four o'clock
and we attended to
chores as usual.
I took the milk to the
station and brought
home about 20 lbs
of coal from Boles
bank. Sewed some
patches out one of
my boots in the
afternoon and hauled
a load of corn fodder.
Snowed in the evening.

NOVEMBER, WEDNESDAY 26. 1884.

Home Near Haulin' Stn.

Arose a few minutes after
four o'clock and we did
chores as usual. I took
the milk to the station
and brought flour from
the mill. Mr. Calmont
had no cans to send
milk. Lillie quite sick
all day. Scarlet rash.
I tied up some young
traps to keep rabbits
from them. Snow on
the ground. Roads
very good. Mr. Calmont
brought us a sausage cutter
from Burgettstown.
Robt. Riddle called in the
evening to see Lillie
and Gracie.

NOVEMBER, THURSDAY 27. 1884.

Home Near Hamilton Sta.

After doing the milking I
got the sled ready and
hauled the milk down to
the gate for Mr. Almont
and he took it to the
station. I hauled some
corn fodder then attended
church at Paris and heard
Rev. Brush preach from
Eph. II 22 Good sermon
but poorly delivered.
Prepared some buckets in
the afternoon to feed corn
out of Jim. Brothers
come over in the evening
to see our sick children
Gracy much better but
Gillie still in bed,
with 2 carlet rash.
Rained some during the
day.

NOVEMBER, FRIDAY 28. 1884.

Home Near Hamilton Sta.

Children had been restless
during the night. Arose a
few minutes after four.
After milking and break-
fast I took the milk
to the station and
helped Robt. Riddle to
butcher his hog 5-19 lbs.
Went to Mr. Almont's with
C. M. Stephenson. Shelled
some corn and mixed
with Altes for corn feed.
Ida Cochran came from
Serge Johnsons with me
to do some housework.
for us. Day fine.
Snowed at night.

NOVEMBER, SATURDAY 29. 1884.

Home Near Hamlin Sta.

After doing the milking in the morning and taking breakfast. We loaded the sled with chopping and put the milk on and I went to mill. McCalmont took the milk to the station. I put four hoops on our hoghead in the afternoon and prepared for killing hogs on Monday. Mrs Cochrane and Ida were here. Edlie seemed much better during the day and sat up with his clothes on for the first in three or four days but seemed to be taking cold at night. Weather fine.

NOVEMBER, SUNDAY 30. 1884.

Home Near Hamlin Sta.

Arose at seven and Charley and I did the chores. He attended church at Duckers and I went to Hamlin's to Sabbath School and we had a very interesting lesson. From Hamlin I went to father's. Took dinner at Will's. Will's skin still peeling off. Not known what his disease but feared to be something like Leprosy. I got home about dark and helped to finish the milking. Our children some better and able to be up. Weather cloudy and falling snow.

DECEMBER, MONDAY 1. 1884.

Home Near Haulin Sta

Attended to Chores as usual and immediately after breakfast I kindled the fire for butchering. He killed and dressed five hogs 805 1/2 lbs. Hang them up and cut up the head. Weather fine. Attended a Temperance Meeting at Hamilton Schoolhouse where we made an attempt to advance the cause of Prohibition and we had a very lively time. Four Prohibitionists John Serris, Johnathan Lucker, Geo. A. Hays and myself present. Serris discussed the Prohibition side, Robt Creswell and Albert M. Connell advocated remaining in the old parties and we had a lively time. Did not get home until ten o'clock.

DECEMBER, TUESDAY 2. 1884.

Home Near Haulin Sta.

Arose at the usual hour and attended to the usual Chores. Charley took the milk to the Weston and Robt Redelle and I cut up our hogs. We got through cutting sausage about four o'clock and I seasoned it after night. Eda Cochrane took sick during the day and was not able to assist in the evening. Weather very fine.

DECEMBER, WEDNESDAY 3. 1884.

Home Gear Haulin Sta

Arose at usual hour and
Charles and I did the milk;
as usual On Calmout
took the milk to the station,
I took Ida Colchance
home in the forenoon
sick. Took our horse
to the shop and got
them shod. Came home
and attended to milking
and feeding. Got our
milk money from Pro-
vines. Went back to Paris
and brought our horse
home. Eli. Worstell didd
a little after five o'clock
in the evening. Mr. McCabe
is not expected there.
Weather very fine

DECEMBER, THURSDAY 4. 1884.

Home Gear Haulin Sta.

Chores as usual. Maggie
Riddle went with me to the
station with the milk.
Helped Provines to butcher
after I came back.
They killed 1381 lbs of pork.
We ground our worst
meat after I came home
and he prepared it after-
night. Weather exceedingly
fine for the time of
year.

DECEMBER, FRIDAY 5. 1884.

Home Near Haulni Sta

Attended to usual chores before breakfast. Took the milk to the gate and McCalmont took it to the station, hauled a load of corn fodder. Attended the funeral of Eli. Horstell. Shelled some corn and mixed some cow feed in the afternoon. Some boys came in the evening and went with Charley to Luckers & the Singing. Weather very fine and warm.

DECEMBER, SATURDAY 6. 1884.

Home Near Haulni Sta

Arose a few minutes after four o'clock. Took the milk to the station and some chopping to mill. Waited until it was ground and brought it home with me. Set up a pair of stairs in the cow stable in the afternoon. Charley went to Jo. Sebsons and got some butter in the evening. Rained nearly all day.

DECEMBER, SUNDAY 7. 1884.

Home Near Hamlin Sta

After doing the milking
I left Charley to attend
to the rest of the feeding
and I attended Sabbath
School and prayer meeting
at Luckers then
attended Sabbath School
at Hamlin's Station.
Lesson for the day on
Drunkards. "Who hath
worn Whod hath Sorrow &c."
We had quite an interesting
time in both schools.
Did not get home in
the evening until after
dark. Rained some in
the forenoon and was
quite windy at night.

DECEMBER, MONDAY 8. 1884.

Home Near Hamlin Sta

Attended to usual
chores in the morning
and took the milk to the
gate for McAlmout
Cleaned out the ditches
at the side of the
road by Carothers Culbert.
Went with John Clarke
Griffiths and
Caldwell's to see if he
could get a job of
coal digging. but he
did not get a job.
James Hays and
John Dennis and
I attended a Prohi-
bition meeting at
Purdy School house.
Brook turn out and
Dennis delivered a
good address.

DECEMBER, TUESDAY 9. 1884.

Home Near Hardin Sta

Took the milk to the station in the morning and brought home about fifteen bushels of coal from Boles' bank.

Roads quite wry and heavy. Snowed some in the forenoon.

Put a stop on our beef barrel and did chores in the afternoon.

DECEMBER, WEDNESDAY 10. 1884.

Home Near Hardin Sta

Awoke ten minutes after four o'clock. Did chores as usual took milk to gate. Spent day hauling fodder and hay alone. Read some at night and made some preparations for making a speech at Temperance meeting next Monday night. Charley attended singing at night. Very dark and rained some.

DECEMBER, THURSDAY 11. 1884.

Home Near Haulin' Sta

Arose ten minutes after
four. I took the milk
to the station through
rain. Bought a lamp
globe and when I came
home Helen not knowing
it was in the gum lunks
broke it before it was
unwrapped. Read some
at noon. Hauled two
sled loads of hay.
Weather very unpleasant.
Snowing at night.

DECEMBER, FRIDAY 12. 1884.

Home Near Haulin' Station

Attended to chores in the
morning as usual before
breakfast. I took the milk
to the station. Got a book
lengthened at Riddle's,
Smith's shop and put it
through the gatepost and
hung the gate on it.
Chadley went with Ed
Carothers to A. M. Haulin's
at night to get them
to subscribe for the
"Yours Companion".
Weather very unpleasant.
Snowing at night.

DECEMBER, SATURDAY 13. 1884.

Home Near Hardin Sta

Aryse at four O'clock.
Charley and I took the milk
to the road to McClelland &
he took it to Station.

Charley and I went to
Stemberville in the wagon.
Got Charley a suit and
some other things for
the house. Charley came
home on train and
had milking and
feeding done when
I got home.

Roads very muddy.
Very heavy fogging.
Some snow on the
ground.

DECEMBER, SUNDAY 14. 1884.

Home Near Hardin Sta. P.M.

Arose at 7 $\frac{1}{2}$ and attended
to Chores. Charley and I attended
Church at Suckers and
heard Rev. Griffin
preach from Mat. ~~XVIII~~
1:27. Very good sermon.
W. D. C. Criswell was
finding fault with the
Prohibition party for
having their meetings an-
nounced from the pulpit
as Temperance meetings.
He thought they should be
announced a political
meetings. I attended
Sabbath School at the
Station in the afternoon.
48 present.
Rained as I came home

DECEMBER, MONDAY 15. 1884.

Home Near Hanlin's Station

Arose at the usual time
and Charlie and I did the
milking before breakfast.
After cleaning out the
stables I went to Grapt
Lytcons and got some
butter. Ate dinner there.
Will Milvain is here
when I came home. He
went home about dusk.
I proposed to attend a
Temperance meeting at
Aulton's Schoolhouse at
night, but it was too
late when I got
milking done and I
was afraid to undertake
the trip in the darkness,
freezing at night.

DECEMBER, TUESDAY 16. 1884.

Home Near Hanlin's Station

Arose 4:10. Took milk to
the station. Hauled two
sled loads of fodder.
Went pen, about the
manure pile and moved
part of the chaff pile
preparatory to weatherboarding
the shade for the calves.
Weather quite cold.

DECEMBER, WEDNESDAY 17. 1884.

Home Near Haulin' Sta.

Arose five minutes after
four. Charlie and I attended
to feeding. Hauled a load of
fodder. And spent most
of the day putting chaff
out of the shade into
the manure pile.
Charlie attended singing
at Shakers at night.
Snowed nearly all day.
Snow dry and fine.
Ground rough.

DECEMBER, THURSDAY 18. 1884.

Home Near Haulin' Station

Arose at usual time and did
usual chores before break-
fast. I took the milk
to the station in the
sled. Received a Toledo
Blade and did some
reading in the afternoon
and was much pleased
with the paper especially
with its temperance prin-
ciples. Got fifty pounds
Yuckulett from James
Martin. Halted some
boards on shade for
calves. Weather very
cold and could not
stay away from
fire long at a time.

DECEMBER, - FRIDAY 19. 1884.

Home Gear Haulin' Station

Did usual chores before breakfast. Took the milk to the gate in the cart and McLaughlin took it to the station. Spent the forenoon feeding and doing chores. Shelled some corn in the afternoon, milled it with oatmeal and took it to mill.

Weather very cold. Some snow on the ground but ground rough. Sledding not very good.

DECEMBER, SATURDAY 20. 1884.

Home Gear Haulin' Station Pa.

Arose at the usual time and found it very cold. Charlie and I did milking as usual and I took the milk to the station. Slept a short time at Riddles. Put soles on the little sled and we hauled a little load of hay in the evening for the cows. Weather cold. Snowing at night.

DECEMBER, SUNDAY 21. 1884.

Home Near Haulin Station

Arose at 7½ O'clock
Did not attend Church
anywhere in the forenoon.
Charley and I attended
Sabbath school at the
Station in the evening.
Arrangements were made
for the Christmas tree.
Rained nearly all day
and was very dis-
pleasant.
We did our milking
after night.

DECEMBER, MONDAY 22. 1884.

Home Near Haulin Station

Arose at 3½ O'clock and
Charley and I caught 26
Chickens before we milked
the cows. Sold 27 Chickens
to John M. Connell at 20¢
a piece. Took some knitting
and sewing to Mrs. Cochran
before noon. Took our row
to E. S. Hanlin in the after-
noon. Could not get her
across the run and
was obliged to take her
by the way of the pike
and across the bridge
above. Change of weather
much colder and freezing
at night.

DECEMBER, TUESDAY 23. 1884.

Home Near Hanlin Sta

Attended to chores as usual and I took the milk to the station in the road wagon and brought some grinding from mill. Helped J. Carother's cleaning the intestines of a beef. Went to Florence in the evening and got my new boots. Eda Cochran came in the evening to go with me to the station in the morning. She knit a pair of spall mittens for the children to put on the Christmas tree for Mrs. Robb. Weather cold appearance of snow at night.

DECEMBER, WEDNESDAY 24. 1884.

Home Near Hanlin Sta.

Arose at the usual hour and after doing some chores I took Eda Cochran to the station with me in the sled when I took the milk. After dinner I went to the woods and got a pine tree and took it to the station with some ferns and woodbine berries. Helped to put up the Christmas tree for the Sabbath School. Did not get home until nine o'clock. Willie Needham helped Charley to do the feeding and milking and went with him to the singing at Tuckers. Snowing nicely at bedtime.

DECEMBER, THURSDAY 25. 1884.

Home Near Hamilton Sta

Arose at the usual hour. Willie Needham helped us do our milking. Took the milk to the gate and brought up a load of fodder for the cows. We all attended Christmas tree at the station and had a very nice time. Little folks nearly all had something to recite. We were late getting there and consequently late getting home. Clyde Melvin came home with us and Willie Morrison came up to stay until bedtime. Snow on the ground and quite stormy in the evening.

DECEMBER, FRIDAY 26. 1884.

Home Near Hamilton Sta

Chores as usual. Clyde was with us during the day. He hauled five sled loads of hay to the mow. Considerable of snow on the ground but not very cold during day. Got colder at night.

DECEMBER, SATURDAY 27. 1884.

Home Near Hamlin Sta.

Arose a few minutes after four
o'clock after doing milking &
took the milk to the station.
Clyde Melvin here and helped
Charles to do the feeding and
stable cleaning. I took
some flour to James Martin's
in the afternoon. His cow
tore up a basket and took
a blanket for me.

Went to H. Gibson's and
got some butter.

Weather fine. Sledding
pretty good.

Clyde and Charly were
very much out because
we would not let them
out to coast at night.
Their feet were wet from
the days riding.

DECEMBER, SUNDAY 28. 1884.

Home Near Hamlin Station

Arose at eleven and did the
milking and part of the feeding
while Charles and Clyde were
still in bed. Did not
attend Church anywhere
in the forenoon. We all
went to the station in the
afternoon to Sabbath School.
Spent most of the time
singing. Had our feeding
and milking to do after
night. Snow melting
off. Sledding spoiled.

DECEMBER, MONDAY 29. 1884.

Home Near Hanlin Sta.

Arose at the usual hour and did the usual chores before breakfast. Took the milk to the gate. Hauled a load of fodder for the cows.

Took our sled to Proovin's for repairs. James and I spliced one runner and took it to Kiddle's and got it plated.

I attended church at Suckers at night and heard Rev. Griffin's preach from Matt.

11th 6th. A very good sermon. Weather quite warm. Snow nearly all gone and roads getting quite muddy.

DECEMBER, TUESDAY 30. 1884.

Home Near Hanlin Sta. Pa.

Arose at four o'clock. Kindled fires and Charley and I did milking before breakfast. I took the milk to the station and brought home twenty bushels of coal from Boles' bank.

Helped to saw a log for a roller. Borrowed Kiddle's horses and brought home thirty three bushels of coal in the afternoon. Roads getting muddy. Took Kiddle's horses home after night. Weather quite warm.

DECEMBER, WEDNESDAY 31. 1884.

Home Near Haulin' Sta.

Arose at four o'clock as usual and Charlie and I did the milking and some of the feeding before breakfast.

I took the milk to the gate and spent most of the forenoon hauling corn-fodder. Put poles on our big sled in the afternoon. Rained in the evening. Charley went to the circus last night with Haulin's boys.

Sid not feel very well in the evening and we prepared to retire earlier than common. ~~and~~
