Wea. Clear Cold Sleighing snow TUES. JAN. 1, 1895 Ther.

Home Near Hanlin Sta.

After attending to usual chores I took the children to school in the sled and spent perhaps an hour in school. Received a letter from Mrs E. A. Riddle and a note from Miss Ida B. Porter requesting me to attend her "Teacher's Institute at Lee's School House on the 12th inst and to send her the subject on which I proposed to talk.

Did not feel very well and read most of the time to go for the children & brought them home in sled.

Wea. Fair Cold WEDNESDAY 2 Ther.

Home Near Hanlin Sta.

Took the milk to the station in the morning and stopped at Stephenson's as I came home and helped to move David McDonald's sick house. Went to Griffith's bank in the afternoon and got 20 lbs of Coal. Went to Stephenson's and helped to prop up the sick house, and then went and brought the children home from school in the sled. After supper went again to Stephenson's and found the house prop up and doing well. Snowed some in afternoon.

Wea. Fair THUR. JAN. 3, 1895 Ther.

sledding

Home Near Hanlin Sta

I took the children to school in the morning and went to Griffiths bank and got 25 bu of coal before dinner, and in the afternoon went and got another load for which I had to wait some time and had not time to unload it before going for the children in the evening and brought them home in the sleigh. Made out milk account at night. Did not feel well. Pains in my limbs

Wea. Fair FRIDAY 4 Cold Ther.

Home Near Hanlin Sta.

James Crothers took the children to School in the morning and brought them home in the evening. I went to Griffiths bank for coal but failed to get any. I took the children to Literary last night and was pretty well pleased with the performances. All who were called on performed. Rob's Curry was drunk and threw up in the lane and the President, D. P. Brashear took him by the shoulders and put him into the sleigh. Did not get home until after eleven o'clock.

Wea. Fair SAT. JAN. 5, 1895 Ther.

Home Near Hanlin Sta

I took the milk to the station in the sled and took Mrs Wilson, Helen and Gracey with me. Helen and Gracey went to Steubenville for Gracey's coat and went to station after them in the evening. Willie and I hauled some straw for the colts and calves. Willie and Gracey went with Stephensons young folks and Crothers to Mr. McCalmons to stay until bedtime. I did not feel very well during the day.

Wea. Wet. SUNDAY 6 Ther.

Home Near Hanlin Sta.

Slept until seven o'clock. Found the snow melting off when I arose. Did not attend church anywhere during the day as the sleighing was not good and raining some occasionally. Studied Sabbath School lesson some for next Sabbath and read in the Bible and Wesleyan Methodist. In night I looked for a book in which was the lesson "Character of Blanchard" but could not find it. Still raining at bedtime

Wea. Wet MON. JAN. 7, 1895 Ther.

Home Near Hanlin Sta.

I took the Children to School in the morning and brought them home again in the evening and had not much time to do much else. Helped Helen to wash some in the evening after I had done the milking. Alice came home from School in a very good humor, having been perfect all day in her Spelling — a very hard lesson and got above Grover Fulton and set his head mark. Considerable of interest in her days.

Wea. Cloudy Colder TUESDAY 8 Ther.

Home Near Hanlin Sta.

When I took the milk to the road I received unexpectedly our return for our last months milk. Mr. Pfeiffer had sent it out with Brakeman Jones. I spent most of the day preparing a gallows for hanging beef on.

Did not get milking done until after night. Weather grown colder and ground frozen some.

Wea. Cloudy Cold WED. JAN. 9, 1895 Ther.

Home Near Hanlin Sta.

I took the milk to the Station on the sled in the morning although the ground was bare. Took Nelly to Eldersville and had her shod. Got home about two O'clock and did afternoon chores.

Had feeding and milking done before night, and helped Grace some at night with her Arithmetic and mended Alice's shoe.

Weather was cloudy and raw all day and commenced snowing between nine and ten O'clock.

Wea. Wet Icy THURSDAY 10 Ther.

Home Near Hanlin Sta.

I took the Children to School in the sled in the morning and brought them home again in the evening. George Stephenson and D. S. Fulton came to help us to dress a beef but it rained all day and we did not butcher.

I repaired my felt boots and Gem shoes at night and we did not get to bed until after ten O'clock. D. S. Fulton repaired our Clock.

Wea. Cloudy FRI. JAN. 11, 1895 Ther.

Home Near Hamilton Ste.

Attended to chores as usual. D. S. F. Hilton James Carothers and Charley Stephenson helped us to drop a beef. Took two quarters to D. S. Fulton's. Owed him 118 lbs front quarter. Took 126 lbs front quarter and 103 lbs hind quarter from him. Willie and I hauled a sled load of straw in the evening and heard Willie went to Hamilton to literary I mended my boot some after I was through milking. Snowed a little during the day but was not very cold.

Wea. Cold Snow SATURDAY 12 Ther.

Home Near Hamilton Ste.

I took the milk to the station in the morning and also a beef hide which weighed 70 lbs and sold it to D. M. Barber at 2¢ pr. lb. Was quite cold when I came home Stephensons two little girls came to spend the day with Alice She went with them to Wilsons. Weather became very cold while they were away. Abba came for them in the cart in the evening. I took some corn to Smart's Mill. Exchanged for some chop. Evening quite stormy snowing.

Wea. Very Cold Snow SUN. JAN. 13, 1895 Ther.

Home Near Hamilton Ste.

Slept until seven O'clock and when I got up I found water frozen in the kitchen and considerable of snow on the ground. Swept paths about the house and banked snow up against our cellar windows to keep the frost out. Did not attend church any where during the day on account of the storm. I thought some of going to Eldersville in the evening but it was quite cold and snow flying in the air rendered it very unpleasant to be out

Wea. Clear Cold MONDAY 14 Ther.

Home Near Hamilton Ste.

I took the milk to the road in big sled and started to take children to school but Agnes Carothers took them. I went to Paris. Settled with James Freshwater for coal. Settled Road tax with Esqr Linn & ran and paid for repairs of wheel to Mr. Kaine. Hauled fifty bushels of coal from Mr. Griffiths bank and had Helen's shoes repaired at Mr Lockhart's. Did not get milk anywhere until after night. Snow blown off road in many places.

Wea. Clear TUES. JAN. 15, 1895 Ther.

Home Near Hamlin Sta.

I took the Children to School in the Sled and brought them home again in the evening. Hauled a load of Cornfodder. Took the head out of a Molasses barrel for a beef barrel. Cut up a hind quarter of beef and did other Chores. Wrote letter to Robbins and Bamford at Night ordering a ton of Millfeed. Snow melting off some. Sledding not very good. Gracey was very sick all night and she and her mother slept but little

Wea. Clear Snow on WEDNESDAY 16 Ther.

Home Near Hamlin Sta.

I took the milk to the Station on the Sled. Rev. Maxwell, James Provines and Charley Stephenson went with me. The Snow was fresh and wet and Sledding rather heavy. I finished cutting up our beef in the afternoon and pickled it. Gracey was not able to go to School having been sick all night. James Carothers took the Children to School and brought them home again.

Wea. Clear THUR. JAN. 17, 1895 Ther.

Home Near Hamlin Sta.

I took the Children to School in the Sled in the morning and brought them home again in the evening. Went to Griffith's Bank and brought home 25 baskets of coal. Went to Station in afternoon and brought home a little over 2200 lbs of Millfeed as one load on the Sled.

Did not empty the feed for want of time. Sledding pretty good but Rain having considerable effect in many places.

Wea. Changable FRIDAY 18 Evening damp Ther.

Home Near Hamlin Sta.

I took the Children to School in the Sled and brought 25 bushels of coal from Griffith's bank and when I was coming home met Mary and Anna Stephenson, Ed, Etta, and Mary Ann Weaver in a Sled coming down home and we had quite a pleasant visit. Brought Children home a little earlier than Common. Rained in the evening and Gracey did not go to Literary. Lillie went on horseback. Snow still melting at bed time.

Wea. Cloudy SAT. JAN. 19, 1895 Ther.

Home Near Hanlin Sta.

I took the milk to the Station in the morning and met Maggie Riddle from Burgettstown and took her to Mr Murrays on Business and then took her to Provines. Sum Crip and Will came and helped us to haul hay in the afternoon. We put in five good Sledloads of hay and a small load of Straw. Did not get feeding and Milking done until after night. Was quite late when we got through with Nights work.

Wea. Clear SUNDAY 20 Ther.

Home Near Hanlin Sta.

Slept until Seven O'clock then hurried about and did the morning work and I went to Eldersville on horseback and heard a Local preacher Baggett from Colliers preach from II Cor. 1st & 4th 23. Very good Sermon. Had heard him preach from same text at Suckers. Came home for dinner. Willie went to Eldersville at night to attend Christian Endeavor meeting

Wea. Clear Rain & Evening MON. JAN. 21, 1895 Ther.

Home Near Hanlin Sta.

I took the Children to School in the Sled in the morning and then went to Truax' mill and brought home some Chop feed. Hauled four loads of Corn fodder. Maggie Riddle came in the morning and was with us during the day and night.

Snow mark all thawed off but became windy in the evening and growing Colder.

Wea. Snowing TUESDAY 22 Ther.

Home Near Hanlin Sta.

I took the Children to School in the morning and brought them home again in the evening. Did not do much work during the day. Will Crip came in the afternoon & help to haul hay but the wheat field was too soft to haul over. Maggie Riddle here. James Carothers and Bell came over and sat until bedtime. Weather Growing colder.

Wea. Blusty Cold WED. JAN. 23, 1895 Ther.

Home Near Hanlin Sta.

I took the milk to the station in the morning and Mr Wilson took the Children to school and I brought them home in the evening. I put a post up in the Courtouse in the afternoon to support the building as it seemed to be inclining down the hill. Wrote a letter at night to Grandma Hanlin And did not get to bed until after ten Oclock. Felt as though I were taking cold.

Wea. Cloudy Rain Sleet at night FRI. JAN. 25, 1895 Ther.

Home Near Hanlin Sta.

Attended to usual chores in the forenoon and about one Oclock Will Crip came and he and I put four sled loads of hay into the mow and just as we got the last one put away it commenced raining and sleeting and the night has so stormy that Crip did not go ~~Home~~ ~~to~~ stay and our Children did not go to literary although Lillie got ready to go.

Wea. Cloudy Cold THURSDAY 24 Ther.

Home Near Hanlin Sta.

Attended to usual chores at the usual time.

Spent most of the day doing a washing. Did not feel well in the evening. Pain in my stomach.

James Carothers took the Children to school in the morning but walking was not very bad and he did not go for them in the evening.

Wea. Cold Stormy SATURDAY 26 Ther.

Home Near Hanlin Sta

Will Crips took breakfast with us and went with me to the station with the milk. Was cold and stormy when I came home and Mrs Stephenson came with me and remained for dinner. Sewed a new strap on Lizies. Lillie and I hauled a little hay to lower stable. Tried to work an example in partial payments at night for Gracey but failed. Night very stormy.

Wea. Clear Cold Day SUN. JAN. 27, 1895 Ther.

Home Near Hamlinsta

Weather during the day was Cold. Thawed some just where the sun struck, but the ground was so covered with ice that it was very difficult to get about without falling. I fell three or four times during the day but did not get hurt. Spilled about half a gallon of milk in the evening which was intended for Calf feed. Did not feel well in the afternoon. Horses very smooth shod and we did not venture to Church anywhere during day.

Wea. Cloudy Snow MONDAY 28 Ther.

Home Near Hamlin Sta.

I took the Children to school in the morning. Roads very icy. Brought Maggie Riddle from Carothers. Hauled a little straw in afternoon. Brought Children from School and put a pair of soles on sled after came home.

At night Uncle J was milking. Alex Morrison and Mitchel Carothers came and stayed until bed time. Commenced snowing in the evening and Covered the ice

Wea. very fair TUES. JAN. 29, 1895 Ther.

Home Near Hamlin Sta.

Took care of egg-or egg case to the road with the milk. Carothers took Children to School. Tried to get Helen to go to Burgettstown but could not succeed. I took Maggie Riddle home in the sleigh. Sledding not very good. Started Reddle's large Clock to running. Got home a little before sundown. Stopped at Geo. Cassidys and paid for some Coal and some Apples. Got home just as our Children were getting from School. Weather very fair at night.

Wea. Light snow WEDNESDAY 30 Ther.

Home Near Hamlin Sta.

I took the milk to the station in the morning. Geo. Stephenson went with me. When I came home I hauled some straw for the colts and Calves, and mixed some cow feed.

Did not go for the Children in the evening as Alice had not gone to School on account of a bad Cold. I lost a dolar and ninety eight cents worth of Milk tickets in the morning and did not miss them until feeding time and Willie found them at the tree where I left Wilsons tickets & mail. Prepared Celery stalks after night

Wea. Clear THUR. JAN. 31, 1895 Ther.

Home Near Hamlinsto.
After usual morning chores, I despired the old sleigh some and took Helen to James Hays' to a dinner party, and then I went to J. W. Hamlin's where I took dinner and handed John the interest on Geo. A. Hamlin's bond money furnished by Mrs. Margaret Hamlin. Came home and fed the chickens and hunted the eggs and then went to the school house and brought the Children home. Came by Hays' and brought Helen home with us. Weather very fine. Sledding not very good.

Wea. Forenoon Clear Afternoon Cloud FRI. FEB. 1 Ther.

Home Near Hamlinsto.
After usual morning chores I felt quite unwell and did not attempt to work until afternoon. Sat in the house and read most of the time. In the afternoon I cleaned out the stable and hauled a load of cornfodder which I found to be very tedious work on account of ice and snow. Lillie helped me to haul a little straw in the evening for the colts & calves. Lillie and Gracy went to Hamilton to Literary at night. Sprained my ankle in the evening [illegible] about 6 o'clock and could not walk on it until midnight when I got home.

Wea. Clear SAT. FEB. 2, 1895 Ther.

Home Near Hamlinsto. Found at 5½ O'clock that I could not put my foot to the floor to walk. Helen got out and routed Lillie and Gracey and they did the milking and feeding and Lillie took the milk to the station. I remained in bed until half past ten when I got out my foot feeling better and sat in the big rocker before the fire until evening when I helped to do the milking. My sprained foot feeling very much better. Read considerably in the Commercial Gazette in the afternoon.

Wea. Clear SUNDAY 3 Ther.

Home Near Hamlinsto
Slept until daylight and then attended to usual chores and did not attend church anywhere during the day. Sleighing was not very good and Diptheria in Elderslie prevented us from going there. And the late hour of service at the station made it inconvenient to go there. Read in the Testament and in the evening we read several Chapters in Matthew. Whole family reading verse about. Alice read well for her practice but made some annoying mistakes. My 56th Birthday

Wea. very cold MON. FEB. 4, 1895 Ther.

Home Near Hanlin Sta.

I took our Children to School in the Sled in the morning the Carothers and Wilson Children were gone before. I went to Aldersville in the afternoon with the sleigh and got Nellie and Fanny perfect all around. Bolt Boles said that the horse which he intended to shoe after I left would make out fifty shoes for him today. I got home in time to bring the children from the gate as they came from school. Tried to repair a door lock at night but failed. Wind light at night and very cold.

Wea. Clear very Cold TUESDAY 5 Ther.

Home Near Hanlin Sta.

Alarm was not set to proper time and I slept until six but got Milk off in time. Harnessed team to take Children to School but they were gone when I came in from Stable. Went after them with sled in the evening. Spent forenoon repairing the lock on the kitchen door. Repaired my felt boots in the afternoon and put a sole on one of my rubber shoes at night. Weather very cold.

Wea. Cold & Stormy WED. FEB. 6, 1895 Ther.

Home Near Hanlin Sta.

Attended to usual chores in the morning and took the milk to the Station in the sled. Learned from John Provines that Willie Workman had died in Pittsburgh last night. Called in to see John Allender and found him still sitting up but very feeble. He thought he could eat fresh fish. Cut soles in the ice in afternoon and tried to get him some but found none. Handled some straw for the colts. Went to School and brought the Children home. Still cold and stormy.

Wea. very Cold Stormy THURSDAY 7 Ther.

Home Near Hanlin Sta.

Arose at usual time and did usual chores. Snow on the ground and so stormy that Alice could not walk to School. I took the sled and took all that went our way and then brought them home in the evening. I did not get much done during the day. Went to Carothers for butter and buttermilk. Banked some snow up against the wall and windows of cellar to keep frost out. Got caught fire in chimney in the evening.

Wea. Cold & Stormy FRI. FEB. 8, 1895 Ther.

Home Near Hamlin Sta

Attended to usual chores. James Carothers took the children to school and brought them home again. Snowed really all day a very fine dry snow and wind blowing. Hauled a small load of straw for the calves and colts. Went to Wilsons and got some yeast. Learned the Stephen Ole was dead and to be buried today at eleven Oclock at Eldersville.

So stormy at night that our children did not attend literary. I commenced to patch one of Nellies shoes.

Wea. Moderating a little SATURDAY 9 Ther.

Home Near Hamlin Sta.

I took the milk to the station in the morning and was quite cold when I got there. Called in to see John Allender and found him not expected to live. Nellie and I spent the afternoon closing up the old barn for calf shelter. Sent $9.82 to Midway for millfeed. Finished patching Nellies shoe at night. Wind still blowing but milder than it has been

Wea. Clear Cold SUN. FEB. 10, 1895 Ther.

Home Near Hamlin Sta.

When I arose in the morning I thought of going to Eldersville to Church but remembered that Church was there at night and fearing that the snow drifts might be difficult of passage we did not try to go. Spent the day at home reading in Bible and Wesleyan Methodist for the most part. Alice and I read some verses about in the Bible.

Weather not quite so cold as it had been for some time and threatening snow at night.

Wea. Clear Cold MONDAY 11 Moderating Ther.

Home Near Hamlin Sta.

Arose at 4½ Oclock as usual and attended to usual chores. Took the children to school in sled and brought them home again. Alice was able to go on account of having cold. Gracey had a short letter from a lady in Kaneville, Kane Co. Ill. asking her for aid in securing a million canceled stamps for which a Medical institution proposed to treat her. Gracy had secured 179 stamps at night. Alice took off quite a number during the day. Put some fire in cellar & take frost out.

Wea. Cloudy Snowy TUES. FEB. 12, 1895 Ther.

Home Near Hanlin Sta.

James Carothers took the children to School in the morning Alice not able to go having a bad cold. I repaired my mittens in the forenoon and in the afternoon I hauled a load of oats straw for the calves and colts and a load of Cornfodder for the Cows. Was snowing fast enough to make it unpleasant. Learned that John Allender had gotten out of bed in the morning about six, took a Chew of tobacco and died in his chair a few minutes in bed.

Wea. Clear Cold WEDNESDAY 13 Ther.

Home Near Hanlin Sta.

I took the milk to the station in the morning on the sled. James Stephenson went with me. Learned that John Allender had returned to his bed before he died. Did not get home from the station until after eleven O'clock. Repaired boots some and after foddering cows and cleaning stable I went to Griffiths bank and brought home about 25 bushels of coal. Lillie went to Miller's School house to a talking school at night.

Wea. Cloudy Cold THUR. FEB. 14, 1895 Ther.

Home Near Hanlin Sta.

Attended to chores as usual then Gracey and I attended the funeral of John Allender Quite a large turn out at the house only fourteen teams went to Paris to the graveyard. I attended Church at Paris at night and heard Rev. Allen preach from St. John 19th and part of 16th. Heard that during their meeting the last two weeks twenty two persons had made a start for Heaven and among them John Bralson a man over seventy years old and one of the most profane men in the country.

Wea. Clear FRIDAY 15 Ther.

Home Near Hanlin Sta

James Carothers took the Children to School. Alice still unable to go. I finished doing chores and hauled one load of coal from Griffiths bank in the forenoon and one in the afternoon and went for Lillie and Gracey in the sleigh in the evening. Carothers took them to Literary at night. Snow melted some in the afternoon. Lillie and Gracey attended literary as and did not get home until twelve O'clock. Some disturbance among spectators Some refused to pay their dime for admission.

Wea. Clear — Snow melted sleighty — SAT. FEB. 16, 1895 — Ther.

Home Near Hanlin Sta.

When we were about to sit down to breakfast John Stephenson came for me to help them with a sick. Staid there until almost noon. Two dead calves taken from the cow. Took dinner at home and then took some chopping to Florence to get ground. Did not get home until sundown. Heard news of the revival of religion in Methodist Episcopal Church. Twenty-two persons taken into the church last night. Francis Finnegan Esq. rode home with me in the sled. Snow gone off the road in many places.

Wea. Clear — SUNDAY 17 — Ther.

Home Near Hanlin Sta

Arose at seven Oclock and Lillie and I attended to the feeding. Gracey and Grant to Eldersville in the sleigh And heard Rev. Baget preach from 126th Psalm, 6th verse, a very good sermon. Sacrament of Lords Supper administered. Gracey remained at Will. Shirley's for evening service and Ada Stephenson rode home with me in sleigh. Lillie went in sleigh at night to bring Gracey home. Ground getting bare in some places. Sun having considerable effect

Wea. Cloudy — Spitting snow — MON. FEB. 18, 1895 — Ther.

Home Near Hanlin Sta.

I took the children to school in the morning. Took the frozen straw off the top of the strawstack and put a little straw in mow for colts. Went to Florence in the evening and brought home some grinding. Started at three Oclock and was back in time to bring the children with me from school. Gracey helped me to do the milking and Lillie and I went to Eldersville to church. were too late for beginning of service. Sarah J. Moreland professed faith in Christ was baptized and united with the church. Lillie thinking and talking of uniting also.

Wea. Very fair — TUESDAY 19 — Ther.

Home Near Hanlin Sta

Arose as usual time and attended to usual chores. Carried some wastwater and took our old sleigh over to Bevins' to get some repairs but James was not at home and when he came he thought the job too large for election day. Lillie and I husked sled Cornfodder we had left—three sled loads. I did not feel well in afternoon. Lillie and Gracey went to Eldersville at night to church. Learned after they came home that they had both gone to the altar for prayers.

Wea. Clear WED. FEB. 20, 1895 Ther.

Home Near Hanlin Sta.
I took the milk to the Station in the morning and after I came home hauled some straw for the colts and Calves and hauled a load of coal from Griffiths bank. After the Children came from School we did our feeding and Ellie Tracey and I went to Elderville to Church and heard Rev. Corban preach but were not there in time to hear text. Ellie made a profession of religion. Tracey with some others forward for prayers.

Wea. Stormy THURSDAY 21 Ther.

Home Near Hanlin Sta.
I took the Children to School in the sled in the morning and brought them home in the evening. Hauled 45 bushels of Coal from Griffiths bank and settled in full for Coal. Mary Carothers went with us to Elderville to Church at night. No person forward for prayers and meeting closed. Rev. Corban preached from Romans XIIV 12". Congregation not large and preacher discouraged. We got home between eleven and twelve O'clock.

Wea. Fair FRI. FEB. 22, 1895 Ther.

Home Near Hanlin Sta.
Attended to usual chores James Carothers took Children to School. I did not get much done during day. Went to D. L. Fultons and attended to some business. Attended to Chores earlier in the evening than common and took the sled at night to Hamilton Literary And Mrs Bella Carothers Butcher and Mary And John Wilson went with us. Did not get home until near twelve O'clock. Exercises were good. Some one stole our Binder slip out of our sled.

Wea. ~~Clear~~ SATURDAY 23 Ther.

Home Near Hanlin Sta
I took the milk to the station hauled a little straw for the colts. I attended meeting of School Board at Florence. Hamilton Literary Society had voted to charge gentlemen who were not members 10 cts admission. Said Board voted to grant the School house provided they kept open doors. I got home about dark and helped doctor. Was quite sleepy a little before bed time. Weather fine.

Wea. Clear SUN. FEB. 24, 1895 Ther.

Home Near Hamlin Sta.

Slept until very late in the morning. Gaylord Melvin here and Nellie went with Lin to Elders ville to attend church. At preaching service at night he united with the Methodist Protestant Church. I attended service at Tuckers at night and heard Rev. Barron preach from Matt ~~XXVII~~ 4/2 a very plain and practical discourse. Was much pleased with his delivery and his friendly manner after church. He had quite a long hunt for his hat

Wea. Fair Snow melting MONDAY 25 Ther.

Home Near Hamlin Sta.

After usual morning chores, I took the team to Prowins' and Andrew and I cut two small hickory logs and I took them on the sled to Truax's Mill for slidsoles. Had quite a talk with Fred Gardner about the School Directors deciding against Closed doors at Hamilton Literary. Took the wagon to School for the children in the evening and had a talk with Wylie Fulton about Literary. Snow melting.

Wea. Fair TUES. FEB. 26, 1895 Ther.

Home Near Hamlin Sta.

Attended to usual chores at usual hour. Did not get much done in forenoon. Went to tree for cars but they were not there. Hauled two sled loads of manure from Colt stable in afternoon. Grace and I attended Church at Tuckers at night and heard Rev. Barron preach from Luke ~~XVIII~~ Ch. 18 40" a very good sermon. Congregation not very large. No person forward for prayers. We got home before ten O'clock. Snow melted off considerably during the day.

Wea. Cloudy WEDNESDAY 27 Ther.

Home Near Hamlin Sta.

Arose at usual time and attended to usual chores. Took the milk to the Station in the Spring wagon. Purchased a pair of hip boots for myself. Was late getting home from Station. Hauled two sled load of manure out of Colt stable in the evening. Will Melvin came about five O'clock to ask some advice about leasing farm to Coal Company or for selling Coal land. Rained some in the evening

Wea. Clear Roseau THUR. FEB. 28, 1895 Ther.

Home Near Hamlin Sta.

Arose at usual time and did usual chores. Took the children to school in the springwagon in the morning. Finished cleaning out the stable in which the colt had stood all winter. Took out in all about six sled loads of manure. A good bit of it was strawy manure.

Lillie and Sam Fulton went to Hamlin Station at night to literary and did not get home until twelve o'clock. Weather getting warmer and frost coming out of the ground.

Wea. Cloudy FRI. MARCH 1 Ther.

Home Near Hamlin Sta.

I took the children to school in the springwagon in the morning and brought them home again in the evening. Rained some during the day and snowed some in the evening. I repaired a pair of shoes for Helen did a washing. James Carothers wrote a letter to the State Supt. of Common Schools concerning the decision of our School Directors making open doors at literary and brought it to me to criticise.

Wea. Cold Stormy SAT. MARCH 2, 1895 Ther.

Home Near Hamlin Sta.

Arose at 3½ o'clock and did the chores, and Lillie and I took the milk to the station and I went to Pittsburgh and got our milk and egg money. Took dinner with Charley and Flo. Flo. was not well. She had been sick abed for some time but was better. Lillie met me at the station in the evening. Considerable of snow on the ground but melting some. Had our milking and part of our feeding to do after we got home at night.

Wea. Clear Snow melting SUNDAY 3 Ther.

Home Near Hamlin Sta.

Having retired very late we slept until it was much later than usual and the roads were so bad that we did not attempt to go to church anywhere. Lillie went in the evening to Eldersville to attend Christian Endeavor meeting. I read in the bible and Wesleyan Methodist. Read some in the Bible with the children reading verse about. We read in St. John beginning at the first chapter. Saw Rev. Gibbon on his way to the station to preach.

Wea. Stormy MON. MARCH 4, 1895 Ther.

Callie took the milk to the station. I went to Hanlin's wheat field and got permission to turn our cows into Hanlins wood pasture. Cradled some wheat before dinner and in the afternoon Callie and I got out the binder and cut some wheat. Did not get done shocking until after Sundown. And I milked the cows after dark while he went to Fulton's & settled his accounts. Ed Carothers visited us in the evening.

Wea. Fair warm SUNDAY 7 Ther.

Home Near Hanlin Sta'

Arose at five O'clock and after chores were done, Helen, Alice, Gracey and I went to Ellerslie to Church and heard Rev. Flemming of Braddock, preach from Gen. 46th. 27th Subject, Jacobs Wagons. Was well pleased with the Stranger's sermon. He was preaching as a candidate for the circuit in Taylors place. We were not at Sabbath School in time. Callie went to Endeavor in the evening. Threatening rain at night.

Wea. Rain MON. JULY 8, 1895 Ther.

Home Near Hanlin Sta'

After morning chores I went to Carothers' and had a petition made out to get A. W. Fulton into our school. Took it to C. C. Fulton's, Bob Fultons and to some others of the patrons and got quite a number of signatures but two or three refused to sign it for reasons best known to themselves. Took dinner at D. S. Fultons.

Did not get home until after 8 o'clock in the evening. Quite a thunder storm in the evening but did not rain much. Grandma Hanlin with us.

Wea. Fair TUESDAY 9 Cool Ther.

Home Near Hanlin Sta'

After doing chores Callie and I spent most of the day cutting wheat. Did not come much speed. Our wheat is bad shape. Some dead ripe and some very green and mixed. Was puzzled to know what to do with it. Feared that the green might spoil the ripe if bound up with it and roughness too scarce to allow any to spoil. Cham. Fulton came in the evening & send for Buckwheat in the morning. Children rode on bicycle.

Wea. Fair WED. JULY 10, 1895 Ther.

Home Near Hamlin Sta.

Lillie took the Milk to the Station and while he was gone I put the binder in order and did some other chores. We cut some wheat before dinner and let it lie without binding as it was quite green and not likely to get ripe. Borrowed a ball of twine from D. S. Fullerton and finished cutting our wheat in the afternoon but did not bind what was cut in the forenoon. Were very late getting Milking done. Evening quite cool

Wea. Fair THURSDAY 11 Ther.

Home Near Hamlin Sta.

After chores were done we spent the forenoon binding some wheat that we had cut with the binder and left to cure. Stacked it in the afternoon. Prepared two short singletrees and two rosebaskets and commenced plowing our corn through again some of it was quite small and some large. Meadows were light and cornfodder seemingly very scarce.

Wea. Fair FRI. JULY 12, 1895 Ther.

Home Near Hamlin Sta.

Spent the day plowing corn. Lillie did not feel well and did not work all the time and we did not get as much done as we had laid out to do. Corn very small for the time of year but ground in good order. Stephensons Young folks came in the evening and had a romp with our children. Rheumatism bothering me considerably mostly in my left arm. Evenings quite cool, too much so for good corn weather

Wea. Fair SATURDAY 13 Ther.

Home Near Hamlin Sta.

Lillie took the Milk to the Station in the morning. I plowed corn all day and Lillie in the afternoon and we got through a little before sundown. Lillie and Tracey went to Hamilton School House at night to a called meeting of the Literary Society to settle for pie[illegible] James Crother carried a petition to the board of School Directors asking for A. P. Fellers for teachers but Lillie Hamlin was astounded instead

Wea. Fair SUN. JULY 14, 1895 Ther.

Home Near Hanlins Sta

Arose about 6½ Oclock and went out getting coal found two colts and two cows in the wheat. Took me nearly half an hour to repair the fence. Slept some in forenoon. Studied Sabbath Schol lesson. The Golden calf. Gracy, Lillie, Alice and I attended Sabbath School and Church at Eldersville. My class was large and we had a very interesting lesson. Heard Rev. McCain preach from Col. III 1st a very interesting sermon. The preacher a candidate for the pulpit of Circuit at next Conference.

Wea. Showery MONDAY 15 Ther.

Home Near Hanlin Sta

We visited Grandma Melvin and found her very poorly although better than she had been. I and Alice called at Shirleys and found Lammie some better and able to be about. Lillie remained at home. Cattle and colts got into the corn and oats. Louis Hanlin came to tell about the colts and Stephensons little boys brought the cows out and Lillie repaired the fence.

Wea. Fair TUES. JULY 16, 1895 Ther.

Home Near Hanlins Sta

Lillie and I spent the day repairing fence to keep the stock out of the corn and oats. We cut and hauled some poles and wired them on top of the posts to raise the fence, and put on some rails to help them from getting their heads through. Went to Hanlins in the morning and got permission to take some edging from their slab pile to make unusable [illegible] I did not feel well during the day, my head discharging matter through my nose to my lungs and stomach.

Wea. Fair WEDNESDAY 17 Ther.

Home Near Hanlin Sta.

While Lillie took the milk to the station I took the buggy & brothers and brought Grandma Hanlin home with me. Went to Hanlins Sawmill and got some edging and in the afternoon Lillie and I made eighteen brackets to put fence about our grain stacks. It might have put one of our wagon wheels in water trough. Gracey visited at Robt. Fultons in the afternoon. Some appearance of rain at night.

Wea. Fair THUR. JULY 18, 1895 Ther.

After morning chores, Gillie, Gracey and I went to Eldersville and attended Sabbath School and Church. Talbott School interesting. Pews full and two visitors. Heard a young man named Phillips preach his third sermon which was a good one from Bro. III 23. "Keep thy heard with all diligence from of it are the issues of life" Gillie and Gracey went to Thorleys to dinner and to stay for endeavor. Rained a light shower in the evening.

Evening threatening rain

Wea. Clear MON. JULY 22, 1895 Ther.

Home Near Hanlin Sta

I spent some time in the morning repairing some fence to keep horses out of corn. We hauled some brush and put on the top of wheat stack to keep chickens off. Started the mowing machine a little before noon and Billie mowed some while I went to Eldersville and got Danny shod. After supper we hauled in wheat had been cut and left it on the wagon in the shade I did not gather it carefully. Threatens rain.

Wea. Cloudy TUESDAY 23 Ther.

Home Near Hanlin Sta

When I awake at four Oclock it was thundering and lightning and Billie and I hurried out and got nothing done but storm passed by. I mowed some in forenoon and bolt gave way in singletree at noon rained lightly and I went to Eldersville and got some rake teeth for Carothers' rake which we had broken. Billie and I put off a load of hay after supper the first in our mow.

Wea. Cloudy WED. JULY 24, 1895 Ther.

Home Near Hanlin Sta

Billie took the milk and ten pairs of chickens to station. I repaired Carothers hayrake and borrowed his harness while Billie was gone and he did some raking after he came home and I finished mowing the meadow that had the fried Cherry tree in and we brought in a load of hay after supper Only about three wagonloads of hay on the field. Threatened rain all day.

Wea. Fair THURSDAY 25 Ther.

Home Near Hanlin Sta

Billie took Carothers' hayrake home and finished their raking and then brought it back and raked some of our own. Prepared the mowing machine and mowed some in the afternoon. We put up a load of hay and put another ode on in the afternoon and put it in the wagon shade over night. Ennis Jefferson came in the morning and was with us over night.

Wea. Fair FRI. JULY 26, 1895 Ther.

Home Near Hanlin Sta.

After Chores Ellie and I put off a load of hay then he raked some hay and I mowed some and about three o'clock we took the wagon and put on load in mow and brought another to wagon shade. Helen and Alice went to Paris in the buggy after supper and Mitchel Brothers brought Grandma Hanlin too our place. Jennie Stephenson left our place in the morning and went to Jonas Stephenson's.

Wea. Showery SATURDAY 27 Ther.

Home Near Hanlin Sta

Raining lightly when I arose. Ellie took milk to station. Chain Lytton helped me to stook some hay and put a load in the mow. Went to Paris to send Sara to Washington. Went to Eldersville to get rake teeth mended and took Mary Stephenson down to stay over night with Grandma Melvin. Found her still quite poorly and growing weaker. Got home about half past ten. Heavy rain as I went away. Fell from the Table Chairs at Melvins and hurt my side.

Wea. Fair SUN. JULY 28, 1895 Ther.

Home Near Hanlin Sta.

Ellie took Grandma Hanlin to Tucker's Church in the forenoon. Tracey and went to Eldersville to Sabbath School and Church in the afternoon and Ellie went to Revel. Heard Rev. Taylor preach from Acts XVII ch. pt. 17." "the way of salvation". Sam. Hanlin came in the evening on hunt of one of their boys. I had not seen it, but learned after he was gone that Helen and Alice had driven it down the road and I went over and told Hanlins of it after night and did not get through milking until ten o'clock.

Wea. Fair MONDAY 29 Ther.

Home Near Hanlin Sta

After Chores we repaired some fence to keep the Calves in place. Hauled in two wagon loads of hay and just after we had eaten supper Frank Melvin came to get a horse to mow with but we could not spare one. Ellie mowed a few rounds after sundown. Some appearance of rain in the evening.

Wea. Morning damp Tues. July 30, 1895 Ther.

~~Afternoon~~ Clear Cool

Home Near Hamlin Sta.

Clouds and light shower in the morning prevented us from growing until near noon. Ground a set of knives for the mackine. Finished mowing our second meadow at noon and spent the afternoon mowing in the meadows next to the road. An exceedingly fine day for mowing on account of the cool wind. Mowed until stars were shining and then did the milking.

Wea. Fair Cool Wednesday 31 Ther.

Home Near Hamlin Sta.

After usual chores Lillie took the milk to the station. I borrowed a horse from Carothers and finished our mowing at noon. Sammie Hamlin helped us in the afternoon to put up hay and Ed. Carothers came after supper and helped. Lillie did the raking and quite a number of teams broke out of Carothers lane. Weather was remarkably cool for the time of year.

Wea. Fair Cool Thur. Aug. 1, 1895 Ther.

Home Near Hamlin Sta.

When I took the milk to the road I went to Stephenson's and secured help to put up our hay. Lillie and I built a blackbottom and put up some stooks in the forenoon, and in the afternoon Geo. and John and Bennie Stephenson helped us and we put up a stack of 77 stooks. All the hay that grew on the meadow back of the orchard except the rakings. We did not get through until after dark and then had our cows to tend to and milking to do.

Wea. Fair Cool Friday 2 Ther.

Home Near Hamlin Sta.

We spent the forenoon putting a top on our haystack and stacked the brook and hauled it in and hauled in our last load of hay and put it in the mow. Found in the evening that our stack was settling to one side and propped it. Lillie went to Paris to get himself a hat. My side hurt me considerably during day - probable result of a fall last Saturday night.

Wea. Fair cool SAT. AUG. 3, 1895 Ther.

Home Near Hamlin Sta'

Lellie took the milk to the station and I repaired a hand rake and gathered up some hay off the meadow and hauled it in after dinner. Started to Burgettstown about five O'clock and bought some binder twine, some flour and some bran and shorts. Flour $4.65 per bbl and feed $1.05 p. hund. Gracey and Grandma Hamlin visited at Hamlin's both Rena's and Bill and Johns and did not get home until after night. Lellie went to station and saw Charley & Flo. going to Wills.

Wea. Fair SUNDAY 4 Ther.

Home Near Hamlin Sta.

Arose at 6 o'clock and the children and I went to Eldersville to Sabbath School and Church. Heard Rev. Sa[illegible] preach from Luke 15th 11th to 32nd. Gracey Alice and I took dinner at John Watkins and went to the station and saw Charley and Flo. on their way from Wilt Melvin's home. We heard Rev. Allen preach at the station from Eph. IV 1st to 6th. 25th Congregation not as large as it used to be. Threatened rain most during the day.

Wea. Fair MON. AUG. 5, 1895 Ther.

Home Near Hamlin Sta'

After usual chores I turned our starving cows onto a newly cleared meadow and hurded them from a haystack while I gathered some scattered hay with a hand rake. In the afternoon Lellie and I repaired some fence along the cornfield to pasture another meadow. I hoed some sweet corn in the evening. Sold Robt Mc. Creary a gallon of vinegar. Looked much like rain but passed us by. Pasture badly burned up. Corn needing rain.

Wea. Shower TUESDAY 6 Ther.

Home Near Hamlin Sta

Did not accomplish much during the day. Turned the cows into the meadow next to the cornfield and some of them were disposed to break through and we were obliged to strengthen the fence and turn some of the cows out. Rained some and I repaired some lamps. In the evening Lellie and I plowed some corn in the afternoon and Lellie Gracey went to Hamilton School House at night to meeting of Glee Club.

Wea. Showery WED. AUG. 7, 1895 Ther.

Home Near Hanlin Sta.
I took the milk to the Station in the morning and took Grandma Hanlin on her way to Richmond. Then I took the wagon to Eldersville and got some shoeing done and some take teeth repaired for Carothers sake. In the afternoon I cut some oats with the cradle and at night we packed 56 doz of eggs to take to Pittsburgh to Market. Shower in the evening.

Wea. Fair THURSDAY 8 Ther.

Home Near Hanlin Sta.
Arose at usual time and attended to the usual chores and then Gillie took me to the Station with the milk and sixty six dozens of eggs which I took to Pittsburgh and sold at 12¢ pr Doz. Did not get our money from Mr Pfeiffer. Came out on the electric railway to Carnegie and called at Stewart Hanlins and at Harvey Robbs. Gillie met me at station with buggy.

Wea. Fair FRI. AUG. 9, 1895 Ther.

Home Near Hanlin Sta.
We took out the binder in the morning and set it up and cut oats until suppertime and then stacked it after supper. Oats was thin and on hard ground to cut over. Shocks not more than half as thick as they should be usually on the same ground. Gillie took a pain in his stomach and had to quit work a short time before supper and I feared I would not get through but he got better and helped me.

Wea. Fair SATURDAY 10 Ther.

Home Near Hanlin Sta.
I took the milk to the station in the morning and Gillie and Grace went to Eldersville to Church Quarterly meeting. I finished tying what oats we had cut. Repaired some fence to keep the calves in and dug out places for them to get water. Gillie went to Burgettstown after four Oclock for a pair of pants and Maggie Riddle came home with him after night. Weather quite warm and some appearance of rain at night.

Wea. Showery SUN. AUG. 11, 1895 Ther.

Home Near Hanlin Sta.

Gillie Gracey and I attended Quarterly meeting in Eldersville and heard Rev. Taylor preach from parts of 10th & 11th chapters of II Cor. And in the evening from Daniel VII 10th Heavy rain during forenoon sermon and also a heavy rain after the evening service was over And we remained until the rain was over and did our milking after night. Maggie Keddle with us over night.

Wea. Fair MONDAY 12 Ther.

Home Near Hanlin Sta.

I took the milk to the road and then took it on to the station as I was going to Wib Melvin's. Found Grandma Melvin quite feeble and no better. Tongue sore and not able to eat. Brought home three sacks of apples.

Took Helen's shoes to Lockhart in the evening to get them repaired. Gillie went in the afternoon and helped Louis and Sam Hanlin to thresh their grain.

Wea. Clear TUES. AUG. 13, 1895 Ther.

Home Near Hanlin Sta.

Gillie helped Wm and John Hanlin to thresh and got through about three Oclock and he and I cleaned out the henhouse and feedroom after he came home I repaired some fence in the forenoon and put up a pole in the wagonshade for young Chickens to roost upon. It was Alices birthday - she was nine years old and she was much disappointed because she did not get a birthday present. She looked all day for Stephensons girls, who came in the evening after supper.

Wea. Fair WEDNESDAY 14 Ther.

Home Near Hanlin Sta.

When I was about to take our milk to the road Fred Gaadner followed to me that our cows were getting into the corn. Gracey took the milk in the wagon and I put the cows out and repaired the fence. Took Maggie Keddle to Carothers and got Helen's shoes from Lockhart's. Gillie helped J. Pheawther to thresh and helped me in the afternoon to repair stable floor. I went to Paris in the evening and got some sugar salt &c. Weather very fine.

Wea. Fair Hot. THUR. AUG. 15, 1895 Ther.

Home Near Hamlin Sta.

Lillie and I spent the forenoon grinding axe and repairing stable floor. Lillie went in afternoon and helped Stewart Hamlin to thresh, and in the afternoon I continued repairs. Harry and Louis Hamlin came and made us a call and at night they came back from Carothers with Maggie Riddle and Mary Carothers and stayed all night. Mary and Maggie returned to Carothers. Young folks had quite a romp.

Wea. Fair FRIDAY 16 Ther.

Home Near Hamlin Sta.

Louis & Harry Hamlin took breakfast with us. Then Harry took Lucy and the buggy and took Maggie Riddle to D. M. Hamlins and in the afternoon took Mary Carothers to John and Wm. Hamlin's. Arose at seven Oclock and did usual chores. Spent forenoon at home studying Sabbath School lesson "Ruths Choice". Alice Grace Lillie and I attended Sabbath School and Church at Eldersville Heard Rev. T. Cumming preach from Matth XXIV 30 "A good sermon but he read it giving as his excuse that he had been very busy during the week and had not had full time to prepare his sermon. Mrs Hattie Gillespie was buried in afternoon

Wea. Fair MONDAY 21 Ther.

Home Near Hamlin Sta.

Spent the forenoon doing odd chores. In the afternoon we borrowed Carothers wagon and hauled about fifty bushels of sand. At night I wrote a letter to Florence Johnston in answer to one received from her Concerning Surprise party for her father and mother. Weather quite pleasant for the time of year.

Wea. Fair TUES. OCT. 22, 1895 Ther.

Home Near Hamlin Sta.

When Lillie had taken the milk to the road he brought five bushels of turnips from Carothers' field and about as many from McCalmonts field as Mr Finnegan and Mr Carothers both had more than they could use. We lifted about 30 bushels of sand and brought in what corn was husked. Children brought home word from school of trouble about Ferguson crossing play ground by permission of directors. Children obstructed his passage and teacher ordered them to cease obstructing.

Wea. Fair WEDNESDAY 23 Ther.

Home Near Hamlin Sta.

After usual chores I spent some time scraping dirt out of the foundation of the new chicken house, and Lillie took the milk to the station. I took an early dinner and went to Hamlin Sta, settled some bills, took some flour to John Nelson's, went to Eldersville and had some shoeing done. Bought a shelf from Will Nelson and he and I went to Eldersville and had Mother's property appraised. Attended prayermeeting and teacher's meeting.

Wea. Fair THUR. OCT. 24, 1895 Ther.

Home Near Hamlin Sta.

Spent most of the day digging and scraping in the foundation of our new henhouse, Got the thing squared up and the trench pretty deep. At night I wrote a note to J. P. Miller and wrote out a protest against the school directors allowing Frank Ferguson to make a road across Hamilton School ground, preparing to meet said directors at their next meeting. Elizabeth Riddle visits us. Weather very dry but pleasant.

Wea. Fair dry FRIDAY 25 Ther.

Home Near Hamlin Sta.

We spent most of the day preparing foundation for chicken house putting in under drain &c. At night children went to Literary Society and I went out to get signers to protest against license for Frank Ferguson to cross the school grounds at Hamilton School House. McCalmonts, Russells, Gardners and Carrs signed it, while John McConnell and Wm Truax refused for prudential reasons. Very dry and cold at night.

Wea. Fair dry SAT. OCT. 26, 1895 Ther.

Home Near Hanlin Sta.

I took the milk to the platform in the morning and in the afternoon I got several names to a petition and met the school board and argued for preventing Frank Ferguson from hauling across the playground at Hamilton School House. Directors were inclined to keep open the road which Ferguson had made and open another road at oak tree for him to haul over which I thought unnecessary.

Wea. Evening shower SUNDAY 27 Ther.

Home Near Hanlin Sta.

As we went to Eldersville to Church in the morning at Hanlin's Station B. H. Busby and Moore Barber had a very large bird measuring perhaps six feet from tip to tip of wings and about the same from tip of toes to point of beak. I took it to Eldersville and sent it to Mrs J. Boles to be stuffed and mounted. Sabbath School very interesting. I did not hear the Supt announce closing exercises and talked to my class while report was being made. Sermon from II Sam. 7" 2".

Wea. Fair cool MON. OCT. 28, 1895 Ther.

Home Near Hanlin Sta.

Went to Cornfield in the morning and tried husking corn but found the fodder already dry and the wind being very high and cold we concluded to quit. Finished putting under drain in foundation of our chickenhouse and commenced making a Mattock Handle. Gilbert went to Mr. Pagues and got a Subscription for Christian endeavor library and went to Fultons at night. James Carothers and wife were with us until bedtime. Evening Quilted.

Wea. Fair TUESDAY 29 Ther.

Home Near Hanlin Sta.

I went to Hanlin Sta. in the morning and from there to Burgettstown and engaged John Leopole to build stone wall under chickenhouse.

In the afternoon I went to Truax' mill and brought home our sled soles. Helped to do the milking and wrote a letter at night to Robt Hamilton Iowa.

Weather Quite Cold.

Wea. Fair WED. OCT. 30, 1895 Ther.

Home Near Hamlin Sta'

Callie took the milk to the station. I husked three or four shocks of corn. Put a new handle in the mattock. We hauled a few stones in the evening for foundation of chickenhouse. Callie and I went to Eldersville to prayermeeting and Leaders meeting which was quite interesting. Rev. Flemming taking quite a deep interest in those things and making a great improvement on the prayermeeting. As we came home in the old buggy passing the Crift girls ran into a ditch and mashed a wheel. Brought buggy home on a rail

Wea. Fair ~~THURSDAY 31~~ Friday Nov 1 Ther.

Home Near Hamlin Sta'

In the morning we found that some boys had taken off our gate and Carothers'. Ours was put into the pasture near by and Carothers' was put under the bridge. I tracked some boys to Stephenson's and supposed that Fullton boys were engaged. I went to Will Melvins and bought twelve baskets of apples and he gave me about three baskets of Shaken ones. And bought a sheep and butchered it there and brought it home. Got home about 8½ Oclock.

Rain Ther.

Wea. ~~Fair~~ ~~THU.~~ Oct 31, 1895 Ther.

Home Near Hamlin Sta

Rained nearly all day And we did not get much out door work done. Husked a little corn in the forenoon and hauled it in. We spent most of the afternoon in the house. Women thought they heard some body about at night. Done no mischief but I did not get up.

Wea. Fair SATURDAY 2 Ther.

In the evening I went to Station and met Charlie and Flo and brought them home with me. Billie Beall went home at night. Bought a turkey from Mrs Stephenson for a dollar. It weighed eleven pounds.

Wea. Fair THURSDAY 28 Ther.

Home Near Hamlin Sta.

Usual chores. Charley and Flo with us for Thanksgiving. Gillie and Charlie spent most of the day hunting but caught nothing and Gillie took Charley and Flo. to the station on their way home. I went to Mr Fulton's in the morning to get some pulleys for our fodder cutting arrangements. Went to Griffith's bank for coal but got none then went to Jumbo Barnes and got 20 bushels. Annie Hooly with us for dinner and over night.

Wea. Fair FRI. NOV. 29, 1895 Ther.

Home Near Hamlin Sta.

After doing morning chores I went with John Provines as far as Martins and cut some willows to tie cornfodder with. Sammie Hamlin helped us to husk during the day. We only filled one load. Gillie and I did not husk much. Annie Hooly was here in the forenoon and she and Gracey visited at Brothers' in the afternoon and went from there to Literary at Hamilton. Threatened rain in the evening. Heard that McClures Hardware Store and some other buildings in Burgettstown were burned in the morning

Wea. Cloudy damp SATURDAY 30 Ther.

Home Near Hamlin Sta.

Gillie took the milk to the station in the morning and Mrs E.P. Riddle came home with him. I attended to the chores and husked two shocks of corn. In the afternoon I went to Florence to attend a meeting of the School Board to get them to amend license granted to Ferguson to travel across Hamilton School ground. Was not a quorum of board present and no meeting. Gillie hauled in a load of corn and we did most of the feeding and cut some fodder after night. Weather damp.

Wea. Fair SUN. DEC. 1, 1895 Ther.

Home Near Hanlin Sta.

Arose shortly after five Oclock and attended to chores Alice Gracey and I attended Sabbath School and Christian Endeavor meeting at Eldersville. Were a little late. Subject under descussion in Endeavor "Is my heart right with God?" Quite a good number took part in the exercises. Subject of Sabbath School Lesson. David Anointed king." Only three in my class. Lesson interesting. Ellie spent the day at home. Protracted meeting going on at Bethel.

Wea. Not Snow MONDAY 2 Ther.

Home Near Hanlin Sta.

After chores Ellie took Gracey and Alice to school and I went to Eldersville and got quite an amount of blacksmithing done. Got home in time for Ellie to bring the girls from school, and we had quite a time putting stock in out of the snowstorm and cutting corn fodder for feed. Read a letter from Charley and answered it at night. Did not get to bed until after ten Oclock.

Wea. Cold TUES. DEC. 3, 1895 Ther.

Home Near Hanlin Sta.

Ellie took the milk to the road and then took Gracey to school. I attended to chores and in the afternoon we went to where the sawmill had been on Hanlin's place and got some slabs to make a place to set our fodder cutter. Ellie and Gracey went to Sis. Fultons at night to an Oyster Supper given by the boys who got beaten in the hunt last week. Elizabeth Ruddle with us doing knitting and patching. Some snow on the ground but appearance of fine weather.

Wea. Cold Snow WEDNESDAY 4 Ther.

Home Near Hanlin Sta

Ellie took the milk to the station in the morning and in the afternoon he helped me to put up a floor under our henroost preparatory to making a place to set our fodder cutter. At night he and Gracey went to Carothers and I did the milking and cut fodder until half past nine Oclock. Heard that Geo. Cassidy was not expected to live with blood poisoning. Snowed some during the day.

Wea. Cold THUR. DEC. 5, 1895 Ther.

Home Near Hanlin Sta.

Rose at usual time and attended to usual chores. When Tillie took the milk to the road Mrs. E. J. Riddle went with him in the wagon and went with John Downes to the station and thence to Burgettstown. We spent most of the day preparing a place to cut corn fodder in. We brought the old wagon bed from the old barn and set it in the shade and moved the cutter and set it beside it preparing to attach a horsepower to it, and cut some fodder for feed. Tillie cut some after night.

Wea. Cold FRIDAY 6 Ther.

Home Near Hanlin Sta.

Spent the day filling up corn and taking it to mill. hauling cornfodder, and getting a load of coal from Jumbo mines. Water low in our spring and froze in the pipe. Tillie thawed it out while I was away but I found it freezing up again at night. I fed the milking after night and cut fodder until after nine O'clock. Tillie and Grace went to Literary, Aunt Liz Riddle here.

Wea. Fair SAT. DEC. 7, 1895 Ther.

Home Near Hanlin Sta.

We spent the day getting ready for winter. Water had frozen in the pipe at spring and had to thaw it out with fire. We hauled a load of straw to the lower stable for feed. Tillie took the milk to the station and Mary Jackson came home with him. While we were doing out feeding in the evening Will. Mulvin came and spent the night with us and we did not retire until after twelve O'clock. Weather became warmer in the evening and ground getting muddy.

Wea. Cloudy. Chilly SUNDAY 8 Ther.

Home Near Hanlin Sta.

Slept until after six O'clock and then hurried to do our chores and Will Mulvin went with us to church. We went on horseback. Were too late to hear the text but learned that it was Phillipians IIII 14"

Tillie and I came home after service and Tillie staid for Endeavor.

I did the evening chores, Threatening snow in the evening.

Wea. Snowy chilly MON. DEC. 9, 1895 Ther.

Home Near Hamlin Sta

After doing usual chores Tillie and I spent most of the day preparing for butchering our hogs. While Tillie was hauling water, load slid off and partly upset. I went to Fultons and Carothers to ask for help tomorrow. Tillie went to mill for feed and I cut a number of sheaves of fodder while he was gone. Examined a catalogue of Hamilton Co. Exhibit and studied out some of the scenes likely to be displayed at the festival and social.

Wea. Fair TUESDAY 10 Ther.

Home Near Hamlin Sta

Arose at usual time and did milking and some feeding before breakfast and kindled fire for butchering. James Carothers, and D. S. Fulton helped us to dress our two hogs and we got through about twelve O'clock and Tillie and I cut them up in the afternoon. Did not feel inclined to work after night but put the heads to soak after doing our milking and feeding. Old men of community held a Lambdering. The day

Wea. Cloudy WED. DEC. 11, 1895 Snow Ther.

Home Near Hamlin Sta.

Tillie took the milk to the station in the morning. Billy Beall came and husked corn all day and Tillie brought in the load in the evening. I spent the day doing chores. Put our pork in the barrel and at night we cut our sausage. Billy Beall remained with us over night. Before we went to bed it was snowing rapidly and coming directly from the East. E. J. Riddle with us. We were not well prepared for the storm. Stock not well sheltered

Wea. Cold THURSDAY 12 Snow Ther.

Home Near Hamlin Sta.

Spent forenoon feeding and doing chores. Burst paths in the snow in the morning. Tillie took the girls to school in the sled. In the afternoon we put a new pair of soles on the sled and he went for the girls again in the evening. I wrote a letter to Charley at night concerning some castings he proposed to get for our fodder cutter which had not yet come. Fair winter weather.

Wea. Clear Cold FRI. DEC. 13, 1895 Ther.

Home Near Hamlin Sta.

Spent most of the forenoon doing the chores and cutting wood for fire to finish pork butchering. Helped James Carothers to draw a beef and got home about half past two o'clock and took the team and went to the station and brought home a ton of bran which cost me $14. Feeding was done and milking almost done when I got home. Helen helped Lillie to do the milking. My feet were very cold when I got home. Our water frozen in can trough in spring house. Water very low.

Wea. Fair SATURDAY 14 Ther.

Home Near Hamlin Sta.

Lillie took the milk to the station in the sleigh in the morning and after I had done some chores I went to see Dr. S. Cassidy and found him some better than he had been yesterday afternoon. Met Mr. McClymont there and he led in worship. I went to Gumbo mines and got a load of coal for which I paid 70cts. We hauled the ice out of our spring that carried water to the trough and then cut fodder after night. Alice does sick during the day and evening. Gave her Castor Oil. She has rested all night.

Wea. Fair Snow on ground SUN. DEC. 15, 1895 Ther.

Home Near Hamlin Sta.

Had not slept much during night attending to Alice who was sick. Arose about six o'clock and did chores, but Alice was so sick that I did not attend church anywhere during the. Alice got easy about nine o'clock and we did not call a Doctor. I slept some during the day and studied lesson for Sabbath School next Sabbath. Christmas lesson "The Birth of Christ." Mrs. E.J. Riddle with us. Snow melted some in the afternoon. Lillie not feeling very well and did not attend church. Slept but little for part of night.

Wea. Fair MONDAY 16 Ther.

Home Near Hamlin Sta.

Forenoon was very foggy and frosty. After we finished chores and feeding we put some weatherboarding on the old barn to make shelter for our calves. Emptied a ton of bran and filled up ten bushels of wheat to take to mill. Then turned our horsepower into position for cutting cornfodder, but did not set it. Took the measure of rope necessary to run the machine. Still no word from Charley about our pulley. Lillie went to Eldersville at night to a meeting concerning Christmas tree.

Wea. Fair TUES. DEC. 17, 1895 Ther.

Home Near Hanlin Sta

After attending to usual chores I went to D. S. Fulton's and helped to butcher four hogs. Got home about two Oclock and made some repairs on a lever of our horsepower and cut some feed for stock. Rec'd a letter from Flo. Conerny our pullers stating that they were ready. Alice able to be up and about again. Mrs E. J. Riddle quite ly. Weather moderate and fair. Ground getting muddy.

Wea. Fair Warm WEDNESDAY 18 Ther.

Home Near Hanlin Sta.

Willie took the milk to the station and brought our pulleys home with him for our Cutting Machine, and Maggie Riddle came with him also. I tried to stop the leak in the milk can brought but did not succeed well. In the afternoon I put the bolts in levers and repaired stayrods and put them on. Cut feed enough for cows and horses. Snow melted off and Ground getting muddy. Louis Hanlin came about ten Oclock and husked Corn until ten Oclock then went home.

Wea. Cloudy Warm THUR. DEC. 19, 1895 Ther.

Home Near Hanlin Sta.

I did part of the feeding in the morning and then got ready and took ten bushels of wheat to Burgettstown to mill and took a puller to McClintock and got a keyway cut in it. Did not get home until after night. Willie and Grace helped me to do the milking and then they went to Carothers and practiced a piece of music to sing at Literary tomorrow night. Elizabeth Riddle here. Roads getting quite muddy and rather quite warm Louis Hanlin husked for us afternoon

Wea. Cloudy Warm FRIDAY 20 Ther.

Home Near Hanlin Sta.

While I was doing the feeding in the morning Will. Beall came to husk corn and soon after Louis Hanlin came and at noon Sam. Hanlin came. Willie hauled corn and the others of us husked. At noon there were 93 shocks to be husked and at night there were just 11. Corn not good. Will. Beall went with our Children to Literary. After I had finished feeding and milking I filed out a key seat in a pulley and put it on our Corn fodder Cutter.

Wea. Wet SAT. DEC. 21, 1895 Ther.

Home Near Hanlins Sta.

Gillie took the milk to the Station in the morning and got quite wet. I finished the chore and went to Paris and got Crank of Cutter repaired. In the afternoon I went to Burgettstown and exchanged a buggy wheel and got our rope to run our feed cutter with. Got home at dusk helped to do the feeding and Gillie and I cut about fifty bushels of cornfodder by Lamp after night. Quit raining in the evening and got cooler.

Wea. Fair SUNDAY 22 Ther.

Home Near Hanlins Sta.

Arose at six Oclock and attended to chores then Gracey and I rode over to Eldersville on horseback and attended Sabbath School and preaching service. Heard Rev. Flemming preach a very good sermon from Luke XVII Ch part 27 & 1st ft 28. Took dinner at home. Maggie and Elizabeth Riddle with us over night.

Weather fair and warm but roads muddy after the rain

Wea. Cloudy Warm Evening Wet MON. DEC. 23, 1895 Ther.

Home Near Hanlins Sta.

After doing morning chores I did some repairing to our old buggy and Gillie and I finished husking our Corn and in the afternoon I went to Hanlins Slab pile and gathered out some slabs to make floor to set our fodder cutter on over Wagonshade. Gillie and Gracey attended a flagraising at Millers School House in the evening and I did the Milking and cut fodder until half past eight Oclock. Commenced raining some about dundown and was still raining a little at nine Oclock.

Wea. Cloudy Warm TUESDAY 24 Ther.

Home Near Hanlins Sta.

Gillie and I spent the day trying to floor a place over our wagonshade to set our feed cutter. Got the floor down but found at night that we would have difficulty about changing direction of our rope and concluded to cut the boards and turn them the other way of the building. Gillie and Gracey went to Eldersville at night to a Christmas tree. I cut fodder until after eight Oclock. Weather warm and quite cloudy

Wea. Cloudy ~~cold~~ Snow WED. DEC. 25, 1895 Ther.

Home Near Hanlin Sta.

Gillie took the milk to the station and brought home with him a turkey roaster, some books, some filling to diary Christmas presents from Charley and Flo. We spent the afternoon preparing a place to cut fodder with horsepower. Found the job very tedious for want of lumber. Helen and Alice went to Paris & got some yarn &c. At night Gracey Alice Gillie Gaylord and I attended a Christmas Entertainment and treat at Tuckers Church, which was very good Order was good considering the crowd which was large.

Wea. Cloudy for Snow THURSDAY 26 Ther.

Home Near Hanlin Sta.

After chores Gillie and I spent most of the day arranging pulleys and flooring for our fodder cutting machine. Commenced running about noon and rained all afternoon and turned to snow in the evening and was very unpleasent.

Gillie brought the children from school. Helen went to see Sarah E. Fulton and found her better. Elizabeth Riddle with us. I got quite tired and felt very uncomfortable in the evening.

Wea. Clear. Snow on the Ground FRI. DEC. 27, 1895 Ther.

Home Near Hanlin Sta.

Gillie took the children to school in the sled and I did the chores.

During the day we got our fodder cutter in place and the power set and put a horse to it and ran it some but found it ran hard. And did not cut with it as the cutter was not fastened down.

Gillie, Gracey and Maggie Riddle went to Uncle Grant Hanlin's at night. A young Mr. McCrea there.

Snow did not melt much during the day only just where the sun shone.

Wea. Fair SATURDAY 28 Ther.

Home Near Hanlin Sta

Gillie took the milk to the station and got himself a pair of felt boots and rubbers on credit at Cosgroves. I fastened down our fodder cutter and in the afternoon we built a bin for cut fodder and reset our power and put the horses to it and cut feed for Sabbath day. Mr. Calmonts boys came in the evening and helped us some. I went to Jumbo mines and brought home about 15 lbs of coal by moonlight. Weather fine. Snow on ground. Roads very bad in places.

Wea. Very fair SUN. DEC. 29, 1895 Ther.

Home Near Hanlin Sta.

Arose at six o'clock and helped Lillie to attend to part of the chores then got ready and rode over to Eldersville and attended Sabbath School and Christian Endeavor meeting. Dr John Scott acted as teacher of the Class and Henry Cooper's Combined and conducted Quarterly review which was interesting. Lillie went to Eldersville at night to attend Church.

Elizabeth Riddle stayed over night having returned from Mrs Hanlins.

Evening very fair and not freezing much.

Wea. Cloudy MONDAY 30 Ther.

Home Near Hanlin Sta

Arose at four o'clock and read about an hour before doing feeding. Lillie and I Cut some fodder after making some improvements on our machine and then finished our feeding. Finished building our bin for Cut fodder, and in the evening hauled a load of fodder and Cut it. All the family had a hand in. Mother fed some Grace drove and Alice and Lillie pulled fodder back. Wrote a letter to Charley & Tilo at Mississ

Wea. Fair Snow TUES. DEC. 31, 1895 Ther.

Home Near Hanlin Sta.

After usual chores, I spent most of the day among our neighbors. Called at Mrs Hanlins for butter, but did not get it. Notified some folks of our part. Went to Carothers and D. S. Fultons and got butter at Fultons. Young people gathered in at night and had a good time generally. Some used the horse power of fodder cutter for a merry-go round. Mary Carothers fell off but was not hurt. Being "Leap year" Nannie Lowther got James L. Fultons horse and brought it to the steps and when he mounted I helped her on behind him and he took her home. I suppose that Jim intended to have taken Edna Stephenson instead but Cupid steered Nancy to take the place. Lillie Hanlin took "Nick" Crips horse (Hanlins) and John Hays and Nick Crip both got on behind her. Nick soon slid off and got on behind Frank Hanlin and his horse made some very funny motions trying to kick up with one foot. Lillie went to Hamilton School House to Glee Club practice and invited Glee Club to come and sing. And we had some very fine music. Wm McCrea son of Levi McCrea of Carroll Co. Ohio here. When old year went out the young folks made a racket ringing the dinner bell hollowing shooting &c &c.
